*Esrever Doom* Piers Anthony, 2025-09-23 Piers Anthony's 37th adventure in Xanth changes the Mood to one of Doom. Kody woke up in a hospital bed not knowing how he got there. Before his questions could be answered, he was told that he was about to undergo surgery and that there could be some side effects. And then he woke up again this time in Xanth. Kody is the only person in Xanth who has not been affected by a dreadful spell that reverses how people see each other. What was adorable is now loathsome. What was ugly is now beautiful. What was loved is now hated. Kody has clearly arrived just in time. Only he has any hope of reversing the spell, turning *Esrever Doom* into *Reverse Mood*. Reveals the role of unicorns in our soul's involvement today as well as in legends and myths and explains how they open our hearts, offer protection and support, and inspire us to choose actions for the highest benefit of all. Provides many exercises, meditations, ceremonies, dream work practices, and games to help you consciously connect with your unicorn, raise your energetic level, and spiritually progress on your journey to enlightenment. Shares anecdotes and real life stories of people meeting unicorns and experiencing their energy. Fully of the angelic realms, unicorns live in the seventh dimension, the seventh heaven. These beautiful creatures are aspects of the divine in the same way angels are. While angels work through the heart, unicorns work with the soul and help you fulfill your pre-life contracts through their energy. In *The Wonder of Unicorns*, Diana Cooper explains ancient myths and legends of these amazing energetic beings from a higher spiritual perspective. Who are they, these seventh-dimensional creatures of myth and magic? Where do they stand in the angelic hierarchy, and what is their role with regard to us humans? How can you meet and engage with them as an individual? These magical beings, absent from the Earth for many centuries, are now returning to guide humanity on their spiritual path. Prevalent in the times of Atlantis, unicorns open hearts through bringing in joy, wisdom, and healing. They offer protection and support and inspire us to choose actions for the highest benefit of all. Consciously connecting and working with your unicorn will enable you to raise your energetic level and assist you on your journey to enlightenment. Create a unicorn humming ball, engage in a unicorn healing, or join in dream work with your unicorn. Whether aspiring to help the world at large or simply improve a small corner of it, enlightenment seekers can apply the meditations, rituals, ceremonies, and games featured in this book to unleash the great abilities of these elusive spirit guides. With wonderful real life stories and anecdotes from people who have seen and experienced unicorns first-hand, *The Wonder of Unicorns* is a book to inspire and empower you on your spiritual path.      *Amethyst of the Gods (Sword of Heavens #7)* Richard S.
