

The Christ Of The Cross

Reverend Dr. Joseph Shaw

The Christ Of The Cross:

The Cross of Christ John R. W. Stott, John Stott, 2006 In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings readers face to face with the centrality of the cross in God s plan of redemption

History of the Cross of Christ William Rounseville Alger, 1858 *Christ on the Cross, an exposition of the 22nd Psalm* John Stevenson, 1845 **The Cross of Christ: A Reflection** J.C. Ryle, 2024-11-30 J C Ryle s sermon The Cross of Christ focuses on the centrality of Christ s crucifixion in Christian faith and life drawing from Galatians 6 14 God forbid that I should glory save in the cross of our Lord Jesus Christ Ryle presents a powerful exposition of why the cross is the cornerstone of the Gospel and explores its significance for personal salvation Christian living and the Church *The Cruciality of the Cross* P. T. Forsyth, 1997-01-08 It is sometimes said that the great question of the hour for the Church s belief is Christological it is the question of Christ s person That is true But it is the question of the cross all the same p16 Written over seventy years ago P T Forsyth s Cruciality of the Cross continues to provide an excellent and vital foundation for an understanding of the Christian doctrine of the atonement **The Cross of Christ** A. B. Simpson, 2010-08-02 If A B Simpson lived and preached one central theme throughout his long and fruitful ministry it was the message of the cross death to self and a life of victory through the resurrection power of Christ These ten chapters from one of the most dynamic evangelical leaders of the early 20th century focus on his belief that Christ s death was the ultimate expression of God s love for humans a divine plan large enough to encompass the whole world **The Christ of the Cross** J. Gibson Smith, 1908

The Cross of Christ John Stott, 2006-08-31 Why should the cross an object of Roman distaste and Jewish disgust be the emblem of our worship and the axiom of our faith And what does it mean for us today In this thoughtful comprehensive study of Scripture tradition and the modern world John R W Stott brings you face to face with the centrality of the cross in God s plan of redemption [The Meaning of the Cross](#) Gordon Watt, 2019-03-09 Excerpt from The Meaning of the Cross Studies of the Cross of Christ Throughout the Bible The new birth becomes an actual experience the moment that we receive the Lord Jesus Christ as our Saviour By that act on the ground of the atoning sacrifice Of the Son of God we receive new life even the life of God we pass into a new stage that of spiritual regeneration regeneration by the Holy Spirit and we enter into a new position that Of being the children of God Now I dare not and can not emphasize too strongly the necessity of the new birth simply because the new birth produces the new creation and the new creation is God s imperative demand and requirement for new life and for new service One of our old Scottish preachers once said All man kind hangs either at the cradle Of Adam or at the Cradle of Christ and we have to choose I venture to say that the ordinary church goer has little or no idea Of the meaning of that and yet it is one of the essential facts Of the Word of God The Old head of the race was Adam and Adam failed and fell and the Old creation failed in him and fell with him It is very important to be quite clear about that I want to quote from a great Bible teacher If man never fell then the Christ Of the Gospels lived and taught and died unnecessarily

These are words that ought to be placarded abroad to day That man is consistent who abandons all rather than he who professing still to own allegiance to Christ denies some parts of the whole It IS a pity that all of our liberal theologians could not read these words These are words by J Campbell Morgan in the introduction to the book of Genesis in his Analyzed Bible About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Cross of Christ Andrew Murray,2017-09-05 Andrew Murray relates in this work the importance of the cross to Christian belief and to the lessons which Jesus Christ wanted to teach all of mankind Although demonstratively brief Murray's explanations contain a conviction and poignancy explaining the centrality and vitality of the crucifix to the Christian faith The crucifixion's importance in Christ's message and destiny and the reasons behind why his spirit was led to a painful end upon the cross are keenly discussed by Murray He delivers explanations of the cross as a symbol of Christian attainment wherein God takes possession of the human soul and frees it from sin for eternity Andrew Murray authored 200 works on the religion and ministry of Christianity the Bible and on topics inspiring Christians to lead virtuous and happy lives Murray spent most of his life imparting the word of God in churches throughout South Africa and in the 1880s became an important figure in the founding of the South African General Mission

