Bringing the Outside in Sara B. Kajder,2006 The reading that we value in school is becoming further and further distanced from the literacy students experience in their outside lives Inside the classroom we ask our students to immerse themselves in print texts and write purposefully Once out the door they are text messaging blogging engaging in online multi player games and expertly integrating words images and music to create original texts Can we import these textual spaces and literacies into English class to help re connect students who don t see themselves as readers and writers English educator Sara Kajder s answer is an emphatic yes and in Bringing the Outside In she demonstrates myriad ways to employ students outside talents in the classroom Drawing on multiple examples of student work she shows how she adapts the

curriculum to incorporate an expanded definition of literacy and literacy tools Sara offers teachers guidance on how to extend their repertoire of teaching strategies and help kids connect their natural curiosity and skills as readers and writers of both print and electronic texts while keeping reading and writing at the center of the curriculum Keying in on the visual aspects of literacy and building upon students growing interest in using words and images from their lives to read and write for authentic reasons and authentic audiences integrating such strategies as digital storytelling visual think alouds visual literature circles and others into English class Sara and her kids redefine what it means to be literate in today s world By adding visual components to class activities and projects integrating tools ranging from pencils and paper to weblogs and wikis even reluctant students can become engaged and see themselves as readers and writers for the first time *Doing More Digital Humanities* Constance Crompton, Richard J. Lane, Ray Siemens, 2019-12-10 As digital media tools and techniques continue to impact and advance the humanities *Doing More Digital Humanities* provides practical information on how to do digital humanities work This book offers A comprehensive practical guide to the digital humanities Accessible introductions which in turn provide the grounding for the more advanced chapters within the book An overview of core competencies to help research teams administrators and allied groups make informed decisions about suitable collaborators skills development and workflow Guidance for individuals collaborative teams and academic managers who support digital humanities researchers Contextualized case studies including examples of projects tools centres labs and research clusters Resources for starting digital humanities projects including links to further readings training materials and exercises and resources beyond Additional augmented content that complements the guidance and case studies in *Doing Digital Humanities* Routledge 2016 *The Memory of Sound* Seán Street, 2014-06-13 This book explores the connections between sound and memory across all electronic media with a particular focus on radio Street explores our capacity to remember through sound and how we can help ourselves preserve a sense of self through the continuity of memory In so doing he analyzes how the brain is triggered by the memory of programs songs and individual sounds He then examines the growing importance of sound archives community radio and current research using GPS technology for the history of place as well as the potential for developing strategies to aid Alzheimer s and dementia patients through audio memory *Best Practices in Writing Instruction* Steve Graham, Charles A. MacArthur, Jill Fitzgerald, 2013-03-19 Highly practical and accessible this indispensable book provides clear cut strategies for improving K 12 writing instruction The contributors are leading authorities who demonstrate proven ways to teach different aspects of writing with chapters on planning revision sentence construction handwriting spelling and motivation The use of the Internet in instruction is addressed and exemplary approaches to teaching English language learners and students with special needs are discussed The book also offers best practice guidelines for designing an effective writing program Focusing on everyday applications of current scientific research the book features many illustrative case examples and vignettes *Puppetry in Education and Therapy* Edited by

Matthew Bernier and Judith O'Hare, 2005-12-29 In *Puppetry in Education and Therapy Unlocking Doors to the Mind and Heart* one finds enormous variety ingenuity and creativity in the types of puppets and the ways they are used in education and in therapy Puppeteers therapists and educators articulate what is meant by puppetry in education and puppet therapy and how it is the same or different from puppet theatre They describe the unique characteristics and theory of puppetry in education and therapy the skills it takes to be successful in these areas the skills that are passed on to people who use puppets for personal expression and how to assess the impact of puppets on learning or behavior change Twenty six authors discuss topics such as puppetry and the multiple intelligences the process versus the product using puppetry in schools to promote literacy preserve cultural heritage and teach music how puppetry contributes to Core Curriculum Standards the theoretical underpinnings of therapeutic puppetry and a range of ways of facilitating growth and development If you re already using puppets this book will inspire you to understand your work differently and to explore new possibilities If you re a teacher or a therapist and you ve never used puppets before it will open a whole world of possibilities This book illustrates that puppetry arts can affect learning and behavior and that puppets indeed have the power to unlock doors to the mind and heart **School Library Journal** ,2002 From Text to Performance Kelly R Iverson, 2015-04-30 For the last two centuries biblical interpretation has been guided by perspectives that have largely ignored the oral context in which the gospels took shape Only recently have scholars begun to explore how ancient media inform the interpretive process and offer an understanding of the Bible The contributors to *From Text to Performance* recognise that the Jesus tradition was a story heard and performed and seek to re evaluate the constituent elements of narrative including characters structure narrator time and intertextuality within this performative context In dialogue with traditional literary approaches these essays demonstrate that an appreciation of performance yields fresh insights distinguishable in many respects from results of literary or narrative readings of the gospels **The Folkloral Voice** Ian William Sewall, 2017-07-12 In this narrative collage of ancient and contemporary storytelling modern theory and personal reflection Ian William Sewall seeks to infuse western pedagogy with a folkloral teaching voice Through multilayered conversations with individuals and groups traditional storytellers teachers children he examines the dynamic nature of oral culture its embodied nature its connection to place and its use of metaphor laughter ethnicity and intergenerational conversation to create unique kinds of interactions and learning Offering storytelling as an ancestral template of good teaching Sewall demonstrates how teachers can use the folkloral voice to inform and transform classroom practice Solutions to GET Smart Book for Class 2 Leena Kapoor, Goyal Brothers Prakashan, 2021-01-01 Goyal Brothers Prakashan
