Society As Educator In An Age of Transition:

Society As Educator in an Age of Transition Kenneth D. Benne, Steven Tozer, 1987 The Eighty Sixth Yearbook of the National Society for the Study of Education Part II Lithuanian Society in Transition Laima Zilinskiene, Sigita Kraniauskiene, Melanie Ilic, 2024-12-31 Lithuanian Society in Transition examines the life experiences formed during the process of post socialist transformation in Lithuania by analysing the peculiarities of the life course of the cohort of young people born between 1980 and 2000 This book considers how various different components of post Soviet system transformation and more recent events such as the COVID 19 pandemic determine youth experiences and how these experiences are reflected in the generations born between 1980 and 2000 It explores how far these generations see themselves as distinct generations with distinctive identities how far any sense of a distinctive identity is based on political criteria or on technological changes demography and lifestyle and how far recent geopolitical events have had an impact on the identities of these younger generations Drawing on detailed evidence from a corpus of specially commissioned life history interviews the individual chapters uncover self reflexive generational identities and set these in the broader context of both specific local generational identities and more global generation identifiers Offering a rich analysis on social change in a key post Soviet country following the collapse of communism this book will be useful for researchers in sociology and social policy history Russia and Former Soviet Union European studies and ethnic studies *Special Education in Contemporary Society* Richard M. Gargiulo - Professor Emeritus, Emily C. Bouck, 2020-01-07 Special Education in Contemporary Society An Introduction to Exceptionality offers a comprehensive engaging and readable introduction to the dynamic field of special education Grounded in research and updated to reflect the most current thinking and standards of the field this book provides students with the knowledge skills attitudes and beliefs that are crucial to constructing learning environments that allow all students to reach their full potential Authors Richard M Gargiulo and Emily C Bouck encourage a deep awareness and understanding of the human side of special education providing students with a look into the lives of exceptional students and their families as well as the teachers that work with exceptional persons throughout their lives The Seventh Edition maintains the broad context and research focus for which the book is known while expanding on current trends and contemporary issues to better serve both pre service and in service teachers of exceptional individuals This title is accompanied by a complete teaching and learning package *Education and Society* Rachel Brooks, 2018-10-04 This new textbook offers a wide ranging discussion of the key debates within the sociology of education Covering everything from policymaking and the curriculum to class ethnicity and gender and the ways that they and other social divisions intersect to produce inequalities this timely publication provides a much needed contribution to the study of education's vital role in contemporary society With examples drawn from such diverse contexts as Australian pre schools Finnish higher education institutions and English further education colleges the text presents students with an international perspective and

encourages them to engage critically with some of the core questions that lie at the heart of the topic what is the purpose of education who decides what formal education entails and what impact does education have on both society and individuals Rachel Brooks s extensive knowledge of decades of scholarly work in education and sociology ensures the book is academically rigorous throughout while the final chapter on emerging educational research means it is fully up to date The text s accessible style is ideally suited to all those new to the topic and studying the sociology of education for the first time whether this be from departments of sociology childhood studies social policy or a range of other social science disciplines
