The Personal Notebooks of Thomas Hardy Thomas Hardy, 1978 **The personal notebooks of Thomas Hardy** Richard H. Taylor, *The Personal Notebooks of Thomas Hardy* Thomas Hardy, 1978 *Personal Notebooks of Thomas Hardy* Thomas Hardy, 1978-06-17 *The Literary Notebooks of Thomas Hardy* Thomas Hardy, Lennart A Björk, 2016-01-06 *A Companion to Thomas Hardy* Keith Wilson, 2009-05-04 Through original essays from a distinguished team of international scholars and Hardy specialists *A Companion to Thomas Hardy* provides a unique one volume resource which encompasses all aspects of Hardy's major novels short stories and poetry Informed by the latest in scholarly critical and theoretical debates from some of the world's leading Hardy scholars Reveals groundbreaking insights through examinations of Hardy's major novels short stories poetry and drama Explores Hardy's work in the context of the major intellectual and socio cultural currents of his time and assesses his legacy for subsequent writers **Thomas Hardy's 'Poetical Matter' Notebook** Pamela Dalziel, Michael Millgate, 2009-01-29 Thomas Hardy's Poetical Matter notebook the last to be published from among the small group of notebooks not destroyed by Hardy himself or by his executors has now been meticulously edited with full scholarly annotation Through its inclusion of so many notes copied by Hardy from old pocket books subsequently destroyed Poetical Matter reaches back to all periods of his life and is especially valuable from a biographical standpoint for its expansion and enhancement of knowledge of Hardy's final years and for its preservation of such intimate records as his richly revealing memories of the Bockhampton of his childhood and his sexually charged impressions of a woman glimpsed during a trip on a pleasure steamer in 1868 Its special distinctiveness nevertheless lies in its uniqueness as a late working notebook devoted specifically to verse Florence Hardy Hardy's widow recalled his having experienced a great outburst of late creativity feeling that he could go on writing almost indefinitely and Poetical Matter bears direct witness to his actively thinking about poetry and projecting and composing new poems until shortly before his death at the age of eighty seven As such it contains an abundance of new ideas for poems and sequences of poems and demonstrates Hardy's characteristic creative progression his working variously with initial ideas with gathered notes whether old or new and with tentative prose formulations verse fragments metrical schemes and rhyme patterns towards the writing of the drafts from which yet further worked and reworked the completed poem would ultimately emerge Thomas Hardy's 'Facts' Notebook William Greenslade, 2017-07-05 Within weeks of Thomas Hardy's return to his native Dorchester in June 1883 he began to compile his Facts notebook which he kept up throughout the years when he was writing some of his major work *The Mayor of Casterbridge* *The Woodlanders* *Tess of the d'Urbervilles* and *Jude the Obscure* From his intensive study of the Dorset County Chronicle for 1826-1830 he noted and summarised into Facts with the help of his first wife Emma hundreds of reports many of them suggestive satires of circumstance for possible use in his fiction and poems Along with extensive reading in memoirs and local histories this immersion in the files of the old newspaper involved him in a wider experience the recovery and

recognition of the unstable culture of the local past in the post Napoleonic war years before his birth in 1840 and before the impact of the modernising of the Victorian era Facts is thus a unique document amongst Hardy s private writings and is here for the first time edited the text transcribed in typographical facsimile form together with substantial annotation of the entries and critical and textual introductions [The Ashgate Research Companion to Thomas Hardy](#) Rosemarie Morgan,2016-03-23 In The Ashgate Research Companion to Thomas Hardy some of the most prominent Hardy specialists working today offer an overview of Hardy scholarship and suggest new directions in Hardy studies The contributors cover virtually every area relevant to Hardy s fiction and poetry including philosophy palaeontology biography science film popular culture beliefs gender music masculinity tragedy topography psychology metaphysics illustration bibliographical studies and contemporary response While several collections have surveyed the Hardy landscape no previous volume has been composed especially for scholars and advanced graduate students This companion is specially designed to aid original research on Hardy and serve as the critical basis for Hardy studies in the new millennium Among the features are a comprehensive bibliography that includes not only works in English but in acknowledgment of Hardy s explosion in popularity around the world also works in languages other than English [Thomas Hardy Reappraised](#) Michael Millgate,2006-01-01 In Thomas Hardy Reappraised editor Keith Wilson pays tribute to Millgate s many contributions to Hardy studies by bringing together new work by fifteen of the world s most eminent Hardy scholars
