Snider ...* Denton Jaques Snider, 1921 **Selected Essays on Intermediality by Werner Wolf (1992-2014)** Werner Wolf, 2017-11-13 This volume collects twenty two major essays by Werner Wolf published between 1992 and 2014 all of them revised but retaining the original argument They form the core of those seminal writings which have contributed to establishing intermediality as an internationally recognized research field besides providing a by now widely accepted typology of the field and opening intermedial perspectives on areas as varied as narratology metareferentiality and iconicity The essays are presented chronologically under the headings of Theory and Typology Literature Music Relations Transmedial Narratology and Miscellaneous Transmedial Phenomena and cover a wide spectrum of topics of both historical and contemporary relevance ranging from J S Bach Mozart Schubert and Gulda through Sterne Hardy Woolf and Beckett to Jan Steen Hogarth Magritte and comics The volume should be essential reading for scholars of literature music and art history with an interdisciplinary orientation as well as general readers interested in the fascinating interaction of the arts **Italian Literature since 1900 in English Translation** Robin Healey, 2019-03-14 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey's Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature **Selected Essays on Language, Mythology and Religion** Max Müller, 1881 **Selected Essays on**
