History of the Punjabees J. N. Nanda, 2010 International Bibliography of Sikh Studies Rajwant Singh Chilana, 2006-01-16 The International Bibliography of Sikh Studies brings together all books composite works journal articles conference proceedings theses dissertations project reports and electronic resources produced in the field of Sikh Studies until June 2004 making it the most complete and up to date reference work in the field today One of the youngest religions of the world Sikhism has progressively attracted attention on a global scale in recent decades An increasing number of scholars is exploring the culture history politics and religion of the Sikhs The growing interest in Sikh Studies has resulted in an avalanche of literature which is now for the first time brought together in the International Bibliography of Sikh Studies This monumental work lists over 10 000 English language publications under almost 30 subheadings each representing a subfield in Sikh Studies The Bibliography contains sections on a wide variety of subjects such as Sikh gurus Sikh philosophy Sikh politics and Sikh religion Furthermore the encyclopedia presents an annotated survey of all major scholarly work on Sikhism and a selective listing of electronic and web based resources in the field Author and subject indices are appended for the reader s convenience History and Culture of Panjab Mohinder Singh, 1988 Contributed articles *Historical Dictionary of Sikhism* Louis E. Fenech, W. H. McLeod, 2014-06-11 Sikhism traces its beginnings to Guru Nanak who was born in 1469 and died in 1538 or 1539 With the life of Guru Nanak the account of the Sikh faith begins all Sikhs acknowledging him as their founder Sikhism has long been a little understood religion and until recently they resided almost exclusively in northwest India Today the total number of Sikhs is approximately twenty million worldwide About a million live outside India constituting a significant minority in the United Kingdom Canada and the United States Many of them are highly visible particularly the men who wear beards and turbans and they naturally attract attention in their new countries of domicile This third edition of Historical Dictionary of Sikhism covers its history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 1000 cross referenced entries on key persons organizations the principles precepts and practices of the religion as well as the history culture and social arrangements This book is an excellent access point for students researchers and anyone wanting to know more about Sikhism *The A to Z of Sikhism* W. H. McLeod, 2009-07-24 Contrary to popular opinion there is more to Sikhism than the distinctive dress First of all there is the emergence of Guru Nanak the founder of Sikhism and the long line of his successors There are the precepts many related to liberation through the divine name or nam There is a particularly turbulent history in which the Sikhs have fought to affirm their beliefs and resist external domination that continues to this day There is also more recently the dispersion from the Punjab throughout the rest of India and on to Europe and the Americas With this emigration Sikhism has become

considerably less exotic but hardly better known to outsiders This reference is an excellent place to learn more about the religion It provides a chronology of events a brief introduction that gives a general overview of the religion and a dictionary with several hundred entries which present the gurus and other leaders trace the rather complex history expound some of the precepts and concepts describe many of the rites and rituals and explain the meaning of numerous related expressions All this along with a bibliography provides readers with an informative and accessible guide toward understanding Sikhism

Time, History and the Religious Imaginary in South Asia Anne Murphy, 2012-03-12 Religious imaginary is a way of conceiving and structuring the world within the conceptual and imaginative traditions of the religious Using religious imaginary as a reference this book analyses temporal ideologies and expressions of historicity in South Asia in the early modern pre colonial and early colonial period Chapters explore the multiple understandings of time and the past that informed the historical imagination in various kinds of literary representations including historiographical and literary texts hagiography and religious canonical literature The book addresses the contributing forces and comparative implications of the formation of religious and communitarian sensibilities as expressed through the imagination of the past and suggests how these relate to each other within and across traditions in South Asia By bringing diverse materials together this book presents new commonalities and distinctions that inform a larger understanding of how religion and other cultural formations impinge on the concept of temporality and the representation of it as history [An Outstanding Original Source of Panjab History: Umdat-ut-tawarikh, Daftar III, Parts I-IV](#) Sohan Lal Suri (Lala), 1961 *Guide to the Sources of Asian History: National archives.
