The Christ And The Necessity Of Divine Aid:

The Works of the Rev. Edward Bickersteth Edward Bickersteth,1853 **The Life and Doctrines of Jacob Boehme** Franz Hartmann,199? 1929 Introduction by Franz Hartmann Contents the Life of Jacob Boehme Account of his life the Doctrines of Jacob Boehme Unity Seven Qualities Creation Angels Restoratio **The Judgment of the Catholic Church on the Necessity of Believing that Our Lord Jesus Christ is Very God** George Bull,1855 **A Scripture Help ... Thirteenth edition** Edward Bickersteth,1829 *Nicene and Post-Nicene Fathers: First Series, Volume V St. Augustine: Anti-Pelagian Writings* Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume V of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines rebuke of Pelagianism This doctrine undermined Augustines beliefs because it claimed that original sin did not exist Since there was no original sin humans were saved or lost based solely on their own will This further meant that Jesus while a great teacher and model human being did not die to save humanity negating a large portion of Christian doctrine Augustine believed that salvation was available only by the grace of God working in conjunction with mans decision to live a good life Spiritual seekers and students of history will find this work a thorough defense of Catholic theology **A Scripture Help, designed to assist in reading the Bible profitably. With maps** Edward Bickersteth,1819 **The Judgment of the Catholic Church on the Necessity of Believing that Our Lord Jesus Christ is Very God; the Primitive and Apostolic Tradition of the Doctrine Concerning the Divinity of Our Saviour, Jesus Christ; and Brief Animadversions on a Treatise of Mr. Gilbert Clerke. A New Translation** George Bull (Bishop of St. David's.),1855 **The Christian miscellany, and family visiter** ,1846 **A Dictionary of Christ and the Gospels** James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout

the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church **Augustine Through the Ages** Allan Fitzgerald, John C.

Cavadini, 1999 This one volume reference work provides the first encyclopedic treatment of the life thought and influence of Augustine of Hippo A D 354 430 one of the greatest figures in the history of the Christian church The product of more than 140 leading scholars throughout the world this comprehensive encyclopedia contains over 400 articles that cover every aspect of Augustine s life and writings and trace his profound influence on the church and the development of Western thought through the past two millennia Major articles examine in detail all of Augustine s nearly 120 extant writings from his brief tractates to his prodigious theological works For many readers this volume is the only source for commentary on the numerous works by Augustine not available in English Other articles discuss Augustine s influence on other theologians from contemporaries like Jerome and Ambrose to prominent figures throughout church history such as Gregory the Great Aquinas Luther Calvin and Harnack Augustine s life the chaotic political events of his world and the church s struggles with such heresies as Arianism Donatism Manicheism and Pelagianism Augustine s thoughts about philosophical problems time the ascent of the soul the nature of truth theological questions guilt original sin free will the Trinity and cultural issues church state relations Roman society **Christian Treasury** , 1864 **The Christian treasury (and missionary review).** , 1864

THE CHRIST LIFE Geoffrey Hodson, Every time that you find in our books a tale the reality of which seems impossible a story which is repugnant to both reason and common sense then be sure that the tale contains a profound allegory veiling a deeply mysterious truth and the greater the absurdity of the letter the deeper the wisdom of the spirit Moses Maimonides Jewish theologian historian Talmudist 1135 1205 A D Countless people have been provided with new insights into the Christian religion through the in depth Biblical interpretations of Geoffrey Hodson In his Hidden Wisdom in the Holy Bible Volumes I II and III he extensively analyzed Old Testament stories suggesting that many of them are in actuality more meaningful than is commonly supposed that many of these stories are indeed allegorical and that understood from a more universal and less literal point of view they contain much additional useful knowledge He believes this is also true of The Christ Life from Nativity to Ascension In this book Hodson moves from a consideration of the Old Testament of the Holy Bible to the New Testament interpreting the four accounts or Gospels of the life of Christ as put down in the King James version of the Bible The author believes that the Bible should be considered in both its historical and its allegorical significance He

writes Ever must it be remembered that the wondrous story of Jesus the Christ was never intended to be read as a record of external events alone but rather as a revelation of the divine within man As a priest in the Liberal Catholic Church Hodson has naturally maintained an intensive interest in the Holy Bible He is recognized throughout the world for his exceptional clairvoyant abilities and has also carried out occult research in collaboration with physicians physicists anthropologists and archaeologist He is the author of some 40 books dealing with such topics as meditation Theosophy the spiritual life health and disease and of course Bible symbolism and interpretation

The Gospel of John in the Sixteenth Century Craig S. Farmer, 1997-04-10 This study of Johannine exegesis in the sixteenth century covers nearly every important commentator on John from the first half of the century and examines the medieval and patristic traditions on which they drew But while comprehensive in its scope this book centers on the John commentary of Wolfgang Musculus 1497-1563 an influential leader of the Protestant Reformation in the cities of Augsburg and Bern As a theologian and biblical scholar he authored a large number of theological and exegetical works which remained popular well into the seventeenth century Despite his influence however Musculus has been virtually ignored by modern scholarship on the Reformation