The Cross: Crucified with Christ, and Christ Alive in Me J. C. Ryle,2019-11-01 I am crucified with Christ nevertheless I live yet not I but Christ lives in me and the life which I now live in the flesh I live by the faith of the Son of God who loved me and gave himself for me Galatians 2:20 I want to tell you what perhaps the greatest Christian who ever lived the Apostle Paul thought of the cross of Christ Believe me the cross is one of deepest importance This is no mere question of controversy this is not one of those points on which men may agree to differ and feel that differences will not shut them out of heaven A man must be right on this subject or he is lost forever Heaven or hell happiness or misery life or death blessing or cursing in the last day all hinges on the answer to this question What do you think about the cross of Christ Let me show you 1 What the apostle Paul did not glory in 2 What Paul did glory in 3 Why all Christians should think and feel about the cross like Paul

THE CROSS Reverend Dr. Joseph Shaw,2022-08-05 The symbols of the cross that Dr Shaw taught on in this book makes the book a must read God has laid on Dr Shaw's heart the contents that are enclosed between the covers God has used him mightily to deliver the message of hope grace mercy forgiveness love and peace The book has given relevance to the power and deliverance of the cross of Jesus Christ The Holy Ghost and the Word of God are the clear and present drivers and motivators for this book In it are words that will give hope to anyone who thinks that all is lost It emphasizes on the work that was done on the cross

that makes it possible for the grace of God to flow in our lives It shows that mercy is still available to us even when we are undeserving Dr Shaw makes it very plain that we are to forgive our brothers and sisters because of the finished work that was done on the cross of our Lord and Savior Jesus Christ This book tells us to love God our family our friends ourselves and our ministries God intentionally points out in this book that His peace is always available to anyone who needs it especially in trying times It is a book that is powerfully and divinely written to emphasize the presence of God in this world using the cross of His Son Jesus Christ aEURoeFor God so loved the world that He gave His only begotten son that whoever believes in Him should not perish but have everlasting lifeaEUR John 3 16 NKJV *The Mystery of the Cross* Judith Couchman,2010-03-05 Christianity is a religion founded on the mystery of the cross of Christ Leo the Great At the center of Christianity sits the cross of Christ From the beginning Christ s followers celebrated the cross as a symbol of their faith It was honored in church worship carved into rough tombstones pressed onto loaves of bread and set out as a sign of sanctuary The cross represented what Christians believed who they hoped for and how they approached life In this thoughtful book Judith Couchman takes up forty images of the cross from early Christianity As we discover the meaning and significance of each of these uses we learn a little more about the early church More than that she helps us focus on the meaning of the cross and the Savior s sacrifice Ideal for Lenten devotional reading and appropriate for any season of the church calendar this book includes original illustrations of each cross image *The Mystery of the Cross* will enrich your understanding of Christian tradition and draw you into Christ s presence *The Centrality of the Cross: The Crucifix as Symbol of Jesus Christ's Life, and as Emblem of the Christian Faith (Hardcover)* Jessie Penn-Lewis,2018-07-25 Citing the Biblical canon evangelical speaker and author Jessie Penn Lewis discusses the pivotal roles that the cross plays in the Bible and wider Christianity This book aims to teach readers how vital the cross which Christ carried and was crucified upon is to Christianity The cross gained a multi faceted symbolism in the Holy Scriptures and it is in this book that Jessie Penn Lewis explains with frequent citations of the New Testament the various attributes of significance that the cross has Each of the ten chapters covers a specific theme These topics include How the cross proclaims one s adherence to and following of the principles of Jesus Christ The role of the cross in the Christian Revival whereby God flows through the human soul and spirit The cross as a powerful symbol suitable for one to contemplate in quieter moments of prayer The cross as a means of deepening one s relationship with Christ following the path set by Him and liberating one s spirit **The Tragic & Triumphant Cross** Stephen J. Binz,2005 The cross is the both worlds most contemptible instrument of punishment and the symbol of humanity s greatest hope In turning this tool of torture into his followers proudest boast Jesus produced the most dramatic reversal the world has ever experienced Worn around our necks hung in our homes carried in procession and set on mountaintops the cross speaks to what we believe about Jesus and about how we understand our lives in relationship to him This study plumbs the depths of Scripture for the horrible and glorious significance of the world s most beloved symbol Ideal for Lent and Easter seasons [The Meaning and](#)

