## **The Cheyenne Encounter:**

*Violent Encounters* Deborah Lawrence, Jon Lawrence, 2012-09-13 Merciless killing in the nineteenth century American West as this unusual book shows was not as simple as depicted in dime novels and movie Westerns The scholars interviewed here experts on violence in the West embrace a wide range of approaches and perspectives and challenge both traditional views of western expansion and politically correct ideologies The Battle of the Little Big Horn the Sand Creek Massacre the Battle of the Washita and the Mountain Meadows Massacre are iconic events that have been repeatedly described and analyzed but the interviews included in this volume offer new points of view Other events discussed here are little known today such as the Camp Grant Massacre in which Anglo Americans Mexican Americans and Tohono O odham Indians killed more than a hundred Pinal and Aravaipa Apache men women and children In addition to specific events the interviews cover broader themes such as violence in early California hostilities between the frontier army and the Sioux including the Santee Sioux Revolt and Wounded Knee and violence between European Americans and Great Basin tribes such as the Bear River Massacre The scholars interviewed include academic historians public historians an anthropologist and a journalist The interview format provides insights into the methodology and tools of historical research and allows questions and speculations often absent from conventional written accounts The scholars share their latest thoughts on long standing controversies address the political uses often made of history and discuss the need to incorporate multiple viewpoints Scholars and students of history and historiography will be fascinated by the nuts and bolts information about the practice of history revealed in these interviews In addition readers with specific interests in the events discussed will gain much new information and many fresh insights

*Racial Encounters in the Multi-cultural West* Gordon Morris Bakken, Brenda Farrington, 2000 This anthology examines Love s Labours Lost from a variety of perspectives and through a wide range of materials Selections discuss the play in terms of historical context dating and sources character analysis comic elements and verbal conceits evidence of authorship performance analysis and feminist interpretations Alongside theater reviews production photographs and critical commentary the volume also includes essays written by practicing theater artists who have worked on the play An index by name literary work and concept rounds out this valuable resource

*Six Encounters with Lincoln* Elizabeth Brown Pryor, 2018-02-06 Winner of the Barondess Lincoln Award from The Civil War Round Table of New York Fascinating reading this book eerily reflects some of today s key issues The New York Times Book Review From an award winning historian an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U S Army officers on the eve of the Civil War A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist A tense exchange on a navy ship with a Confederate editor and businessman In this eye opening book Elizabeth Brown Pryor examines six intriguing mostly unknown encounters that Abraham Lincoln had with his constituents Taken together they reveal his character and opinions in

unexpected ways illustrating his difficulties in managing a republic and creating a presidency Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself the clamorous diversity of the populace with its outspoken demands She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple concerns that make up being a political leader how conflicted he was over the problem of emancipation and the misperceptions Lincoln and the South held about each other Pryor also provides a fascinating discussion of Lincoln s fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power Based on scrupulous research that draws on hundreds of eyewitness letters diaries and newspaper excerpts *Six Encounters with Lincoln* offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with and who had to deal with the many critics naysayers and dilemmas he faced without always knowing the right answer What it shows most clearly is that greatness was not simply laid on Lincoln s shoulders like a mantle but was won in fits and starts      **Tragic Encounters** Page Smith,2015-11-15 A fascinating new history of the Native Americans      *Spirited Encounters* Karen Coody Cooper,2008 During the twentieth century American Indians across North America organized protests against traditional museum treatment of Native materials and the Native community In response museums began to change their methods *Spirited Encounters* provides a foundation for understanding museums examines how museums collect Native materials and explores protest as a fully American process of addressing grievances Now that museums and American Indians are working together in the processes of repatriation this book can help each side understand the other more fully      **Dear Brother** William Clark,2003-08-11 This collection of William Clark s letters to his brother Jonathan many published for the first time reveals important new details about the Lewis and Clark Expedition Meriwether Lewis s mysterious death the status of Clark s slave York and life in Jeffersonian America      **Encounters at the Heart of the World** Elizabeth A. Fenn,2014-03-11 This Pulitzer Prize winning work pieces together the lost history of the Mandan Native Americans and their thriving society on the Upper Missouri River The Mandan people s bustling towns in present day North Dakota were at the center of the North American universe for centuries Yet their history has been nearly forgotten maintained in fragmentary documents and the journals of white visitors such as Lewis and Clark In this extraordinary book Elizabeth A Fenn pieces together those fragments along with important new discoveries in archaeology anthropology geology climatology epidemiology and nutritional science The result is a bold new perspective on early American history a new interpretation of the American past By 1500 more than twelve thousand Mandans were established on the northern Plains and their commercial prowess agricultural skills and reputation for hospitality became famous Recent archaeological discoveries show how they thrived and how they collapsed The damage wrought by imported diseases like smallpox and the havoc caused by the arrival of horses and steamboats were tragic for the Mandans yet as Fenn makes clear their sense of themselves as a people with distinctive traditions endured      *American*

