## **The Chalon Heads A Kathy And Brock Mystery:**

**The Chalon Heads** Barry Maitland, 2014-04-15 When the Daily Mirror called The Chalon Heads one of the best crafted best plotted and most convincing British thrillers for decades you knew it had to be good David Brock and Kathy Kolla are summoned to Cabot's a venerable dealer in rare stamps on the Strand and at first they expect a simple case of theft and a pleasant digression from the usual sort of murderous wrongdoing they encounter in the Serious Crime Branch of Scotland Yard But the case they confront is twistier and far more unsettling than they could have imagined An unsavory figure from Brock's past slippery East Ender Sammy Starling aka Sammy China is in deep trouble and asking for Brock's help It seems Sammy's young wife has been kidnapped but the strange part is that the ransom notes are decorated with rare and valuable Chalon Head stamps of the young Queen Victoria to whom Sammy's wife bears an uncanny resemblance Sammy is convinced a corrupt cop he once helped put in jail is behind the kidnapping But Sammy has made a living from fraud and deceit why should Brock and Kolla trust anything he says Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Babel** Barry Maitland, 2003 Scotland Yard's brilliant
