The Christ Rev:

Christ in the Book of Revelation Boxall, Ian, 2021 Introduces readers to the multiple dimensions of Christ as portrayed in the Apocalypse *Egyptian Origin of the Book of Revelation* John H. C. Pippy, 2011-12-27 This in depth treatise presents conclusive evidence for an extremely close relationship between ancient Egyptian religious beliefs and the Book of Revelation Practically all characters scenes and series of scenes found in Revelation have parallels in mainstream Egyptian sources including the Book of the Dead the Amduat Book of Gates Book of Aker Books of the Heavens and others Parallel characters include Egypt's Apophis as Revelation's Satan while situations and activities in scenes include the judgment scene and singers by a lake of fire Parallel sequences of scenes include those found in the 2nd to 12th Divisions of the Book of Gates and most of Revelation's Chapters 15 21 Allusions to the Book of Dead are common Finally a key conclusion the entire structure of the Book of Revelation can be accounted for in the organization of text and paintings on the walls and ceilings of the tomb of Ramesses VI in Egypt's Valley of the Kings Fully referenced to enable critical review See revorigin.com *The Revelation* R. J. Plugge, 2018-12-19 Jesus was confronted by the leadership within Jerusalem during the last week of his earthly ministry Matthew 21 23 He confounded the elders scribes teachers chief priests Pharisees and Sadducees He pronounced eight 8 woes on the scribes and Pharisees and called them a brood of vipers He told the leaders of Jerusalem that judgment for the righteous bloodshed from all those on earth would be cast upon that last generation in Judea living during the first century AD Matthew 23 36 24 34 It would include their killing the Messiah as they filled up the measure of their guilt Matthew 23 32 Their temple had already been declared desolate Matthew 23 38 That Great Tribulation was recorded from heaven's perspective on a scroll Matthew 24 21 John was allowed to record his view of those scenes for us in chapters 6 11 of The Revelation of Jesus the Christ within Heaven They're discussed here They historically verified Jesus's pronouncements The last seven were announced with trumpets to show Jesus used His power from the Throne of God Revelation 11 17 **The Revelation of Jesus Christ** Edmund Micklewood, 1900 [The Theocratic Kingdom of Our Lord Jesus](#) Arthur W. Pink, George Nathaniel Henry Peters, Features an exhaustive scholarly treatment of the biblical names and titles of the Antichrist An important contribution to the study of eschatology *A Tale for the Pharisees. By the author of "Dives and Lazarus."*, 1859 **The Revelation of Jesus Christ** Alfred J. Chomppff, 2013-05-07 This book is about the Lord Jesus Christ and who He really is When we read the Bible we should remember the principle The last revelation carries the greater weight The final revelation of the Lord Jesus Christ to the last living of His disciples the apostle John a short time before the apostle John was also to expire was a final word to His beloved disciple containing the most important things for the life of the Christian church And since the last revelation carries the greater weight we should embrace these last messages of the Lord with great care and believe these words even if they would upset well established doctrines in the churches Only the Lord Jesus Christ is worthy to be praised and He is the only one who deserves the attention of this book

The Seven Churches of Revelation John Daniel,2008 The Rising Truth of Revelation Earl Jenkins,2022-01-27 In Daniel 11 9 it is said Go thy way Daniel For these words are closed up and sealed til the time of the end I believe these books are now open to God s people including Revelations made plans to the understanding of God s people and the world through them to understand the call to come out of Babylon before it is too late God is now calling his people out of Babylon before it is too late This is an urgent day and age Dear ones come have you heard the call to come out of Babylon This is the day of the investigative judgment therefore it is time to see and hear the call to come out of Babylon I saw another angel come down from heaven with great power saying Babylon the great is fallen Revelation 18 1 4 Found in Revelations 16 19 The worldwide church brings into its ranks Discount kings are to enforce the doctrine of the church come out of her mouth Revelation 17 12

Pink,2023-12-24 In *The Antichrist* A W Pink delves into the profound biblical and theological implications of what he identifies as the ultimate adversary of Christ With a meticulous approach Pink employs an expository style enriched by scripture historical context and prophetic interpretations to unravel the nature characteristics and eventual demise of the Antichrist The book engages deeply with eschatological themes drawing on scriptural references from both the Old and New Testaments and positions the figure of the Antichrist within the broader narrative of the Christian faith Pink s work is marked by a conviction in divine sovereignty and an unyielding commitment to biblical truth making it an essential text for those studying prophetic literature A W Pink 1886 1952 was a British minister and theologian whose writings continue to influence contemporary evangelical thought His keen interest in Reformed theology and eschatology combined with a life dedicated to scriptural study informed his perspectives on prophetic matters Having lived through tumultuous times Pink s reflections on the Antichrist can be seen as a response to the challenges facing the Church in an increasingly secular world This book is highly recommended for theologians scholars and lay readers alike who seek a deeper understanding of eschatology through a biblical lens Pink s insights provide not only a comprehension of the figure of the Antichrist but also an impetus for spiritual vigilance in a world fraught with moral ambiguity A God of Many Understandings Todd Miles,2010-10-01 Western Christianity s interaction with world religions used to be for the most part overseas Today religious others often live next door At a changing time when one public prayer spoken during the 2009 U S presidential inauguration festivities was addressed to O god of our many understandings the evangelical Christian church should do more than simply dismiss non Christian religions as pagan without argument or comment The Church needs a theology of religions that is Christ honoring biblically faithful intellectually satisfying compassionate and that will encourage Spirit powered mission Oregon based theology professor Todd L Miles writes to that end in *A God of Many Understandings* attempting as the scholar Veli Matti K rkk inen puts it to think theologically about what it means for Christians to live with people of other faiths and about the relationship of Christianity to other religions
