So Many Tomorrows:

There Are Only So Many Tomorrows Jay Gubula, 2013-02-01 Two men in 1980s Pietermaritzburg are drawn to the same woman Abby quickly becoming each other's nemesis in a political climate where resistance of any kind often invited executions factional clashes clandestine activity treachery and entrapment Abby unwittingly becomes the object of a dangerous obsession as the archenemies not content with displacing the other in her affections play to ensure the other's annihilation none foreseeing the theatre their deadly encounter would be staged culminating in a clash that potentially destabilizes the entire region and for one of them leaves a lasting legacy of shattered hopes broken dreams a life destroyed

Whispers of Love Thomas Watson, 2009-08 Seeking to find and know you as the same Whisperer I knew at the beginning of my years We hear those whispers We who have lost Beginning with the hopeful Easter Story and ending with an emotional Sensing You author and poet Thomas Watson releases those silent whispers that rest on our souls memories of times wounded and lost as well as times of joy and love Myriad whispers of God's love are portrayed in each verse as Watson creatively expresses the story of Creation our love for one another and God's present grace With transparency and a focus on clarity you will read of all aspects of the human condition and the traces of joy and sorrow they leave on our soul Open your heart and allow your mind to wander far enough from the sights and sounds of our chaotic world to feel and hear the Whispers of Love

I'd Like To Be The Morning Sun Anthony Taylor, 2012-08-13 Anthony Taylor's poems and songs offer a range of topics and emotions as varied as life itself from the warm hearted humour of The Hugging Song and the playful but touching romanticism of I'd Like To Be The Morning Sun to the despairing voices of Russian Roulette and Commuter's Lament from the tenderness of Dream Of Me Tonight to the indictments of war in First Moustache and Gorillas Hearing Gunfire from celebrations of natural beauty in Winter Sun Over Aberystwyth and Samothrace to the grief of The Daffodils Outside My Mother's Window and Skeleton House from the joyful assurance of Sailboats In The Sky to the ominous note sounded in Dead Hedgehog from the contentment of Canals to the sad solitariness of Alone Eighty and Missing In between the verse takes in such diverse subjects as music summers and sand commuting snow rugby busking faith cruelty to animals and world conflict and peace Through all there shines a love of and concern for life and living things

There's a Person in Here James Patrick, 2015-01-12 Begun in 1989 following the untimely death of his parents and culminating in 2012 following the loss of his eldest son the author continuously documented and captured his emotions or lack of them around the events of his everyday life This collection shares those records and more including boyhood memories and his thoughts on relationships parenthood colon cancer life loss recovery reconciliation and reparation It is a perfect companion for those dealing with any of the same issues While the raw honesty is challenging at times THERES A PERSON IN HERE is a quick insightful read that stays with you and is well worth the emotional investment if you are willing to relate one man's very personal struggle toward enlightenment to your own

The Seasoned Life Paul Kasonsole-Mukungu,2016-09-15 This book draws parallels of our human lifespan to that of the weather seasons of spring summer autumn and winter The author assumes the useful years of our being to be eighty He divides these years equally into the four seasons being twenty years each The spring season is viewed to be promissory belonging to the parents or the system that nurtures the young into the confident and independent person of the latter years Come summer we become adults as we reach the peak of our physical growth and energy Autumn in the life of plants is the fall of leaves Likewise humanly red flags start showing up at this time signaling the reality of our mortality From the summer years until somewhere in the winter years we are wired to be productive But it is the winter season that calls for us to be collected and to pass on what we have gathered over the mileage of our lives to those in waiting The author notes that while we all can survive spring summer and autumn we surely go to sleep in winter We never start the cycle all over again At best the winter can be long In other words we can live to around anything past eighty However he

argues that past eighty we live a preventative life pattern The message of the book is that all seasons are beautiful and it is in our interest to take advantage of each season while it lasts *An Angel in Training* John Paul Carinci,2022-05-24 Craig Garnell is a successful thirty five year old CPA and father of two daughters who is shocked to his core when his wife of ten years serves him with divorce papers As his life suddenly turns from happy to a horrifying nightmare Craig seeks advice from his attorney only to be killed when he becomes lost in his thoughts as he leaves his office and walks straight into the path of a cab Met in the hereafter by his chubby English spirit guide Oliver Lloyd Stephenson who passed away in 1833 Craig learns he is still alive and is trapped in the afterlife while his comatose possibly paralyzed body lies in a hospital bed on Earth While pondering his existence Craig is gifted with the privilege to travel back in time and study great men speak with God and even request miracles As he embarks on an introspective journey to hopefully find the answers to all his questions Craig makes a shocking discovery that changes everything *An Angel in Training* is the tale of a young man s journey to the truth after he becomes trapped in the afterlife and accepts an invitation by his spirit guide to study great thinkers and speak to God himself

Political Violence in America Lori Cox Han,Tomislav Han,2022-03-29 This multivolume encyclopedia surveys America s long and troubled history of political violence from the colonial era to the present with a particular emphasis on factors driving political violence and intimidation in the United States in the 21st century Americans like to think of their nation as one grounded in high minded democratic ideals and peaceful transitions of power In reality though American politics has been heavily laced with expressions of violence and intimidation since the nation s very inception which saw a campaign of violent rebellion against British rule Since then America has endured the deaths of four presidents from assassination a four year civil war racist attacks on civil rights activists and ordinary citizens deadly clashes between protesting citizens and law enforcement sustained campaigns of violence against marginalized populations seeking greater political or economic equality politically motivated mass shootings and on January 6 2021 the shocking spectacle of a politically motivated mob attack on the U S Capitol How and why did these events transpire What were the root causes What factors are driving political violence and intimidation in America today And are there changes that we could make to our country s political discourse that would reduce such outbreaks of bloodshed This authoritative multivolume encyclopedia provides answers to all these questions and more
