

Contradictions in national communication/information policies: the Canadian experience

Robin E. Mansell

WILLIAM H. MELODY & ASSOCIATES

Introduction

The conceptualization and implementation of national policy in the communication/information sector becomes increasingly important with each advance towards an integrated international information network. Nations have sought to elaborate policies that will protect and extend possibilities for sovereign economic, political and cultural development. The specific characteristics of self-reliant or autonomous models for development vis-à-vis the information sector vary significantly. But key components include protection from the incursion of foreign transnational corporations (TNCs) and promotion of indigenous hardware and software production capability. The critique of this model offered here focuses on the complexity and contradictions in the process of national policy implementation.¹

The literature addressed to the potential created by information technologies for self-reliant, autonomous or sovereign development has located and exposed a significant barrier to effective national policy implementation. Analysis has revealed that TNCs located in 'centre' nations including the US, Japan and Western Europe, which promote the benefits of the information revolution, attempt to homogenize and integrate the global economic and cultural community to increase sales and profit. The message promoted by the TNCs, offering information technology as the key to advance-

Social Issues and Contradictions in Canadian Society B. Singh Bolaria, 2000 **Social Issues and Contradictions in Canadian Society** B. Singh Bolaria, 1995-01-01 **Dimensions of Inequality in Canada** David A. Green, Jonathan R. Kesselman, 2011-11-01

Is Canada becoming a more polarized society Or is it a kind hearted nation that takes care of its disadvantaged This volume closely examines these differing views through a careful analysis of the causes trends and dimensions of inequality to provide an overall assessment of the state of inequality in Canada Contributors include economists sociologists philosophers and political scientists and the discussion ranges from frameworks for thinking about inequality to original analyses using Canadian data to assessments of significant policy issues methodologies and research directions What emerges is the most detailed picture of inequality in Canada to date and disturbingly one that shows signs of us becoming a less just society An invaluable source of information for policy makers researchers and students from a broad variety of disciplines *Dimensions of Inequality in Canada* will also appeal to readers interested or involved in public debates over inequality

Canadian Social Policy Anne Westhues, 2006-09-20 The objective of this new edition is the same as that of previous editions to help students understand social policy from a Canadian perspective and to stir them to discussion and debate Part One provides a general overview of social policy and Part Two discusses the policy making processes from the international factors that influence them to the ways in which a social worker can become part of this process Part Three focuses on current social policy issues and Part Four offers a look to the future Each chapter of this best selling book has been thoroughly updated for this new edition with regard to current policy debated issues and resources cited Three new chapters have been added including an overview of adult mental health policy and a critical look at risk assessment in child welfare There is also a discussion of current challenges to the Charter of Rights and Canadians increasing use of the justice system to shape social policy As a result the reader gains an informed perspective of policy development and evaluation Although designed primarily for use by social workers the book will benefit anyone who is involved in the policy making process

Aboriginal Voices and the Politics of Representation in Canadian Introductory Sociology Textbooks John Steckley, 2003 The philosophical underpinnings of this textbook make it a most interesting read for scholars of Aboriginal Studies the social sciences humanities and cultural studies and humanistic curriculum development John Steckley's familiarity with and respect for the epistemology of the Huron Mohawk and Ojibwa peoples enlightens and enables his research In this book he provides a critical framework for assessing Aboriginal content in introductory sociology textbooks He defines what is missing from the seventy seven texts included in his study of the manifestation of cultural hegemony in Canadian sociology textbooks This critique is suitable for students and professors of sociology as Dr Steckley addresses the impact of the ellipses from the textbooks they have traditionally used

An Economic Sociology of Immigrant Life in Canada Abdolmohammad Kazemipur, 2004 Not long ago the integration of immigrants in host societies was perceived mostly

in terms of assimilation an overly simplistic scenario based on which immigrants would learn the language and culture of the native population and the rest would just follow However the developments of the past two decades have shown just how complex this process can be This new book shows the diverse experiences of various groups of immigrants This book takes a fresh look at the experiences of immigrants to Canada The contents of the book are based on over five years of research the author has carried out in Canada and elsewhere using a variety of data sources from quantitative census data through specially designed survey information to materials derived from qualitative research The book is structured in such a way that it can be beneficial to a wide range of readers those interested in in depth examination of immigration issues those leaning more towards narrative texts and those looking only for general research trends and theoretical and policy implications Literature The Calm Before the Storm Preparing to Migrate to Canada Haves and Have nots Poverty Experiences of Immigrants The New Kid in Town Neighbourhood Poverty and Economic Performance What You Know and Who You Know Human Capital Social Capital and Immigrant Life Wrap up and Implications References Index Nunavut Ailsa Henderson,2008-07-01 Nunavut Rethinking Political Culture explores the complex processes at work in the generation of political cultures Drawing upon extensive fieldwork and quantitative analysis it provides the first systematic empirical study of political life in Nunavut offering comprehensive analysis of the evolving nature of aboriginal self government in the Arctic and shedding crucial light on Inuit non Inuit relations Political culture in Nunavut has long been characterized by different approaches to political life traditional Inuit attitudes toward governance federal aspirations for the political integration of Inuit and territorial strategies for institutional development Ailsa Henderson links these features to contemporary political attitudes and behaviour concluding that a distinctive political culture is emerging in Nunavut Original and provocative Nunavut explores political attitudes behaviour and institutions in Nunavut before during and after the creation of the new territory challenging our understandings of how political cultures are generated and sustained This book will appeal to political scientists sociologists and others interested in culture and politics Aboriginal studies and northern development **Handbook of Psychosocial Characteristics of Exceptional Children** Vicki L. How Societies Work, 5th Edition Joanne Naiman, 2020-04-28T00:00:00Z In 2011 protesters around the world including Canada called for changes to the societies in which they live Many observers were asking What do they want Some answers to this question can be found in *How Societies Work* a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them In contrast to most introductory textbooks *How Societies Work* explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies Drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them This approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences This extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in Canada and the sudden resurgence of political protest in North America The final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the changing dynamic of global power More boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even more accessible to readers It is an introductory textbook that truly engages students in the sociological imagination This fifth edition is presented in a large format making it easier to read and even more student friendly A testbank and power point presentation are available for instructors upon request

