Dale Burke, A Faith of Our Own Jonathan Merritt, 2012-05-08 Every day major headlines tell the story of how Christianity is attempting to influence American culture and politics But statistics show that young Americans are disenchanted with a faith that has become culturally antagonistic and too closely aligned with partisan politics In this personal yet practical work Jonathan Merritt uncovers the changing face of American Christianity by uniquely examining the coming of age of a new generation of Christians Jonathan Merritt illuminates the spiritual ethos of this new generation of believers who engage the world with Christ centered faith but an unpolarized political perspective Through personal stories and biblically rooted commentary this scion of a leading evangelical family takes a close thoughtful look at the changing religious and political environment addressing such divisive issues as abortion gay marriage environmental use and care race war poverty and the imbalance of world wealth Through Scripture the examples of Jesus and personal defining faith experiences he distills the essential truths at the core of a Christian faith that is now just coming of age **The Christian and the Culture** Bishop Eric A. Lambert Jr., 2015-11-03 The Apostle Paul warned that in the last days there would be a falling away from the faith in God The Christian is under increased pressure to stand against the devices of the enemy You may wonder just where this battle originates and how does the Christian withstand the attacks of the enemy of our souls The Christian and the Culture takes a hard look at the obstacles that are facing the church in the world today This book will cause you to examine your life and rethink your spiritual position in Christ As you read this book you may laugh cry or maybe even feel a sense of spiritual urgency Yet one truth remains when you read this book you will have a greater desire to seek the face of the Lord Jesus more than ever before The Christian and the Culture is designed to challenge the believer to fulfill the passage of 2 Corinthians chapters 6 7 come out from among them and separate yourselves and you shall be My sons and daughters says the Lord **Faith and Pop Culture** Christianity Today International, 2009-03-03 The Christianity Today Study Series delves into today's vital cultural issues to get to the heart of what these topics mean to readers Each eight week study is based on articles written by today's leading Christian authors and published by Christianity Today magazines These remarkable studies foster deep authentic and relevant discussion that

**Faith and History - A Comparison of Christian and Modern Views of History** Reinhold Niebuhr, 2013-04-18 The theme of this volume was first presented as the Lyman Beecher Lectures On Preaching at the Yale Divinity School in 1945 Some of the same lectures were given by arrangement under the Warrack Lectureship On Preaching at the Universities of Glasgow and Aberdeen in Scotland in the winter of 1947 Some of the chapters were used as the basis of lectures given under the Olaf Petri Foundation of the University of Uppsala in Sweden I sought to develop various portions of a general theme in these various lectureships In this volume I have drawn these lectures into a more comprehensive study of the total problem of the relation of the Christian faith to modern conceptions of history While the total work therefore bares little resemblance to the lectures it does contain consideration of the specific problems which were dealt with in the lectures I shall not seek to identify this material by chapters as I subjected the whole to reorganization Two of these lectureships usually deal with the art of preaching though not a few of the actual lectures have been concerned with the preacher's message Since I had no special competence in the art of homiletics I thought it wise to devote the lectures to a definition of the apologetic task of the Christian pulpit in the unique spiritual climate of our day Since several of the Beecher lecturers in the past half century sought to accommodate the Christian message to the prevailing evolutionary optimism of the nineteenth and early twentieth centuries I thought it might be particularly appropriate to consider the spiritual situation in a period in which this evolutionary optimism is in the process of decay This volume is written on the basis of the faith that the Gospel of Christ is true for men of every age and that Jesus Christ is the same yesterday today and forever It is nevertheless the task of the pulpit to relate the ageless Gospel to the special problems of each age In doing so however there is always a temptation to capitulate to the characteristic prejudices of an age [The Modern Christian Mystic](#) Albert J. LaChance, 2007 In this new work Albert LaChance presents a complete reframing of Christianity as an experiential rather than dogmatic approach to the presence of Christ It emphasizes the idea of Christ as the source and sustainer of the cosmos the Earth the life community and global culture As such it takes a unitive approach with Christianity understood as being in mystical union with global

culture and with the ecological realities of the Earth In the author s view Christianity thus joins hands with Buddhism Hinduism and Taoism in a unitive oneness with all that is Consisting of twenty eight short chapters The Modern Christian Mystic focuses on the presence of God permeating and organizing the beginning of existence in the form of consciousness giving birth to energy and then the material reality of the universe The author argues that just as St Augustine introduced the pagan Plato to Christianity and a millennium later St Thomas Aquinas revitalized his faith with the pagan philosophy of Aristotle so in the modern age the non theism of Buddhism Taoism and Hinduism holds the key to a revived mystical practice The Modern Christian Mystic posits a nurturing new world based on commonality rather than conflict in the world of spirit