*Encounters* Peter C. Mancall, James Hart Merrell, 2000 A collection of articles that describe the relationships and encounters between Native Americans and Europeans throughout American history     Twenty-Five Years among the Indians and Buffalo William D. Street, Warren R. Street, 2015-12-02 Nearing 60 William D Street 1851 1911 sat down to write his memoir of frontier life Street's early years on the plains of western Kansas were both ordinary and extraordinary ordinary in what they reveal about the everyday life of so many who went out to the western frontier extraordinary in their breadth and depth of historical event and impact His tales of life as a teamster cavalryman town developer trapper buffalo hunter military scout and cowboy put us squarely in the middle of such storied events as Sheridan's 1868 1869 winter campaign on the southern Plains and the Cheyenne Exodus of 1878 They take us trapping beaver and hunting buffalo for hides and meat and driving cattle on the Great Western Cattle Trail They give us insight into his evolving understanding of his multi decade relationship with the Lakota And they give us a front row seat at the founding and development of Jewell and Gaylord Kansas and a firsthand look at the formation of Jewell's Buffalo Militia In later life Street rose to prominence as a newspaper publisher state legislator and regent of the Kansas State Agricultural College At the time of his death noted in the New York Times he was still at work on his memoir Handed down through his family over the past century and faithfully transcribed here Street's story of frontier life is as rich in history as it is in character giving us a sense of what it was to be not just a witness to but a player in the drama of the plains as it unfolded in the late nineteenth century Edited by Street's great grandson with an introduction by Richard Etulain a leading scholar of the West this memoir is history as it was lived recalled in sharp detail and recounted in engaging prose for the ages     **Encounters with American Culture** Peter Prescott, 2018-01-18 This collection of essays discusses some of the important books authors and literary trends of a volatile era in American and world literature whose cultural repercussions are still being felt Peter S Prescott was one of the most penetrating knowledgeable and sensitive critics to write for a general audience in the tradition of Edmund Wilson Readers will discover not only Prescott's acute and subtle comments on the enduring and or representative books of the time but also his humor and style his way with an anecdote or aphorism his talent for parody and his ability to laugh at himself as well as at the authors he sometimes skewers Prescott's writing has an immediacy and vivacity that suggests what it was like to read new books during his time Here is one critic's view ironic and complex of good books by famous writers like Norman Mailer Jorge Luis Borges Joyce Carol Oates Aleksandr Solzhenitsyn and Vladimir Nabokov as well as of good books by little known writers and others who would later achieve renown Here too is some astringent criticism of distinguished and popular authors who have fallen into self indulgence Prescott writes about the New Journalism in its early days and about fragmentary autobiography as a literary form genres whose importance he was among the first to recognize His essays also touch on theater film food and politics The criticism in this volume are examples of the literary essay in its truest sense an attempt to explore in however brief space allowed what the author sees around him and connections between books and other aspects of the way people live Always

personal and urbane these essays are often hilarious generally moving and exemplify the essay as an art form Visions & Encounters Gerald G.
