Poindexter, 2018-07-10 China s information war against the United States is clever technically broadly applied and successful The intelligence community in the U S has publicly stated this is a kind of war we do not know how to fight yet it is the U S military that developed and expanded the doctrine of information war In fact the U S military is at a disadvantage because it is part of a democratic decentralized system of government that separates the state from commercial business China s political systems are more easily adapted to this form of warfare as their recent land seizures in the South China Sea demonstrate We call this annexation when it is a new form of conquest **Hop Lee, The Chinese Slave Dealer; Or, Old and Young King Brady and the Opium Fiends. of Modern China Joseph Richmond Levenson, 1970 **The Chinese Recorder and Missionary Journal**, 1899 **The Light that Failed** Ivan Krastev, Stephen Holmes, 2019-10-31 A landmark book that completely transforms our understanding of the crisis of liberalism from two pre eminent intellectuals Why did the West after winning the Cold War lose its political balance In the early 1990s hopes for the eastward spread of liberal democracy were high And yet the transformation of Eastern European countries gave rise to a bitter repudiation of liberalism itself not only there but also back in the heartland of the West In this brilliant work of political psychology Ivan Krastev and Stephen Holmes argue that the supposed end of history turned out to be only the beginning of an Age of Imitation Reckoning with the history of the last thirty years they show that the most powerful force behind the wave of populist xenophobia that began in Eastern Europe stems from resentment at the post 1989 imperative to become Westernized Through this prism the Trump revolution represents an ironic fulfillment of the promise that the nations exiting from communist rule would come to resemble the United States In a strange twist Trump has elevated Putin s Russia and Orb n s Hungary into models for the United States Written by two pre eminent intellectuals bridging the East West divide *The Light that Failed* is a landmark book that sheds light on the extraordinary history of our Age of Imitation *Tears of the Lotus* Roger E. McCarthy, 2015-08-13 In 1949 Mao Tse tung first sent his People s Liberation Army into the eastern Tibetan province of Amdo he followed with an invasion of the province of Kham in 1950 Ill prepared disorganized and badly outnumbered the small Tibetan armed forces were no match for the invaders At first the Chinese persuaded many Tibetans that their intent was merely to help them share in the future greatness and wealth that Mao had promised all In a short time the Tibetan tribesmen realized however that the true purpose of the invasion was otherwise Their religion and their freedom were at stake Despite the repeated efforts by the Dalai Lama and others in Lhasa to dissuade them the people resisted the Chinese at great cost over one million dead in the 1950s This work includes accounts of the role of Tibetans who collaborated with the Chinese invaders the resistance movement the Dalai Lama s lack of support for the movement and how even so the resistance made it possible for the Dalai Lama to escape from Lhasa in 1959 *Smoke and Fire, The Chinese of Montreal* Kwok-bun Chan, 2023-06-26 Now distributed by Brill for The Chinese University Press This book is in fact a study of human survival It describes the Chinese immigrants in Montreal Canada as they encounter racial discrimination It begins with the arrival of the first batch of Cantonese in the 1850s in Victoria British Columbia and ends in the late 1970s and 1980s in Montreal Like Vancouver and Toronto Montreal saw the influx of two contrasting groups of Chinese refugees of Chinese descent from Indo China and economic migrants from Hong Kong The book uses oral history and in depth interview material in documenting the costs of racism on the one hand and the strategies for adaptation on the other The author argues that the kind of racism the Chinese in Montreal have been subjected to is a systematic one This book is now distributed by Brill for The Chinese University Press
