 a key intervention in refugee studies in India home to diverse groups of refugees including an entire government in exile It
 unravels the various socio economic political and cultural dimensions of refugee issues in India The volume examines the
 various legal political and policy frameworks for accommodating refugees or asylum seekers in India including the
 Citizenship Amendment Act and the National Registry of Citizens It evaluates the lack of uniformity in the Indian legal and
 political framework to deal with its refugee population and analyzes the grounds of inclusion or exclusion for different groups
 Drawing from the experiences of Jewish Tibetan Pakistani Bangladeshi Sri Lankan Afghan and Rohingya refugees in India it
 analyzes debates around marginalization citizenship and refugee rights It also explores the spatial and gendered dimensions
 of forced migration and the cultural and social lives of displaced communities including their quest for decent work education
 and health The volume will be an indispensable reference for scholars lawyers researchers and students of refugee studies

 volume engages with the renewed focus on various forms of persisting and new marginalities in globalising India The
 persistence of hunger in pockets of India forcible land acquisitions and their impact on deprived sections of society the
 effects of urban relocations material deprivation of minority groups and tribes as a result of conflicts continuing caste
 discrimination reported cases of atrocities against lower castes and tribes regional disparities gendered forms of exclusion
 and those related to disability and many other conditions suggest the need to rethink notions and practices of marginality
 and exclusion in India This volume critiques the principal ways of thinking about marginalities which primarily consist of a
 focus on normative principles and brings into focus the chasm between such principles and subjective notions and
 experiences of marginality and injustice The uniqueness of this edited volume is that it connects theoretical perspectives with
 empirical case studies and discussions and cases of exclusion are discussed within an overall inclusive and integrated
 framework This is a valuable resource for researchers scholars students public policy formulators and for social innovators
