**Snow** Orhan Pamuk, 2011-10-18 From the Nobel Prize winner and the acclaimed author of *My Name is Red* comes a spellbinding story of a poet seeking his lost love in a remote Turkish town riven by religious conflict and cut off from the world by a blizzard Returning to Turkey from exile in the West

Ka is driven by curiosity to investigate a surprising wave of suicides among religious girls forbidden to wear their head scarves in school But the epicenter of the suicides the eastern border city of Kars is also home to the radiant and newly divorced pek a friend of Ka s youth whom he has never forgotten and whose spirited younger sister is a leader of the rebellious schoolgirls As a fierce snowstorm descends on Kars violence between the military and local Islamic radicals begins to explode and Ka finds his sympathies drawn in unexpected and dramatic directions *Daisy Snowflake's Secret. A Story of English Home Life* Isabel Reaney,1882 HOW TO KILL A PRESIDENT COLT DONALDSON,2025-01-20 My inspiration for this book was my friend Peter Barcia who always encouraged me to push myself harder tackle all obstacles and not be bound by convention He was a teenage friend of mine who died far too early in life at just 25 years old He was the first of two sons whose deaths preceded their parents leaving their father Peter and mother Delores heartbroken Pete s father Peter Barcia Jr was a part time actor and a hardworking honest family man whom I had fondly admired for the years I had known him The plot line came from some interesting stories my Aunt Barbara Colt has passed down to me about her father and her uncle including Grandpop going to school with and later working for Bugsy Siegel then her grandfather John Ryan having close ties with the Longshoremen s union and a few facts about my Uncle Jackie working for Fred Trump at the Tysen apartments on Staten Island Add quite a few facts about the true life successes of the Colt family members at numerous Northeast locations including NYC Tossing in the innumerable interesting places my chosen occupation has led me to over the years several coincidences I discovered while researching my heritage a couple of real life miracles experiences by my close family members and a few of the crazy things young boys in the city do for fun and laughs Wrap it up with a bit of deception as the Colt men have been famously known for and here you have it My ultimate goal was to leave a record that I was here this book was meant solely for entertainment my father wrote several short mafia stories later in life when he was no longer driving cabs or drinking later in life I decided to see if I couldn t do the same and make something for my own family to be proud of and bring to light the accomplishments of the Colt s here in the United States I also must state while almost all of the names used in the book are factual numerous events were fabricated for plot justification Colossus Ryan Leslie,2024-03-26 a spine tingling sf novel certain to wow readers who want to explore sentient AI parallel universes paranoia and sustaining human consciousness for generations to come Booklist For fans of psychological SF novels like THE GONE WORLD and SIX WAKES Economics professor Clay West has always explained the world through the lens of his profession But after his girlfriend Karla takes Dying Wish a drug that supposedly reveals the nature of reality moments before it claims your life Clay is devastated No amount of rationalization can explain Karla s actions Distraught Clay joins a mission into the dark emptiness of space where answers are promised to reside But when the ship begins to malfunction Clay and the surviving crew members suspect there s more to the mission than they ve been told They ve been lied to and they re drifting into dead space Clay s memories of Karla haunt him even more than the ship s chaos and there s something wrong with his memories he has

too many The ship's AI tells Clay his false memories are a normal side effect of the hibernation but to Clay the memories suggest something far more insidious He's been on this ship before      *Wizard and the Beauties IV* Soul Meeter, 2024-06-20
