

THE PLAYBOY INTERVIEW

G. Barry Golson, editor

What has been called "the command performance of American journalism" began in the spring of 1962, when a writer named Alex Haley returned from an assignment to profile jazz great Miles Davis and emptied a briefcase full of tapes at *Playboy's* editorial office in Chicago. The transcribed conversations were shaped and stitched together to form the first *Playboy Interview*, a feature as memorable in its own way as the centerfold.

In the nearly two decades since then, through assassinations, the civil rights movement, the sexual revolution, the Vietnam war, the women's movement, rock and roll, drugs, the television explosion, and years of tumultuous change, the *Playboy Interview* has provided revealing portraits of those who most profoundly affect our society. It is one forum where prominent people discuss themselves and their ideas in unusual depth and with surprising frankness.

As presidents and poets, artists and athletes, saints and scoundrels have found, *Playboy* interviews are exhausting. That's because the idea has always been to push harder, to probe more deeply, to ask and ask questions until the interviewer, the editor, and the subject agree that something like the definitive interview has been obtained.

Whatever the field of endeavor or the notoriety of the accomplishments, the *Playboy*

(continued on back flap)

(continued from front flap)

Interview presents people as they really speak, sometimes lucidly and eloquently, other times profanely and angrily. Perhaps that's because interviewers are instructed to raise topics not normally discussed for publication—childhood traumas, failed marriages, moments of rage, and yes, when it is appropriate, sexual experiences.

This book contains 31 of the most memorable interviews, together with commentary on how the interviews were obtained and what some of the reactions were upon publication. For the general reader, the interviews make fascinating and provocative reading, with many moments of nostalgia and poignancy. The student of journalism will find insights into a unique journalistic form.

G. BARRY GOLSON, editor of the book, is *Playboy's* executive editor. Since 1974 he has been in charge of the interview feature and has himself participated in some of the interviews in recent years.

The Playboy Interview:

The Playboy Interview G. Barry Golson, 1981 Forty memorable Playboy interviews collected over the past eighteen years reveal the ideas and personalities of such public figures as Jimmy Carter Malcolm X Timothy Leary Albert Schweitzer and Mae West

The Playboy Interview II G. Barry Golson, 1983

The Playboy Interviews Stephen Randall, 2006 A large number of Playboy's readers do buy the magazine for the articles specifically the interviews The Playboy Interview is both incisive and entertaining and important figures from all walks of life many of whom honor no other interview requests have given life and career altering interviews in the magazine's pages The Playboy Interviews They Played the Game features some of the most revered and reviled American sports stars from the past six decades openly discussing controversial issues including race gender drugs and sexuality More than just a bunch of jocks talking sports these interviews are a fascinating reflection of the American psyche and evolving cultural perceptions

The Playboy Interview, 1994

The Playboy Interviews Stephen Randall, 2006 While there have been many great films only a few directors have achieved such facility with the filmmaking medium In this collection of remarkably candid interviews seventeen of the screen's most widely acclaimed and creative filmmakers discuss what drives and inspires them These revealing thought provoking and highly personal interviews range from Roman Polanski's thoughts on the murder of his wife in the Manson Family massacre to Oliver Stone's frank discussions about the challenges he faced in creating his memorable films

The Playboy Interview Playboy Enterprises, Inc. Staff, 1992-01-01

Playboy Interview: Joan Baez, 1971

The Playboy Interviews Stephen Randall, 2007 As Calvin Coolidge once said the business of America is business Yet no matter what that business is only a handful of individuals control it With vision determination and passion these men and women have bent the world to their wills Some were millionaires from birth others have pulled themselves up by their bootstraps From computers to shoes to cars their hands have shaped the fabric of everyday life Here 15 of the most important men and women of the last 45 years of American business including Bill Gates Steve Jobs Donald Trump Ted Turner Hugh Hefner Leona Helmsley Barry Diller and Calvin Klein speak candidly about their rises to power First published in the no holds barred pages of Playboy the interviews are in many cases the most thoughtful and direct these men and women ever gave All represent an intimate visit with the entrepreneurs who have moved America forward and have shaken the foundations of who Americans believe themselves to be

The Playboy Interviews Stephen Randall, Playboy (Chicago), 2008-01-01 For decades Playboy's interviews have set the gold standard for their frank in depth profiles of major public personalities Few celebrities in any field have been able to resist this forum despite the magazine's deserved reputation for not pulling punches This book collects many of the best dating from the 1960s through the 1980s some appearing for the first time since their original magazine publication Several of the interviews catch some of the last century's most influential people at the height of their fame Others find them looking back on a long career Interviewees range from Frank Sinatra in his early 60s Rat Pack days to the Beatles in 65 to Hank

Aaron and Walter Cronkite in the 70s Bob Dylan and Muhammad Ali appear in two interviews conducted more than a decade apart The Playboy Interviews Larger than Life offers a unique look at some of the culture s most memorable moments through the words of those who helped create them **Conversations with William F. Buckley Jr** William F. Buckley (Jr.), William F. Meehan, 2009 The fifteen interviews in this collection are reprinted as they appeared originally Introduction

Ignite the flame of optimism with Crafted by is motivational masterpiece, Find Positivity in **The Playboy Interview** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