The New African Diaspora in North America Kwadwo Konadu-Agyemang, Baffour K. Takyi, John A. Arthur, 2006-01-01 The *New African Diaspora in North America* brings together sociologists social workers geographers economists anthropologists and others to explore the African immigrant experience from a multi disciplinary perspective The contributors shed light on the factors behind the increasing wave in African immigration to the U S and Canada the socio economic characteristics of African immigrants their spatial distribution obstacles and contributions Despite their increasing presence African immigrant groups in the U S and Canada have engendered relatively little scholarly research on their pre and post migration experience This collection helps fill that void and will be valuable reading for anyone interested in African Diaspora studies

Challenging the Public/private Divide Susan B. Boyd, 1997-01-01 Feminist scholars in disciplines ranging from law to geography challenge our traditional notion of a public private divide in legal and public policy in Canada and internationally

ReThinking DisAbility René Gadacz, 1994 This volume provides case studies of the contemporary independent living disabled consumer movement from the perspective of New Social Movement theory It describes the organizational strategies by which disabled people pursue the goal of integrated community living and focuses on the work of

several movement organizations *Indian Diaspora* ,2008-01-01 Indian Diaspora Social Gerontology Nursing Multiculturalism Education In historic and ethnographic accounts of Indians living in diaspora the elderly seem to receive much less attention than the new generation and its progress prosperity and success Using critical pedagogy approach this book attempts to close that gap by focusing on the voices of the Punjabi Bengali Sindhi and Gujarati diasporic Indians elderly living in five countries Learning to listen to the voices of these seniors may enable professors teachers students policy makers and parents to work towards building democratic societies **Cis Dideen Kat** Jo-Anne Fiske,Betty Patrick,2000 Winner of the 2013 Washington State Book Award in Poetry This book examines the Lake Babine Nation in north central British Columbia considering its traditional legal order and the way that order determines the people s identity and the nature of their involvement in current treaty negotiations Changing relations between the Natives and the Canadian state have resulted in a new awareness of customary legal orders While such orders are often seen as a process by which the state can accommodate diverse approaches to judicial fairness and social justice they also offer the means by which aboriginal nations can maintain their identity by sustaining a moral order in a viable self defined and self governed community For the Lake Babine Nation this moral order is defined by and lived through the feasting complex known as the bahlats or potlatch system Discrimination and Denial Clayton James Mosher,1998-01-01 Champion sprinter Donovan Bailey said it and this book confirms it While racism may not be as blatant in Canada as in the United States it does exist Members of visible minority groups are discriminated against in employment housing and access to public services The increasing visibility of hate groups and calls to restrict immigration mark the growing tension Racist attitudes against Asians and Blacks in particular have seeped into the criminal justice system Ironically since 1960 it has been illegal in Ontario to track crime by race making it difficult for researchers to collect data The media our primary source of information has sensationalized crimes where minority groups are implicated Clayton Mosher uses historical data and media reports to expose racism in Canada s social legal and criminal justice systems He considers the social contexts of discrimination legislation directed against minority groups law enforcement and court outcomes At last we are offered an objective assessment of racism in Canada Discrimination and Denial is essential reading for judges lawyers police officers social policy makers and community leaders Interpretations of recent events such as the shooting of officer Todd Baylis by a fugitive alien and gang style slayings in Toronto s Chinatown are guaranteed to heat up the embers of public debate **First Nations** Vic Satzewich,Terry Wotherspoon,2000 First published in 1993 First Nations Race Class and Gender Relations remains unique in offering systematically from a political economy perspective an analysis that enables us to understand the diverse realities of Aboriginal people within changing Canadian and global contexts The book provides an extended analysis of how changing social dynamics organized particularly around race class and gender relations have shaped the life chances and conditions for Aboriginal people within the structure of Canadian society and its major institutional forms The authors conclude that

prospects for First Nations and Aboriginal people remain uncertain insofar as they are grounded in contradictory social economic and cultural and political realities *Violence in Canada* Jeffrey Ross,2017-09-29 Many people consider Canada particularly in comparison to its southern cousin as a peaceable kingdom However as the historical record demonstrates Canadians have never been a thoroughly non violent people Violence in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place Consisting of thirteen contributions the book forms an indispensable guide to the subject All of the authors are experts in their field many with international reputations and are drawn from the fields of sociology political science history and criminology The foreword by Ted Robert Gurr author of Violence in America is followed by an historical analysis of violence on the Canadian western frontier Other scholars describe contemporary violence by and against indigenous peoples women children and the elderly in labor related disputes homicide police and prison violence terrorism and discuss government responses and policy implications Each chapter specifically addresses the sociological and political dimensions of violence The authors make ample use of statistics and empirical research Jeffrey Ian Ross s introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication Violence in Canada will be of interest to sociologists criminologists and political scientists Jeffrey Ian Ross is an associate professor in the Division of Criminology Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law University of Baltimore His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States He is the author co author editor or co editor of eight books Ted Robert Gurr is Distinguished University Professor at the University of Maryland Among his books are Why Men Rebel and Violence in America **The Politics of Multiculturalism** A. Fleras,2015-10-14 This book develops an account of inclusive multicultural governance which is contrasted with assimilationist and separatist differentialist approaches to the political management of and accommodation of multicultural diversity in liberal democracies
