**What Does It Mean to Be Holy Whole?** Timothy F. Sedgwick, 2018-01-01 We think of holy people as spiritual seekers but holiness is more than being in touch with the holy What is holiness all about What is wholeness of life What are practices of love What is spirituality all about What is worship all about Life according to Timothy Sedgwick is not a series of experiences or a search for increasing novelty Rather there is a more fundamental desire to be whole which characterizes our human experience This is what Christian faith is all about It takes practice It takes community It takes time It is a life of loss and love lament and joy And in short this is what holiness is about It is a way of life Christians call grace and salvation

**Sex, Moral Teaching, and the Unity of the Church** Timothy F. Sedgwick, 2014-10 Respected Episcopal ethicist Timothy F Sedgwick provides an alternative viewpoint on the homosexuality debate on the proposed Anglican Covenant and on mission and ministry. He deals insightfully with what he thinks is a mistaken assumption in the Church and advances a cogent argument that the church needs to be clear in forming its moral teaching whether liberal or conservative. The right question Sedgwick maintains is how do we teach morals and order our life accordingly. This book evolved from his work over the last decade addressing same sex issues in the national church. Chapters include Homosexuality Teaching and Governance in the Episcopal Church The Anglican Covenant What are Bishops for Anglican Roman Catholic Dialogue The Unity We Seek Moral Teaching Formation and the Mission of the Church. *Moral Leadership in the Church: a Normative Approach* Bishop Felix Clarence Orji, 2013-05-15 In a time of confusion uncertainty debate and division regarding what constitutes right moral behaviour the subject of responsible moral leadership in the church takes on fresh urgency. But at this critical time of need for moral leadership too many clergy simply mirror the uncertainty or abnegate the responsibility. This book addresses this anomaly specifically by proposing a normative model for moral leadership in the local church. Pastors and leaders of all Christians traditions will find this book very informative and useful. The book begins with an overview of the historical theological and biblical bases for Christian leadership and more particularly what the moral dimension of such leadership means. Various Christian traditions are surveyed for insights into the character vision and tasks of moral leadership including the authoritative sources for ethical reflection and moral guidance. Since Dr Felix Orji is a Bishop in the Anglican Communion he includes a chapter on that tradition to give a sense of the ecclesiastical ethos in which presbyters must exercise such leadership. This is followed by a clear examination of Scripture in regard to what it tells us about moral leadership. This book ends with a detailed normative model for moral leadership in the church and a leadership training resource specifically designed for such leadership.
