## **The Christian Faith And Life:**

Credo Gustaf Wingren, 2020-07-31 A fresh highly evocative and stimulating interpretation of the historic Christian faith as reflected in the Apostles and Nicene Creeds Gustaf Wingren believes that contemporary Christianity suffers from a neglect of the First Article the doctrine of creation In this book he shows the importance of using the First Article God as Creator as the starting point for understanding the Christian faith and for living the Christian life All other teachings find their proper meaning in relationship to this primary doctrine of faith The Second Article on redemption by Jesus Christ is interpreted by Wingren as a continuation of God's creative activity and as the fulfillment of God's original intention for his people In his discussion of the Third Article Wingren points out that the Spirit of God is at work in every activity that promotes concern for others and that serves the well being of people A skilled interpreter of the Bible Wingren also draws on the insights of Luther and the Reformers as well as contemporary theologians as he underscores the perennial importance of the creeds of everyday Christian living The Christian Faith and Life Robert J. Hastings, 1965-01-01 *Faith Matters* Kerry Walters, 2019-06-17 In a day in which Christians too often reduce faith to mere sentimentality and atheists decry it as superstitious nonsense Fr Kerry Walters offers a series of reflections intended to show that indeed faith matters Drawn from his popular weekly newspaper column Faith Matters these short meditations explore Christian faith from the perspectives of doctrine spirituality ethics politics art and science the saints and the holy seasons that mark the Christian year and set the rhythm of Christian living *Christian Faith and Life*, 1926 **Living for God** Mark Jones, 2020-02-25 What difference should doctrine make on our day to day Christian life This book summarizes Christianity in 5 core truths the Trinity the Son of God the Spirit the church and heaven and hell to show how theology is intended to bring people closer to God Drawing from writers throughout church history particularly St Augustine Richard Baxter and C S Lewis this book summarizes the building blocks of pure Christianity and how they shape minds hearts and actions so readers can know simply and concisely what it means to live for God *Christian Faith* Hendrikus Berkhof, 1991 In today's secular world the Christian faith is viewed as only one aspect of what could be called religious life Acknowledging this Hendrikus Berkhof begins this thought provoking study with a sketch of religion and faith in general before narrowing it down to a discussion of the specific place of Christian faith in all of reality *The Way, the Truth, and the Life* Merle A. Barlow, 2014-04 This book describes from various perspectives the Love Mercy and Grace of someone who loves you and me Unlike a novel each of the chapters in my book is an independent topic Each chapter topic is relatively brief except the last The last chapter is a comprehensive presentation of the answers to these questions Who is a Christian and What is Christianity My supreme and profound purpose for this book and its content is to proclaim celebrate praise and glorify Jesus His Faith and His Truth Author Merle Barlow reveals God's plan of reconciliation with humanity Jesus tells us that man's standards religions represent the broad way that will lead to destruction Hell and many people will go this way Jesus tells us that His Way is the narrow way that leads to life Heaven and

relatively few people will choose this way This book is about truth Conditional and relative truth are human fabrications Truth has no versions God is the author of truth He and He alone is the authority for Righteousness and His Truth will free you from the bondage of sin Life is a significant theme in this book Jesus has conquered Satan Sin Death and Hell He tells you that you can have this same victory Jesus tells you that you can have eternal life if you will trust Him He asks you Do you believe this

**Christian Faith and the Theological Life** Romanus Cessario, 1996 What does it mean to believe in God This question still provokes a recalcitrant world In spite of the apparent disinterest of our age the religious question continues to task and to vex sometimes quietly sometimes dramatically When religious divisions occasion civil strife believers are faced with an even more radical inquiry Wherein lies the real truth about Christian doctrine and its place in our lives Can we appeal to any authority for belief How do we escape the suspicions of a skeptical age In this book Romanus Cessario explores these questions and suggests responses taken from the history of theology He offers a readable account of the accumulated wisdom of the Christian tradition concerning the faith question citing as major authorities the saints those who have realized the will of God throughout the ages Faith supplies not only the assurance but also the substance of things hoped for The experience of Israel teaches that God has foreseen something better for us this something better resides in the Word of God that takes flesh in the womb of the Virgin Mary Because it keeps being born again in the heart of every believer as St Thomas Aquinas reminds us it leads us to the blessedness of eternal life Since the end of the Second Vatican Council in 1965 authors have dealt mainly with the existential dimensions of Christian life This volume the fruit of more than two decades of contemplation on the virtues of Christian life complements these as well as historical studies about faith It presents a coherent meditation on faith's principal concerns its acts of belief and confession and its character as a virtue in the Christian life Father Cessario explains how the mysteries of faith what the Christian believer professes each Sunday in the Creed transform our lives and make us living images of the Triune God Consequently this book will meet a wide range of needs by answering the questions of the informed reader animating study groups and parish seminars and stimulating the ordinary believer to appropriate the depth of the riches and the wisdom and knowledge of God

