The Chatelaine Guide to Marriage Benjamin Schlesinger,1975-01-01 **Canadian Essay and Literature Index, 1975** Andrew D. Armitage,1977-02 **Women in Magazines** Rachel Ritchie,Sue Hawkins,Nicola Phillips,S. Jay Kleinberg,2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia **The Unofficial Guide to Season Three** TVCaps,2012-11-26 Downton Abbey has quickly become an international sensation Viewers across the world have fallen in love with the characters The Guinness Book of World Record has called it the most critically acclaimed show on TV This guide will help you refresh your memory about all the plots sub plots and characters from season three The guide provides a recap of every episode be warned of spoilers descriptions of every major character and a history of the shows production and origins A separate book is also available that contains the first two seasons Note this book is unofficial and not endorsed by the creators or producers of the show TVcaps is an imprint of BookCaps tm Study Guides Each unofficial TV guide recaps TV shows to help refresh your memory for what has previously happened They feature character profiles show history and episode by episode recaps **The International Who's Who of Women 2002** Elizabeth Sleeman,2001 Over 5 500 detailed biographies of the most eminent talented and distinguished women in the world today Women in Canada ,1984 *The King's Guide* Naunton Covertside,1901 Downton Abbey: The Unofficial Guide to Seasons One and Two TVcaps,2012 Downton Abbey has quickly become an international sensation Viewers across the world have fallen in love with the characters The Guinness Book of World Record has called it the most critically acclaimed show on TV This guide will help you refresh your memory about all the plots sub plots and characters The guide provides a recap of every episode be warned of spoilers descriptions of every major character and a history of the shows production and origins TVcaps is an imprint of BookCaps tm Study Guides Each unofficial TV guide recaps TV shows to help refresh your memory for what has previously happened They feature character profiles show history and episode by episode recaps *Canadian Families 1900-2000* Benjamin Schlesinger,2000 This partially annotated bibliography of 943 articles relating to Canadian Families covers the period from 1900 2000 The concept is unique in its attempt to give the reader an overview of what has been published in English on the major issues relating to Canadian Families during a century

Items in the bibliography are organized into 50 topical headings and include articles books reports surveys and other entries from published sources Also included is a selection of relevant websites An introductory essay highlights some of the major events relating to Canadian Families during the 1964 2000 period Historical entries let the reader examine what family life was like during the first 50 years of the 20th century An author index of 968 names allows for quick reference to specific bibliographic items

Born at the Right Time Doug Oram,1997-12-15 It is rare in history for people to link their identity with their generation and even rarer when children and adolescents actually shape society and influence politics Both phenomena aptly describe the generation born in the decade following the Second World War These were the baby boomers viewed by some as the spoiled selfish generation that had it all and by others as a shock wave that made love and peace into tangible ideals In this book Doug Oram brings us the untold story of this famous generation as it played out its first twenty five years in Canadian society Beginning with Dr Spock s dictate that this particular crop of babies must be treated gently Oram explores the myth and history surrounding this group from its beginning at war s end to the close of the 1960s The baby boomers wielded extraordinary power right from birth Oram points out and laid their claim on history while still in diapers He sees the generation s power and sense of self stemming from three factors its size its affluent circumstance and its connection with the 1960s the fabulous decade of free love flower power women s liberation drugs protest marches and rock n roll From Davy Crockett hats and Barbie dolls to the civil rights movement and the sexual revolution the concerns of this single generation became predominant themes for all of society Thus Oram s history of the baby boomers is in many ways a history of the era Doug Oram has written extensively on cultural icons Utopian hopes and the gap between realities and images all powerful themes in the story of this idealistic generation A well researched lucid and humorous book **Born at the Right Time** is the first Canadian history of the baby boomers and the society they helped to shape
