## **The Children Of Rifaa In Search Of A Moderate Islam:**

**Children Of Rifaa: In Search Of A Moderate Islam** , The Children of Rifaa Guy Sorman,2004 It is difficult sometimes even painful to be a Muslim In 1826 Rifaa el Tahtawi a theologian in Cairo arrived in Paris His mission was to discover the secret of the scientific prowess of the West and find out if it was possible to reconcile the tenets of Islam with a modern and progressive outlook By the time he returned to Egypt in 1831 after a thorough study of Western science military power and jurisprudence he had come to the conclusion that nothing in the Koran opposed the modernization of the Muslim world His enlightened analysis led to what is known as the Arab Renaissance a discernible shift towards modernity and democracy in the Muslim world which lasted till the 1950s **Moderate or Militant** Mushirul Hasan,2008-02-13 In this book Mushirul Hasan articulates a vision of Islam or rather the many different kinds of Islam instead of the frightening monolith of popular perception living in harmony with other faiths and of Indian Muslims inheritors of the great Indian civilization living in a plural society Engaging with the debates surrounding the society polity and history of India s Muslims and using historical and literary sources as well as the writings of modern Muslim thinkers like Aziz Ahmad and Mohammad Mujeeb Hasan traces the development of contemporary ideas about Muslims from the mid nineteenth century onwards through British rule and the partition to the present day For Hasan a truly secular reading of Indian history reveals Indian Islam as one that exists in a pluralist milieu Islamist Terrorism and Militancy in Indonesia Kumar Ramakrishna,2014-10-19 Drawing upon insights from the natural and social sciences this book puts forth a provocative new argument that the violent Islamist threat in Indonesia today derives its stubborn resilience from being in essence a complex adaptive and self organizing system or what some specialists might even call a super organism The book challenges the popular assumption that ideology is the root cause that explains why Indonesian Islamists radicalize into violent extremism In addition it addresses why despite years of intense security force pressure seemingly disparate militant cells keep popping up like the proverbial hydra and in the apparent absence of a centralized coordinating body nevertheless appear to display an organic interconnectivity with one another Going beyond standard ideological mantras the book argues that fresh interdisciplinary thinking is needed to cope with the constantly mutating violent Islamist challenge in Indonesia and puts forth a comprehensive strategy for doing so It will be of interest to academics and students of terrorism religion and violence in the Southeast Asian region *The Modernization Process of Egypt and Turkey in Selected Novels of Naguib Mahfouz and Orhan Pamuk* Özlem Ulucan,2019-01-23 This study discusses the modernization process of Egypt and Turkey from the beginning of the 20th century through The Cairo Trilogy by Naguib Mahfouz and Cevdet Bey and Sons by Orhan Pamuk These works of two Nobel Prize winning authors project the stories of three generations reflecting the historical social and cultural transformations Egypt and Turkey went through In their generational novels both Mahfouz and Pamuk portray extended families that have close relationships which fade through time as each new generation moves away from the traditional

lifestyles and tries to adopt a new way of life under the influences of the social and economic conditions of their countries This book analyses the way each succeeding generation operates in the process of transition from conservatism to modernity in Egypt and Turkey by contextualizing book texts and shedding light on the modernization experiences of these two countries 2008, □□□□ **Inshallah** Laura Mansfield, 2005 The story of how a young American woman from the deep south finds herself married to a Muslim radical extremist That young woman was Laura Mansfield Laura provides a view of Islamic extremism that can only been seen from the inside Laura s escape with her children from radical Islam her battle to keep her daughters safe and how she became a leading terror analyst make this a book you won t want to put down
