Media, 2022-06-13T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was home for the holidays one night when someone brought up the subject of Frankie Filia my mother's cousin who had come home to visit He was a jazz singer who had left town a lifetime ago for Las Vegas but he had recently decided to retire and come home 2 I knew my grandfather was a mobster but I didn't know the details I didn't want to learn more and I never did I was afraid of what those details might reveal about my family 3 I can't do this I know that at the center of this story is my grandfather a dimly lit figure who had a different life outside of my grandmother's house I know that the research would lead me to the source of her pain 4 I was named after my grandfather who died of a heart attack at the age of 57 I didn't think about him for a year or so after that night at the club until I saw his name on the back of a membership card
