The Phantom Unmasked Kevin Patrick,2017-11-15 Before Superman before Batman there was the Phantom Making its debut as an American newspaper comic strip in 1936 The Phantom was the forerunner of the comic book superhero genre that today animates vast billion dollar franchises spanning print film television video games and licensed merchandise But you ve probably never heard of it you probably think Superman inaugurated the genre That s because despite its American origins The Phantom comic strip has enjoyed far greater popularity with international audiences most notably in Australia Sweden and India where it has appeared in newspapers magazines and comic books The paradox of the character s relative obscurity in the United States offset by his phenomenal success in these three markedly different countries is the subject of The Phantom Unmasked By tracing the publication history of The Phantom in magazines and comic books across international markets since the mid 1930s author Kevin Patrick delves into the largely unexplored prehistory of modern media licensing industries He also explores the interconnections between the cultural political economic and historical factors that fueled the character s international popularity The Phantom Unmasked offers readers a nuanced study of the complex cultural flow of American comic books around the world Equally important to provide a rare glimpse of international comics fandom Patrick surveyed the Phantom s phans as they call themselves and lets them explain how and why they came to love the world s first masked superhero [The Phantom 18-28 \(1966\) King Comics](#) Lee Falk,2014-08-16 Probably the best known of all Phantom comics in the U S A this series of 73 colour comics was published between Nov 1962 and Jan 1977 under three different publishers The series began under the Gold Key label published by K K Publications as a quarterly 12c comic With issue 11 in 1965 the series changed to a bi monthly In 1966 the release schedule returned to a

quarterly basis and only lasted two more issues before the first change of publisher occurred. In total there were 17 Phantom comics with the Gold Key label. All sported beautiful painted covers by George Wilson. Three of these covers are reported to have been painted by another unknown artist. 5 12 13 Most of the stories were adaptations of original Lee Falk newspaper strip stories with new artwork by Bill Lignante. King Features Syndicate became the new publisher of The Phantom comics releasing their first issue in September 1966 under the King Comics label. They continued the numbering sequence from the Gold Key series labelling this issue 18. It was published as a 12c bi-monthly until issue 23 in mid 1967 when it changed to a monthly schedule. Issue 28 was the last to be published under the King Comics label. Cover price 15c only 6 issues into the monthly schedule. Of the 11 Phantom comics published by King all but one of the stories were illustrated by Bill Lignante. The first two issues contained adaptations of older Lee Falk stories and thereafter the stories were original. Issue 25 contained a story entitled The Cold Fire Worshippers which was reprinted from the Italian comics series American Adventures published by Fratelli Spada and drawn by Senio Pratesi. The cover artwork on the first three of these comics were by Bill Lignante while all others appear to have been lifted directly from panels of Sy Barry's newspaper strips. The reigns of The Phantom comic were picked up again over a year later February 1969 by Charlton Press using the Charlton Comics label. They continued with the same numbering sequence but skipped 29 and began with 30. This first issue featured uncredited artwork but the covers and all but two of the stories in the next year of bi-monthly issues were by Jim Aparo. Issue 33 was the first to contain a story by Pat Boyette and Bill Lignante was brought back to illustrate his last Phantom story which appeared in 35. From issue 39 onwards August 1970 the cover and story artwork was exclusively by Pat Boyette. With only a handful of exceptions each issue then contained three 7 page stories. The art and stories during this period can best be described as woeful. Despite a considerable volume of negative feedback from readers Charlton persisted with Pat Boyette until 59 in December 1973. The declining sales must have struck a nerve with Charlton who'd changed their name to Charlton Publications after 56 and the comic was revived six months later in 60 as The New Phantom. In their search for new artists and writers Charlton first relied on stories from the Italian publisher Fratelli Spada before introducing us to the work of Don Sherwood and more notably Don Newton. In total Don Newton contributed six beautifully illustrated 22 page stories 67 68 70 71 73 74 complete with painted cover artwork plus the cover for 69. Sales improved but not enough to save the flagging title. The last issue of The Phantom comic was 74 in January 1977. A complete index of the individual stories in each issue of Charlton Comics is available [HERE](#). An analysis of the circulation data and the cover price builds an interesting picture of how this series eventually failed. Cover price for the series commenced at 12c and was raised to 15c from 34 20c from 46 25c from 60 and finally 30c from 70. This was common for all American comics at the time. At the same time the number of comics being printed was gradually falling but at a lesser rate than the number that were being sold. This graph shows what happened. By 1976 the paid circulation was less than 40% compared with a peak of 65% in 1965. Not even the brilliant efforts of Don Newton were enough to save the

title the damage had already been done Simply put the editors at Charlton were too slow to make the necessary corrections The Phantom was subsequently absent from American newsstands at least in comic book form for the next 10 years Issue Publisher Date 1 17 Gold Key Comics Nov 1962 Jul 1966 18 28 King Comics Sep 1966 Dec 1967 30 74 Charlton Comics Feb 1969 Jan 1977 The Phantom - The Legend Of Valour Indrajal Comics, Indrajal Comics 406 The Legend Of Valour Part 1 2
