**Society, the Basics** John J. Macionis, 2007      **Annotated Instructors Edition** John J. Macionis, 2002-01-10

**Introduction to Global Social Problems** Isaac Zvi Christiansen, 2025-09-08 Introduction to Global Social Problems introduces undergraduate students to national and international social problems from a critical sociological perspective Isaac Zvi Christiansen presents clear descriptions of each social problem explains key concepts and provides students with the relevant theoretical tools needed to grasp the interconnected nature of these phenomena This volume covers significant and interconnected issues The book begins with an explanation of how corporate interests distort the depiction of social problems Chapters 2 and 3 provide empirical explorations of poverty and inequality on national and global scales together with clear and accessible expositions of relevant sociological theories Chapter 4 examines health and educational inequalities exacerbated by the economic inequalities discussed in Chapters 2 and 3 Chapter 5 introduces students to issues of racial inequalities in the United States and abroad while Chapter 6 takes a comparative approach to examining crime and criminal justice Chapter 7 examines modern day imperialism and war with special attention given to the military industrial complex and a brief review of US interventions around the world in the twentieth and twenty first centuries Chapter 8 examines politics and human rights including a critical historical and sociological analysis of Israeli settler colonialism and successive US Israeli assaults on Gaza The book closes with an examination of population and the environment with special attention given to climate change and the pressing contradictions between capitalism and the environment This textbook will be a vital resource for introductory students across the social sciences especially in sociology political science and global studies It provides critical wraparound coverage of the momentous embedded social problems that interconnect across social national and regional boundaries      *Society* John J. Macionis, 1998      **Annotated Instructor's Edition** Richard T. Schaefer, Robert P. Lamm, 1998      **Service Sociology and Academic Engagement in Social Problems** A. Javier Treviño, Karen M. McCormack, 2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems This volume provides a unique contribution to this approach to sociology exploring the intersection between its role as an academic discipline and its practice in the service of communities and people With both contemporary and historical analyses the book traces the legacy characteristics contours and goals of the sociology of service shedding light on its roots in early American sociology and its deep connections to activism before examining the social context that underlies the call for volunteerism community involvement and non profit organisations as well as the strategies that have promise in remedying contemporary social problems Presenting examples of concrete social problems from around the world

including issues of democratic participation poverty and unemployment student involvement in microlending disaster mitigation the organization and leadership of social movements homelessness activism around HIV AIDS and service spring breaks Service Sociology and Academic Engagement in Social Problems explores the utility of public teaching participatory action research and service learning in the classroom as a contribution to the community *Society* John J. Macionis, 2010-09-23 In *Society The Basics* 11th edition John J Macionis shares his enthusiasm and teaching experience with a clear and engaging approach One of the best selling sociology textbooks of all time *Society The Basics* is designed to help students view their everyday lives through a sociological lens With a complete theoretical framework and a global perspective *Society* offers students an accessible and relevant introduction to sociology *Books a la Carte* All of the same content as the comprehensive text in a convenient three hole punched loose leaf format at a discounted price **Annotated Instructors Edition (Aie Alone) to Accompany Sociology** Schaefer, 2001-05 [Annotated Instructor's Edition](#) Addison-Wesley Longman, Incorporated, 1999-08 **Annotated Instructors Edition to Accompany Wie Bit Te First Year German for Proficiency** William B.
