The Chosen Shirley G. East, 2004-03 The Lord loves the American people The Lord was at September 11 and so was Jesus It was a holy war You saw the war on earth but you did not see the war in heaven How did the Lord bring the twin towers to the ground from the top down and why I dreamed the Lord Almighty took Washington DC What may happen if prayer is not revised and put back in schools and public places like those that he commanded in his words of instructions No man puts himself above the Lord and causes his people to stray from him for the Lord God loves his children and his words endure forever and ever Amen *Encyclopedia of Science Fiction* Don D'Amassa, 2015-04-22 Presents articles on the science fiction genre of literature including authors themes significant works and awards **The Story of B** Daniel Quinn, 1997-11-03 From the author of the critically acclaimed award winning bestseller *Ishmael* and its sequel *My Ishmael* comes a powerful novel with one of the most profound spiritual testaments of our time A compelling humantale that will unglue stun shock and rearrange everything you ve learned and assume about Western civilization and our future Paul Hawken author of *The Ecology of Commerce* Father Jared Osborne has received an extraordinary assignment from his superiors Investigate an itinerant preacher stirring up deep trouble in central Europe His followers call him B but his enemies say he s something else the Antichrist However the man Osborne tracks across a landscape of bars cabarets and seedy meeting halls is no blasphemous monster though an earlier era would undoubtedly have rushed him to the burning stake For B claims to be enunciating a gospel written not on any stone or parchment but in our very genes opening up a spiritual direction for humanity that would have been unimaginable to any of the prophets or saviors of traditional religion Pressed by his superiors for a judgement Osborne is driven to penetrate B s inner circle where he soon finds himself an anguished collaborator in the dismantling of his own religious foundations More than a masterful novel of adventure and suspense *The Story of B* is a rich source of compelling ideas from an author who challenges us to rethink our most cherished beliefs Explore Daniel Quinn s spiritual *Ishmael* trilogy *ISHMAEL MY ISHMAEL THE STORY OF B* *The Third Book of Spratt Stories* Roger Sibun, 2014-05-28 This is another collection of bizarre short stories that follows on from *The Spratt Stories* and *More Spratt Stories* These humorous tales could be described as off the wall and compared to the kind of humour used in the Monty Python series This series follows the main protagonists Mr and Mrs Spratt and explores their matrimonial misunderstandings Nostalgic readers who have an appetite for the surreal will particularly enjoy this comedic read

Prehistoric Myths in Modern Political Philosophy Karl Widerquist, 2016-12-05 How modern philosophers use and perpetuate myths about prehistory The state of nature the origin of property the origin of government the primordial nature of inequality and war why do political philosophers talk so much about the Stone Age And are they talking about a Stone Age that really happened or is it just a convenient thought experiment to illustrate their points Karl Widerquist and Grant S McCall take a philosophical look at the origin of civilisation examining political theories to show how claims about prehistory

are used Drawing on the best available evidence from archaeology and anthropology they show that much of what we think we know about human origins comes from philosophers imagination not scientific investigation Key Features Shows how modern political theories employ ambiguous factual claims about prehistory Brings archaeological and anthropological evidence to bear on those claims Tells the story of human origins in a way that reveals many commonly held misconceptions
