The Chastitute:

The Chastitute John B. Keane, 1981 A play about a man who has remained a virgin *The Methuen Drama Guide to Contemporary Irish Playwrights* Martin Middeke, Peter Paul Schnierer, 2010-05-28 A thorough and insightful study of the work of twenty five important Irish playwrights **Moll** John B. Keane, 2014-03-07 Moll is a hilarious and highly successful comedy about life in an Irish country presbytery When a presbytery gets a new housekeeper it becomes like a country that gets a change of government or like a family that gets a new stepmother Moll Kettle would work for no less than a canon for in her own words Tis hard to come back to the plain black and white when one is used to the purple John B Keane was one of Ireland s most prolific and respected literary figures He was born in 1928 in Listowel County Kerry and it was here that he spent his literary career running a pub which provided him with inspiration for his characters and ideas His first play Sive was presented by the Listowel Drama Group and won the All Ireland Drama Festival in 1959 It was followed by another success Sharon s Grave in 1960 The Field 1965 and Big Maggie 1969 are widely regarded as classics of the modern Irish stage and jewels in a crown which includes such popular hits as Many Young Men of Twenty The Man from Clare Moll The Chastitute and The Year of the Hiker His large canon of plays have been seen abroad in cities as far afield as Moscow and Los Angeles Big Maggie ran on Broadway for over two months in 1982 and The Field was adapted into an Oscar winning Hollywood film starring Brenda Fricker and Richard Harris in 1991 **Theatre and Archival Memory** Barry

Houlihan, 2021-07-28 This book presents new insights into the production and reception of Irish drama its internationalisation and political influences within a pivotal period of Irish cultural and social change From the 1950s onwards Irish theatre engaged audiences within new theatrical forms at venues from the Pike Theatre the Project Arts Centre and the Gate Theatre as well as at Ireland s national theatre the Abbey Drawing on newly released and digitised archival records this book argues for an inclusive historiography reflective of the formative impacts upon modern Irish theatre as recorded within marginalised performance histories This study examines these works experimental dramaturgical impacts in terms of production reception and archival legacies The book framed by the device of archival memory serves as a means for scholars and theatre makers to inter contextualise existing historiography and to challenge canon formation It also presents a new social history of Irish theatre told from the fringes of history and reanimated through archival memory

Twentieth-Century Irish Drama Christopher Murray, 2000-05-01 This work provides an overview of Irish theatre read in the light of Ireland s self definition Mediating between history and its relations with politics and art it attempts to do justice to the enabling and mirroring preoccupations of Irish drama *Buffoonery in Irish Drama* Kathleen Heininge, 2009 Generations of Irish playwrights have tried to assert the reputation of the stage Irish figure as other than comic but each effort was in its turn assailed as buffoonery Using post colonial and performative theory Buffoonery in Irish Drama demonstrates the ways the Irish struggled to create a sense of identity in a colonial structure and it explores the distortion

and appropriation of that new identity that elicit further calls to eradicate negative stereotypes Demonstrating the pervasiveness of the reclamation efforts Buffoonery in Irish Drama covers a wide range of well known and obscure plays to show the trajectory of twentieth century drama that brings us into a globalized twenty first century Ireland **Occasions of Sin** Diarmaid Ferriter,2010-07-09 Ferriter covers such subjects as abortion pregnancy celibacy contraception censorship infanticide homosexuality prostitution marriage popular culture social life and the various hidden Irelands associated with sexual abuse all in the context of a conservative official morality backed by the Catholic Church and by legislation The book energetically and originally engages with subjects omitted from the mainstream historical narrative The breadth of this book and the richness of the source material uncovered make it definitive in its field and a most remarkable work of social history

Best Of John B Keane John B. Keane,1999-01-01 In this volume are hundreds of short pieces which represent the distillation of the experience of a funny witty wise and passionate observer of the bright tapestry of Irish life All human life is here and Keane tells its story in an astonishing procession of remarkable characters and in rare humorous glimpses of his own career This is a collection to prize *The Celebrated Letters of John B. Keane Vol 2* John B Keane,2000-01-01 A further collection of John B Keane s highly successful letters This book includes Letters of a Civic Guard Letters of an Irish Publican Letters of a Country Postman and Letters to the Brain Four very different people in four very different circumstances and the thread that binds them is John B Keane s skill at recognising the follies and weaknesses of men and women The letter writers and their correspondents prove to be fine examples of this *Making Ireland Irish* Eric G. E. Zuelow,2009-03-01 From the dark shadow of civil war to the pastel painted towns of today Making Ireland Irish provides a sweeping account of the evolution of the Irish tourist industry over the twentieth century Drawing on an extensive array of previously untapped or underused sources Eric G E Zuelow examines how a small group of tourism advocates inspired by tourist development movements in countries such as France and Spain worked tirelessly to convince their Irish compatriots that tourism was the secret to Ireland s success Over time tourism went from being a national joke to a national interest Men and women from across Irish society joined in eager to help shape their country and culture for visitors eyes The result was Ireland as it is depicted today a land of blue skies smiling faces pastel towns natural beauty ancient history and timeless traditions With lucid prose and vivid detail Zuelow explains how careful planning transformed Irish towns and villages from grey and unattractive to bright and inviting sanitized Irish history to avoid offending Ireland s largest tourist market the English and supplanted traditional rural fairs revolving around muddy animals and featuring sexually suggestive ceremonies with new family friendly festivals and events filling today s tourist calendar By challenging existing notions that the Irish tourist product is either timeless or the consequence of colonialism Zuelow demonstrates that the development of tourist imagery and Irish national identity was not the result of a handful of elites or a postcolonial legacy but rather the product of an extended discussion that ultimately involved a broad cross section of society both inside and outside Ireland Tourism he

