Essential Christianity Keith Sherlin, 2006-06 What are the essentials to the Christian faith How can you know and find God's will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily **Homo Florens?** Nadia Marais, 2023-10-09 What does it mean to flourish Human flourishing lies at the heart of the good news of the gospel and yet contemporary theologies know not only one way of speaking about what it means to flourish If we embed our theological grammars of flourishing in the doctrine of salvation as the doctrine in which theological flourishing talk is arguably rooted and from which rich fruit may be borne there is not one but various ways in which to speak about what it means to flourish Yet what governs our speaking Why do we speak of flourishing as we do The various conceptions of human flourishing that are outlined in this book piety joy and comfort being fully alive healing and dignity grace happiness and blessing represent a collection of attempts not only to imagine human flourishing but also to imagine ways of speaking about human flourishing Perhaps what theology could offer to the vibrant and robust conversations on human flourishing lies exactly in the reminder to take care about how we speak about that which is truly and deeply human our longing to flourish *American Publishers' Circular and Literary Gazette*, 1860
