The Chinese Repository Volume 12 From January To December 1843:

Anglo-China Christopher Munn, 2013-12-16 A study of the first three decades of British rule in Hong Kong focusing on the troubled and controversial process of establishing a British colony at Hong Kong and on the reception of British rule by people in the region **The Chinese Repository**, 1843 The Chinese Repository, Vol. 12, 2017-11-25 Excerpt from The Chinese Repository Vol 12 From January to December 1843 We have now glanced at all the prominent points in Mr Young's essay and have endeavored fairly to represent his statements and to recapitulate his arguments Concerning the whole we have but little to remark About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Macanese Diaspora in British Hong Kong**

Catherine S. Chan, 2025-10-01 Diaspora transformed the urban terrain of colonial societies creating polyglot worlds out of neighborhoods workplaces recreational clubs and public spheres It was within these spaces that communities reimaged and reshaped their public identities vis vis emerging government policies and perceptions from other communities Through a century of Macanese activities in British Hong Kong The Macanese Diaspora in British Hong Kong A Century of Transimperial Drifting explores how mixed race diasporic communities survived within unequal racialized and biased systems beyond the colonizer colonized dichotomy Originating from Portuguese Macau yet living outside the control of the empire the Macanese freely associated with more than one identity and pledged allegiance to multiple communal political and civic affiliations They drew on colorful imaginations of the Portuguese and British empires in responding to a spectrum of changes encompassing Macau's woes Hong Kong's injustice Portugal's political transitions global developments in print culture and the rise of new nationalisms during the inter war period Chinese Middlemen in Hong Kong's Colonial Economy, 1830-1890 Kaori Abe, 2017-09-14 The traditional view of the Hong Kong colonial economy is that it was dominated by Western companies notably the great British merchant houses and that these firms enlisted support from Chinese middlemen the compradors who were effectively agents working for the Western firms This book which presents a comprehensive overview of the compradors and their economic and social functions over the full period of colonial rule in Hong Kong puts forward a different view It shows that compradors existed before the beginning of British rule in 1842 discusses their economic and social roles in the colonial economy roles which included activities for Western firms for the government and to support compradors own commercial activities and outlines how the comprador system evolved Overall the book demonstrates that the compradors played a key role in the formation and development of Hong Kong's economy and society

that they were active participants not just passive servants of Western companies Catalogue of the Library of Congress : Index of Subjects, in Two Volumes ,1869 **They Came for Sandalwood** Dorothy Shineberg,2014-06-01 Few Pacific history books have stood the test of time as well as *They Came for Sandalwood* but Dorothy Shineberg's book first published in 1967 has never been bettered This fascinating account of the sandalwood trade describes the first regular contact between Europeans and the Melanesians of New Caledonia the Loyalty Islands and the New Hebrides now Vanuatu Shineberg studied the relationships and rivalries between European traders and European missionaries between trader and trader and between tribe and tribe among the indigenous peoples Her book documents the details and color of these interactions Unseaworthy ships bloody battles the hazards of sea and reef and the firepower and inadequacies of European weapons all provide a gripping picture of the 1830s to 1860s Valuable appendices list the ships involved their cargoes and the location of the sandalwood stations *They Came for Sandalwood* remains the only detailed account of the sandalwood trade its routes marketing problems and profits and of the ships merchants and seamen involved It is a sharp perceptive analysis of the confrontation of the two cultures approached from the standpoint of Pacific history rather than a mere extension of European history into the Pacific Islands **Fortune's Bazaar** Vaudine England,2023-05-16 A timely well researched and illuminating The New York Times Book Review new history of Hong Kong that reveals the untold stories of the diverse peoples who have made it a multicultural world metropolis and whose freedoms are endangered today Hong Kong has always been many cities to many people a seaport a gateway to an empire a place where fortunes can be dramatically made or lost a place to disappear and reinvent oneself and a melting pot of diverse populations from around the globe A British Crown Colony for 155 years Hong Kong is now ruled by the Chinese Communist Party Here renowned journalist Vaudine England delves into Hong Kong's complex history and its people diverse multi cultural cosmopolitan who have made this one time fishing village into the world port city it is today Rather than a traditional history describing a town led by British Governors or a mere offshoot of a collapsing Chinese empire *Fortune's Bazaar* is a winning portrait of Hong Kong's vibrant mosaic Publishers Weekly While British traders and Asian merchants had long been busy in the Indian and South East Asian seas many people from different cultures and ethnic backgrounds arrived in Hong Kong met and married despite all taboos and created a distinct community Many of Hong Kong's most influential figures during its first century as a city were neither British nor Chinese they were Malay or Indian Jewish or Armenian Parsi or Portuguese Eurasian or Chindian or simply Hong Kongers England describes those overlooked in history including the opium traders who built synagogues and churches ship owners carrying gold rush migrants the half Dutch half Chinese gentleman with two wives who was knighted by Queen Victoria and the gardeners who settled Kowloon the mainland peninsula facing the island of Hong Kong and became millionaires A story of empire race and sex *Fortune's Bazaar* presents a fresh essential Ian Buruma formidable and important The Correspondent history of a special place a unique city made by diverse people of the world whose part in its creation has never been
