## **Social Policy In Transition Anglo German Perspectives In The New European Community:**

*Social Policy in Transition* John Ferris, Robert M. Page, 1994 *Ibss: Political Science: 1994* British Library of Political and Economic Science at the London School of Economics, 1995-12-08 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Social Insurance in Europe* Jochen Clasen, 1997 This comprehensive study into one of the central aspects of most welfare states provides a systematic and comparative analysis of social insurance regimes in 10 European countries with very different traditions of welfare **Social Policy in Germany** Jochen Clasen, Richard Freeman (Professor of Social Science and Public Policy), 1994 Describes the political economic ideological and historical context of social policy in Germany followed by the five main areas of social science delivery and a discussion of the relationship between social policy and the major social divisions of race and gender *Citizenship* Ruth Lister, 2003-09 The second edition of this classic text substantially revises and extends the original takes account of theoretical and policy developments and enhances its international scope Drawing on a range of disciplines and literatures the book provides an unusually broad account of citizenship It recasts traditional thinking about the concept and pinpoints important theoretical issues and their political and policy implications for women Themes of inclusion and exclusion at national and international levels rights and participation inequality and difference are thus all brought to the fore in the development of a woman friendly gender inclusive theory and praxis of citizenship Wide ranging stimulating and accessible this is a ground breaking book that provides new insights for both theory and policy **Social Justice, Legitimacy and the Welfare State** Benjamin Veghte, 2016-12-05 Drawing together leading international experts such as Knut Halvorsen Robert Y Shapiro Stefan Svallfors and Wim van Oorschot this volume addresses issues of justice and legitimacy in the context of welfare state transformation The contributors demonstrate that the Western welfare state is not at risk of losing support or encountering fundamental opposition but does face serious challenges including growing social and ethnic diversity new social risks fiscal constraints and contested notions of justice The volume focuses on four main aspects attitude formation in cross national perspective the just distribution of burdens and benefits political factors mediating the effects of social attitudes on public policy and challenges to the welfare state stemming from immigration and ethnic diversity Providing a comparative perspective on the issue Social Justice Legitimacy and the Welfare State makes a significant contribution to the literature on the public standing of the welfare state *Promoting Income Security as a Right* Guy Standing, 2005-03-01 This book is about an idea that has a long and distinguished pedigree the idea of a right to a basic income This means having a modest income guaranteed a right without conditions just as every citizen should have the right to clean water fresh air and a good education *Trading Time* Lee Gregory, 2016-06-01 Welfare reform in the wake of austerity has fostered increased interest in self help initiatives within the community sector Amongst these time banking one of a number of complementary

currency systems has received increasing attention from policy makers as a means for promoting welfare reform This book is the first to look at the concept of time within social policy to examine time banking theory and practice By drawing on the social theory of time to examine the tension between time bank values and those of policy makers it argues that time banking is a constructive means of promoting social change but is hindered by its co option into neo liberal thinking This book will be valuable for academics researchers with an interest in community based initiatives the third voluntary sectors and theoretical analysis of social policy and political ideologies *The Moral Economy of Welfare States* Steffen Mau,2004-06-01 This book investigates why people are willing to support an institutional arrangement that realises large scale redistribution of wealth between social groups of society Steffen Mau introduces the concept of the moral economy to show that acceptance of welfare exchanges rests on moral assumptions and ideas of social justice people adhere to Analysing both the institution of welfare and the public attitudes towards such schemes the book demonstrates that people are neither selfish nor altruistic rather they tend to reason reciprocally **Social Service Abstracts** ,1994 **Current Sociology** ,1952 Includes bibliographies **Bibliographie Internationale de Science Politique** ,1994 Social Security Journal ,1995 *The Oxford Handbook of Lifelong Learning* Manuel London,2011-03-11 The Oxford Handbook of Lifelong Learning is a comprehensive and interdisciplinary examination of the theory and practice of lifelong learning encompassing perspectives from human resources development adult learning psychology career and vocational learning management and executive development cultural anthropology the humanities and gerontology Political Culture in East Central Europe Fritz Plasser,Andreas Pribersky,1996 A review and actual data on the state of political culture in Central Europe in comparison with western Austria and eastern Russia neighbours *Whitaker's Books in Print* ,1998 *The British National Bibliography* Arthur James Wells,2009 *Individual Contracts and Workplace Relations* Andrew Duncan Frazer,Ronald Clive McCallum,Paul Ronfeldt,1997 **Index of Conference Proceedings** British Library. Document Supply Centre,2001

**The Political Economy of the European Social Model** Philip B. Whyman,Mark J. Baimbridge,Andrew Mullen,2012-05-31 This book seeks to analyse the development of the European Union EU which was founded upon the principle of the free movement of capital goods services and people in 1957 Its central thesis is that from a practical and theoretical point of view such a basis is fundamentally at odds with the creation of an interventionist regime that the construction of a social Europe would require The authors argue convincingly that economically the EU does not currently possess the budget or the economic tools to pursue such a strategy politically close to none of the institutions of the EU have backed such a policy practically conservative and neo liberal forces among member states and the institutions of the EU have repeatedly thwarted any moves in this direction In reality the Single Internal Market Economic and Monetary Union enlargement the Lisbon Agenda and European Constitution projects all prioritise supply side measures and expanding the scope of the market rather than the boosting of demand and other economic intervention Consequently constructing a social

Europe in the face of this would appear problematic Hence in both theory and practice the idea that there can be a social Europe vis vis neoliberalisation is a contradiction in terms This controversial book will be an educating and refreshing read for advanced students and academics involved with European politics the European Union European Economics and Economic institutions