century that is not culturally hijacked by political identification and can speak to the millennial generation *Christian Faith and Life* Robert J. Hastings,1965-01-01 **A Compact Guide to the Christian Life** The Navigators,2014-02-27 Get immediate access to information through highly relevant concise explanations of how Christianity works in practice More than 100 topics are covered including Prayer The Bible Important Doctrines God s Will Emotions Sex and Dating Children Money Work A good resource for leaders and new Christians The Christian Moral Life Timothy F. Sedgwick,2008-11 This book a re issue of the 1999 edition demonstrates that the way of life we call Christian is lived in relationships to others Christian faith understood as practical piety calls for a life opened to the world at large concerned for the stranger as well as for the neighbor Sedgwick further emphasizes that the Christian life is grounded in the experience and worship of God His work thus develops Christian ethics as sacramental ethics an ethic that has at its center a deepening encounter with God Written in a style accessible to non specialists this book provides teachers pastors counselors and general readers with an ideal introduction to Christian ethics It renews the topic of Christian ethics by showing readers that faithful moral living is achieved through the daily practices of grace and godliness The author first explores the foundations of Christian ethics as seen by both Catholics and Protestants and then develops a constructive view of morality as a way of life Taking into account the central themes of Christian ethics he shows that effective piety is built on spiritual disciplines that deepen our experience of God prayer worship self examination simplicity and acts of hospitality Connecting Faith and Life in No Particular Order Eric Biehl,2007-02 Too often we move through this life on a fast track I ve never officiated or attended a funeral where there wasn t at least some sense of surprise or regret that this life had ended Yet we all face the time when this life will end Still we rush to get be and do things that we hope will give us some security and assurance of our place in life The most tragic outcome of life s fast track is the strained discarded and sometimes broken relationships that result from our frantic pace of living not to mention the loss of life s simple moments **Growing in the Life of Faith** Craig Dykstra,2005-01-01 In this new edition of his popular book Craig Dykstra explores the contributions of the traditions education worship practices and disciplines of the Reformed Christian community in helping people grow in faith In doing so he makes the case that the Christian church in its own traditions has a wealth of wisdom about satisfying spiritual hunger and the desire to know God deeply wisdom that offers coherent thoughtful guidance in such diverse settings as congregational life families youth groups and higher education **In Him is Life** Robert Haddow Beaven,1946 **The Secret of the Faith Life** Andrew Murray,2017-09-12 How can a feeble faith in an almighty Christ move mountains Part of Andrew Murray s classic Secret Series devotionals The Secret of the Faith Life provides insight into the need power and blessedness of a wholehearted faith in Jesus and an unreserved surrender to Him so that we can be prepared to receive Him in the fullness of His love and abiding presence *Christian Faith and Life* William Temple,1994 First published in 1931 this book provides a picture of Temple s theology in an accessible form The addresses delivered at Oxford reveal Temple not as the clerical superstar who

would later become the Archbishop of Canterbury but as a down to earth evangelist offering a very passionate dynamic personal testimony

*The God Who Gives* Kelly M. Kapic, 2018-06-12 Many Christians wonder what the Christian life is all about They hear about grace but struggle to rightly understand it much less live it They are taught about God but their vision of him does not always reflect the full biblical portrait of the Father Son and Holy Spirit When this happens Christians struggle to know the ways of God and how to joyfully participate in his work The God Who Gives provides a compelling vision of Christian faith and life helping readers discover the uniqueness of the gospel that God's kingdom comes not by taking but by giving God gives Himself We are invited into the fullness of life that can only come through the gift of God's divine generosity Taking readers through the grand biblical narrative of creation fall redemption and kingdom author Kelly M Kapic helps us see our story in and through the story of Scripture He shows that everything belongs to God and yet because of our turning and taking from him we experience a kind of suffocating bondage to sin So how does God reclaim us God gives again The God who gave in creation restores by recreating us through his Son and by his Spirit The kingdom of God is an overflowing measure of divine generosity that we are invited to participate in The God Who Gives calls readers to discover that the whole Christian story is founded upon the Triune God's self giving and our belonging to God Fully embracing this truth changes how we view God ourselves and the world Living in God's gifts we are freed to give ourselves and truly experience life
