The Cattle-Raid of Cualnge L. Winifred Faraday,2011-12-03 THE Cattle Raid of Cualnge is the chief story belonging to the heroic cycle of Ulster which had its centre in the deeds of the Ulster king Conchobar Mac Nessa and his nephew and chief warrior Cuchulainn Mac Sualtairn Tradition places their date at the beginning of the Christian era The events leading up to this tale the most famous of Irish mythical stories may be shortly summarised here from the Book of Leinster introduction to the Tain and from the other tales belonging to the Ulster cycle It is elsewhere narrated that the Dun Bull of Cualnge for whose sake Ailill and Medb the king and queen of Connaught undertook this expedition was one of two bulls in whom two rival swineherds belonging to the supernatural race known as the people of the Sid or fairy mounds were reincarnated after passing through various other forms The other bull Findbennach the Whitehorned was in the herd of Medb at Cruachan Ai the Connaught capital but left it to join Ailill's herd This caused Ailill's possessions to exceed Medb's and to equalise matters she determined to secure the great Dun Bull who alone equalled the Whitehorned An embassy to the owner of the Dun Bull failed and Ailill and Medb therefore began preparations for an invasion of Ulster in which province then ruled by Conchobar Mac Nessa Cualnge was situated A number of smaller Tana or cattle raids prefatory to the great Tain Bo Cuailnge relate some of their efforts to procure allies and provisions **The Cattle-Raid of Cualnge (Tain Bo Cuailnge) :**

An Old Irish Prose-Epic Anonymous,2019-11-20 The Cattle Raid of Cualnge Tain Bo Cuailnge is a seminal work of Old Irish literature that transports readers into the heart of ancient myth and legend Structured as a prose epic the narrative chronicles the famed cattle raid led by the hero C Chulainn intertwining themes of honor valor and the tumultuous relations between Connacht and Ulster Written in a style that combines lyrical beauty with an adventurous spirit the text is rich in historical context reflecting pre Christian Irish society's values and social structures while mirroring the performative storytelling traditions of its time Though the author remains anonymous this epic likely emerged during the 12th century a period marked by the preservation and revival of ancestral lore The cultural milieu of medieval Ireland where tales of heroes and mythical creatures were central to the collective identity influenced the creation of this work The blending of oral traditions with emerging literary forms showcases a society grappling with its past and identity which may have inspired the author to capture these expansive tales in written form I highly recommend The Cattle Raid of Cualnge to anyone intrigued by mythology epic literature or the historical foundations of Ireland This work not only offers captivating narratives but also provides profound insights into the complexities of human nature societal conflict and the eternal struggle for identity a timeless exploration that resonates across ages **Cattle-raid of Cuailnge (Tain Bo Cuailnge)** Faraday L. The Cattle Raid of Cooley ,1907 **The Cattle-Raid of Cuailnge (Tain Bo Cuailnge)** L. Faraday,2015-12-11 At last the

public are to have in their hands full translations of the chief Irish Prose romance the T in B Cuailnge Miss Winifred Faraday comes first with her translation of the versions from the Yellow Book of Lecan Y B L and the Leabhar na h Uidhre L U while we hear from another source that the last sheets of Dr Windisch s long promised edition of the Book of Leinster version have passed through the press Thus in the course of a few weeks it will be possible to compare the two main versions of the story side by side From the purely literary point of view it is perhaps a pity that the Book of Leinster L L version has not been published first it is fuller of detail more explanatory and more picturesque and it shows a more poetic sense of the dramatic evolution and sequence of the tale To give a single example The T in or Cattle raid which forms the subject of this romance has been undertaken by Medb Queen of Connaught for the purpose of gaining possession of a famous bull owned by a chief of Leinster and which is coveted by the avaricious Queen The great number of Irish tales founded on similar themes proves that these romances hail from a period when the country was in a purely pastoral condition and wealth consisted not in money or in land but in cattle and live stock The acquirement of more cattle was regarded as a fit purpose on which to embark on a lengthy war and the frequency of these cattle lifting expeditions must have kept the country in a perpetual state of ferment Medb Maive is represented as a woman of extraordinary vigor and force of character She openly prides herself on being the better half both as regards birth wealth and fighting qualities than her spouse as before her marriage she boasted herself to have been the noblest in her father s house The interesting bolster conversation which forms the prologue to the T in in L L in which Medb sets forth her attainments and her superior position is not given in the versions followed by Miss Faraday and the story thus begins without a sufficient explanation which this conversation provides of the cause and meaning of the raid As regards wage giving and largesse I was the best of them says Medb as regards battle strife and combat I was the best of them Before me went fifteen hundred royal mercenaries from the ranks of the sons of adventurers and in the centre an equal number of native chieftains sons Medb is Queen of Connaught in her own right it is she and not her husband who leads the armies of Ireland and Ailill has to acquiesce in taking the inferior position of a mere prince consort to his imperious wife

The Cattle-Raid of Cooley and The Cattle Raid of Cuailnge Joseph Dunn,Lucy Winifred Faraday,2020-09-28 Once of a time that Ailill and Medb had spread their royal bed in Cruachan the stronghold of Connacht such was the pillow talk that befell betwixt them Quoth Ailill True is the saying lady She is a well off woman that is a rich man s wife Aye that she is answered the wife but wherefore opin st thou so For this Ailill replied that thou art this day better off than the day that first I took thee Then answered Medb As well off was I before I ever saw thee It was a wealth forsooth we never heard nor knew of Ailill said but a woman s wealth was all thou hadst and foes from lands next thine were used to carry off the spoil and booty that they took from thee Not so was I quoth Medb the High King of Erin himself was my sire Eocho Fedlech the Enduring son of Finn by name who was son of Findoman son of Finden son of Findguin son of Rogen Ruad
