

"One of the most important books on southern history published during the past decade."
—David Herbert Donald

WILLIAM J. COOPER, JR.

The South and the Politics of Slavery 1828-1856

South And The Politics Of Slavery 1828 1856

William J. Cooper Jr., Thomas E. Terrill

South And The Politics Of Slavery 1828 1856:

The South and the Politics of Slavery, 1828-1856 William J. Cooper, Jr., 1980-06-01 The politics of slavery consumed the political world of the antebellum South Although local economic ethnic and religious issues tended to dominate northern antebellum politics The South and the Politics of Slavery convincingly argues that national and slavery related issues were the overriding concerns of southern politics during these years Accordingly southern voters saw their parties both Democratic and Whig as the advocates and guardians of southern rights in the nation William Cooper traces and analyzes the history of southern politics from the formation of the Democratic party in the late 1820s to the demise of the Democratic Whig struggle in the 1850s reporting on attitudes and reactions in each of the eleven states that were to form the Confederacy Focusing on southern politicians and parties Cooper emphasizes their relationship with each other with their northern counterparts and with southern voters and he explores the connections between the values of southern white society and its parties and politicians Based on extensive research in regional political manuscripts and newspapers this study will be valuable to all historians of the period for the information and insight it provides on the role of the South in politics of the nation during the lifespan of the Jacksonian party system

The South and the Politics of Slavery, 1828-1856 William J. Cooper, Jr., 1980-06-01 The politics of slavery consumed the political world of the antebellum South Although local economic ethnic and religious issues tended to dominate northern antebellum politics The South and the Politics of Slavery convincingly argues that national and slavery related issues were the overriding concerns of southern politics during these years Accordingly southern voters saw their parties both Democratic and Whig as the advocates and guardians of southern rights in the nation William Cooper traces and analyzes the history of southern politics from the formation of the Democratic party in the late 1820s to the demise of the Democratic Whig struggle in the 1850s reporting on attitudes and reactions in each of the eleven states that were to form the Confederacy Focusing on southern politicians and parties Cooper emphasizes their relationship with each other with their northern counterparts and with southern voters and he explores the connections between the values of southern white society and its parties and politicians Based on extensive research in regional political manuscripts and newspapers this study will be valuable to all historians of the period for the information and insight it provides on the role of the South in politics of the nation during the lifespan of the Jacksonian party system

The South and the politics of slavery, 1828-1856 William James Cooper, 1978 *Liberty and Slavery* William J. Cooper, Jr., 2021-04-16 Explores the South s paradoxical devotion to liberty and the practice of slavery The recipient of high praise and considerable debate for its provocative thesis William J Cooper Jr s sweeping survey of antebellum southern politics returns to print for classroom and general use with this new paperback volume In *Liberty and Slavery* Cooper contends that southerners defined their notions of liberty in terms of its opposite slavery He suggests that a jealous guardianship of the peculiar institution unified white southerners of differing economic social and religious standing and

grounded their debates on nationalism and sectionalism agriculture and manufacturing territorial expansion and Western settlement Cooper assesses how the South's devotion to liberty shaped its response to major legislation judicial decisions and military actions and how abolitionism in the eyes of white southerners threatened the destruction of local control and the death of liberty

Dred Scott and the Politics of Slavery Earl M. Maltz, 2007 Closely examines one of the Supreme Court's most infamous decisions that went far beyond one slave's suit for freeman status by declaring that ALL blacks freemen as well as slaves were not and never could become U S citizens bringing an end to the 1820 Missouri Compromise while also resulting in the outrage that led to the Civil War

Jefferson Davis and the Civil War Era William J. Cooper, Jr., 2013-01-02 In his masterpiece Jefferson Davis American William J Cooper Jr crafted a sweeping definitive biography and established himself as the foremost scholar on the intriguing Confederate president Cooper narrows his focus considerably in Jefferson Davis and the Civil War Era training his expert eye specifically on Davis's participation in and influence on events central to the American Civil War Nine self contained essays address how Davis reacted to and dealt with a variety of issues that were key to the coming of the war the war itself or in memorializing the war sharply illuminating Davis's role during those turbulent years Cooper opens with an analysis of Davis as an antebellum politician challenging the standard view of Davis as either a dogmatic priest of principle or an inept bureaucrat Next he looks closely at Davis's complex association with secession which included surprisingly a profound devotion to the Union Six studies explore Davis and the Confederate experience with topics including states rights the politics of command and strategic decisions Davis in the role of war leader the war in the West and the meaning of the war The final essay compares and contrasts Davis's first inauguration in Montgomery Alabama in 1861 with a little known dedication of a monument to Confederate soldiers in the same city twenty five years later In 1886 Davis an old man of seventy eight and in poor health had himself become a living monument Cooper explains and was an essential element in the formation of the Lost Cause ideology Cooper's succinct interpretations provide straightforward compact and deceptively deep new approaches to understanding Davis during the most critical time in his life Certain to stimulate further thought and spark debate Jefferson Davis and the Civil War Era offers rare insight into one of American history's most complicated and provocative figures

