

The background of the cover features faint, light-colored pencil sketches. At the top, there is a sketch of a face in profile, looking towards the right. Below this, and spanning the width of the cover, are sketches of two hands. The hands are positioned as if they are reaching towards each other or are part of a larger gesture. The sketches are very light and sketchy, blending into the white background.

## **Soundless Roar Stories Poems And Drawings:**

*Soundless Roar* Ava Kadishson Schieber, 2002-05-15 *Soundless Roar* introduces a distinctive new voice to Holocaust literature. Ava Kadishson Schieber, author, poet, and artist, spent her teenage years hiding from the Nazis on a Serbian farm. Her cultured speech and city-bred body language could have betrayed her, so she was forced into near isolation. Schieber began drawing while in hiding and she continues to express herself today with the same urgency. The drawings and writings in *Soundless Roar* are the culmination of many years of artistry. In her work, she shares her memories of loved ones killed in the Holocaust; they are friendly ghosts that will always be a part of her. Schieber's drawings, paintings, poetry, and prose are all intimate reflections of one another. Her experience forged the unusual sense of time that shapes Schieber's stories. In her preface, Phyllis Lassner writes: "The timetable of Ava's stories often consists of circles within circles of patterns of an intertwined past, the past, present of hiding, and the present looking back at those distinctly separate but inseparable pasts."

*Re-examining the Holocaust through Literature* Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s, Holocaust literature emerged as a provocative but poorly defined scholarly field. The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books, fiction, film, and poetry, as well as the more traditional diaries, memoirs, and journals. Ten contributors from four countries engage issues of authenticity, evangelicalism, morality, representation, personal experience, and wish fulfillment in Holocaust literature, which have been the subject of controversies in the US, Europe, and the Middle East. Of interest to students and instructors of antisemitism, national and comparative literatures, theater, film, history, literary criticism, religion, and Holocaust studies, this book also contains an extensive bibliography with references in over twenty languages, which seeks to inspire further research in an international context.

*New Directions in Jewish American and Holocaust Literatures* Victoria Aarons, Holli Levitsky, 2019-02-28 Surveys the current state of Jewish American and Holocaust literatures, as well as approaches to teaching them. What does it mean to read and to teach Jewish American and Holocaust literatures in the early decades of the twenty-first century? New directions and new forms of expression have emerged both in the invention of narratives and in the methodologies and discursive approaches taken toward these texts. The premise of this book is that, despite moving farther away in time, the Holocaust continues to shape and inform contemporary Jewish American writing. Divided into analytical and pedagogical sections, the chapters present a range of possibilities for thinking about these literatures. Contributors address such genres as biography, the graphic novel, alternate history, midrash, poetry, and third generation and hidden child Holocaust narratives. Both canonical and contemporary authors are covered, including Michael Chabon, Nathan Englander, Anne Frank, Dara Horn, Joe Kupert, Philip Roth, and William Styron. The range of critical approaches and authors examined makes this a valuable resource for scholars and teachers. Particularly in this troubling political moment, meditations on the new and continued relevance of Jewish American and Holocaust literatures for scholars, students, and the