Message of the Cross Henry Clay Mabie, 1906 *The Cross* Douglas Vickers, 2010-04-02 A question has challenged the human conscience for two thousand years How are we to explain the presence of Jesus Christ in this world Or who indeed was Jesus Christ A man like the rest of men Or was he a divine Person Why was it that well practiced soldiers who failed to fulfill their commission to arrest him said Never man spoke like this man The early church confirmed the apostles declaration that Jesus Christ was the eternal Son of God and that he came into the world to fulfill a messianic redemptive assignment Christ Jesus the apostle to the Gentiles explained came into the world to save sinners In *The Cross Its Meaning and Message* in a Postmodern World Douglas Vickers sees the cross as the watershed of history The divine objectives that the cross addressed bear vitally on the human condition vitiated as that is by the entailment of sin In an age in which postmodernist claims have rejected absolute criteria of truth and validity the Christ of the cross provides the only refuge for those burdened by the search for meaning The Cross explores the way of reconciliation between God and man It affirms the apostolic claim that In Christ are hid all the treasures of wisdom and knowledge **No Cross, No Crown** William Penn, 1853 *The Theology of the Cross in Historical Perspective* Anna M. Madsen, 2007-01-01 The theology of the cross is indisputably a trendy concept today Numerous seminars books and dissertations tackle the topic But *The Theology of the Cross in Historical Perspective* demonstrates that theology of the cross is no passing fancy Theologies of the cross appear at the beginnings of the church in the sixteenth century reformations of the church and in the more contemporary modernization of the church Without theologies of the cross what the church is called to be and to preach becomes unclear So then what is the theology of the cross Anna Madsen surveys the theology of the cross in the thinking of Paul and Luther She also outlines several important twentieth century contributions to the subject On the basis of her analysis Madsen suggests that the theology of the cross reveals God to be found even in death In death after all boundaries disappear The theology of the cross assures Christians that God is present in the death of sin and in the realities of suffering and uncertainty Given that it announces God's presence the theology of the cross is ultimately a theology of grace freedom and trust A Theology of Cross and Kingdom D. K. Matthews, 2019 Luther's theology of the cross has impacted major theologians and centuries of theology including the present and yet it is weakened by its reactionary theological determinism reductionism and understandable failure to properly integrate fluid melioristic and pro creation kingdom eschatology N T Wright's revolutionary cross articulated in *The Day the Revolution Began* Reconsidering the Meaning of Jesus's Crucifixion is a brilliant and clarion new creation eschatological call to action that suffers from a somewhat cryptic imprecise and unrefined eschatology Heino O Kadai has presented an authoritative and concise rendering of Luther's key insights Rustin Brian has carefully assessed whether Luther's theology of the cross deserves blame for the Deus absconditus of modernity in his Barthian influenced *Covering Up Luther* Robert Cady Saler has masterfully articulated a relevant and pastoral *Theologia Crucis* framed by Moltmann's Theology of Hope that is most applicable to the contemporary church and sociopolitical engagement *A Theology of Cross and Kingdom*

sympathetically and creatively critiques and synthesizes dominant themes in such classical and contemporary theologies of the cross within a unified cross and kingdom eschatology Matthews deftly overcomes many of the less than helpful disjunctive approaches to the theology of the cross while proffering a way forward for this most influential and core theological treasure of the church
