The Boxer and the Blacksmith Edie Cay, 2021-02-01 Can London's lady champion fight for love As London's undefeated women's boxer Bess Abbott has the scars both inside and out to prove it But when one of her boxing students Violet needs protection Bess Abbott's rock hard heart cracks open And when a handsome blacksmith comes along giving her compliments and treating her well like a woman Bess doesn't know what to do She's on the ropes in the face of his affections Os Worley was a child when he became an accidental stow away He grew up not knowing the family or the island that inflected his accent His only memory of his mother is a head bent hands working a stitch a voice humming a melody Now that he has his own foundry and his own apprentice he's come to London to find the woman attached to this impression His heart is already tempered and quenched focused on his goal but a lady boxer threatens to recast his love in her own image As Os and Bess face off will they toe the line or retreat to their corners *Brighton Day* Boston (Mass.).