argues played a vital role in making Ireland Irish Masculinities and Manhood in Contemporary Irish Drama Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism Masculinities and Manhood in Contemporary Irish Drama charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women s and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis The Irish American Post Magazine ,1996 **A Day in May** Colin Murphy, 2022-11-09 There s a million in the middle and they might go either way On May 22nd 2015 the people of Ireland voted resoundingly for marriage equality making Ireland the first country in the world to introduce gay marriage by popular vote Little about Ireland s 20th century history suggested that the country would find itself at the vanguard of LGBT rights Homosexual conduct may lead a mildly homosexually orientated person into a way of life from which he may never recover warned the Irish Supreme Court in 1982 Homosexuality remained criminalised till 1993 But a long hard fight by determined activists as well as the individual efforts and sacrifices of thousands of ordinary people gradually made the case for gay rights and eventually marriage equality Colin Murphy s documentary drama based on interviews by the journalist Charlie Bird charts the arc of that fight culminating in the fervour of the final campaign weeks interwoven with the personal stories of some of those who were touched by it This edition was published to coincide with the presentation of **A Day in May** at Dublin s Pavilion Theatre in Dun Laoghaire in October 2022 **Big Maggie** John B. Keane, 2014-07-04 **Big Maggie** J B Keane s most outspoken play The Irish Press Keane has brought the tyranny the desperation and the frustration of the rural Irish matriarch roaring into the top twenties A full blooded salty earthy play with a great ring of truth and uproarious with comedy The Irish Times His depth of perception reveals a mature Keane Cork Examiner The story of Big Maggie Polpin and her attempts to keep her family together after the death of her husband is an enduring theatre favourite The dialogue crackles with hilarious caustic putdowns as the indomitable Maggie deals with her feckless family and unwanted suitors Everyone wants a part of Big Maggie and her property but she has other ideas John B Keane s wonderful creation of a rural Irish matriarch ranks with Juno Mommo and Molly Bloom as one of the great female creations of twentieth century Irish literature The Chastitute John B Keane, 2024-12-06 A play by John B Keane the author of Sive The to Z of Animation

and Cartoons Nichola Dobson,2010-04 Animation was once a relatively simple matter using fairly primitive means to produce rather short films of subjects that were generally comedic and often quite childish However things have changed and they continue changing at a maddening pace One new technique after another has made it easier faster and above all cheaper to produce the material which has taken on an increasing variety of forms The A to Z of Animation and Cartoons is an introduction to all aspects of animation history and its development as a technology and industry beyond the familiar cartoons from the Disney and Warner Bros Studios This is done through a chronology an introductory essay photos a bibliography and over 200 cross referenced dictionary entries on animators directors studios techniques films and some of the best known characters **The Oxford Handbook of Modern Irish Theatre** Nicholas Grene,Chris Morash,2016-07-28

The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right Kerry Playwright Marie Hubert Kealy,1993 John B Keane speaks for and to his generation

His work is regional in the best sense By drawing on the importance of place in Irish culture Keane orders his perceptions of contemporary life He deserves to be recognized as a playwright who expresses the struggle for individual identity against a background of cultural expectations *Modern Irish Drama* Sanford Sternlicht,2010-09-03 Modern Irish Drama W B Yeats to Marina Carr presents a thorough introduction to the recent history of one of the greatest dramatic and theatrical traditions in Western culture Originally published in 1988 this updated edition provides extensive new material charting the path of modern and contemporary Irish drama from its roots in the Celtic Revival to its flowering in world theater The lives and careers of more than fifty modern Irish playwrights are discussed along with summaries of their major plays and recommendations for further reading **Charmers and Chancers** Hugh Oram,2016-09-16 Charmers and Chancers tells the stories about the many famous and infamous people whom Ive met and often interviewed during my fifty year media