The Counterrevolution of Slavery Manisha Sinha, 2003-06-19 In this comprehensive analysis of politics and ideology in antebellum South Carolina Manisha Sinha offers a provocative new look at the roots of southern separatism and the causes of the Civil War Challenging works that portray secession as a fight for white liberty she argues instead that it was a conservative antidemocratic movement to protect and perpetuate racial slavery Sinha discusses some of the major sectional crises of the antebellum era including nullification the conflict over the expansion of slavery into western territories and secession and offers an important reevaluation of the movement to reopen the African slave trade in the 1850s In the process she reveals the central role played by South Carolina planter politicians in developing proslavery ideology and the use of states rights and constitutional theory for the defense of

slavery Sinha's work underscores the necessity of integrating the history of slavery with the traditional narrative of southern politics Only by taking into account the political importance of slavery she insists can we arrive at a complete understanding of southern politics and the enormity of the issues confronting both northerners and southerners on the eve of the Civil War

Conflict and Compromise Roger L. Ransom, 1989-09-29 In this book Professor Roger Ransom examines the economic and political factors that led to the attempt by Southerners to dissolve the Union in 1860 and the equally determined effort of Northerners to preserve it Ransom argues that the system of capitalist slavery in the South not only caused the Civil War by producing tensions that could not be resolved by compromise it also played a crucial role in the outcome of that war by crippling the southern war effort at the same time that emancipation became a unifying issue for the North Ransom also carefully examines the impact that four years of war and the emancipation of slaves had both on the defeated South and the victorious North From publisher's description

The Invincible Duff Green W. Stephen Belko, 2006 Drawing on previously unexploited primary sources Belko illuminates the wide ranging influence of Duff Green as land speculator entrepreneur lawyer militia officer politician and newspaper editor Disputing common assumption Green is portrayed as a political moderate and independent westerner who played a fundamental role in the shaping of Jacksonian America Provided by publisher

Evil Necessity Harold D. Tallant, 2014-07-11 In Kentucky the slavery debate raged for thirty years before the Civil War began While whites in the lower South argued that slavery was good for master and slave many white Kentuckians maintained that because of racial prejudice public safety and property rights slavery was necessary but undeniably evil Harold D Tallant shows how this view bespoke a real ambivalence about the desirability of continuing slavery in Kentucky and permitted an active abolitionist movement in the state to exist alongside contented slaveholders Though many Kentuckians were increasingly willing to defend slavery against northern opposition they did not always see this defense as their first political priority Tallant explores the way in which the disparity between Kentuckians ideals and their actions helped make Kentucky a quintessential border state

North Over South Susan-Mary Grant, 2000 This text argues that the Civil War truly formed the American nation and that the antebellum period was the crucial phase of American national construction Grant focuses on a Northern nationalism based on an opposition to things Southern and links national construction with European nationalism

Willie Mangum and the North Carolina Whigs in the Age of Jackson Benjamin L. Huggins, 2016-05-22 In the 1820s young congressman Willie Mangum imbibed the political philosophy of North Carolina's senior senator Nathaniel Macon the prophet of pure republicanism From his election in 1824 Mangum was at the epicenter of national and state government In the 1830s he emerged as leader of an opposition party the Whigs and became an opponent of Andrew Jackson and his Democratic Party Mangum's career offers insight into the ideology and politics of North Carolina's Whigs Opposition to executive power was fundamental to the Whig platform but in North Carolina the party was a coalition that melded the Old Republicans creed with the National Republican economic agenda touted by Henry Clay

a combination that enabled them to dominate Mangum and the Carolina Whigs have received little attention from scholars This book traces their rapid rise to power and their even more rapid fall in the years prior to the Civil War

A Companion to the American South John B. Boles, 2008-04-15 A Companion to the American South surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns

The Presidency and the Politics of Racial Inequality Russell Lowell Riley, Russell Lynn Riley, 1999 The U S occupation of Japan transformed a brutal war charged with overt racism into an amicable peace in which the issue of race seemed to have disappeared During the Occupation the problem of racial relations between Americans and Japanese was suppressed and the mutual racism transformed into something of a taboo so that the two former enemies could collaborate in creating democracy in postwar Japan In the 1980s however when Japan increased its investment in the American market the world witnessed a revival of the rhetoric of U S Japanese racial confrontation Koshiro argues that this perceived economic aggression awoke the dormant racism that lay beneath the deceptively smooth cooperation between the two cultures This pathbreaking study is the first to explore the issue of racism in U S Japanese relations With access to unexplored sources in both Japanese and English Koshiro is able to create a truly international and cross cultural study of history and international relations

A Companion to the Civil War and Reconstruction Lacy Ford, 2011-03-21 A Companion to the Civil War and Reconstruction addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions on scholarly advances in U S Civil War history

The American South William J. Cooper Jr., Thomas E. Terrill, 2008-10-23 In *The American South A History* Fourth Edition William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the South from the history of the United States The authors analysis underscores the complex interaction between the South as a distinct region and the South as an inescapable part of America Cooper and Terrill show how the resulting tension has often propelled section and nation toward collision In supporting their thesis the authors draw on the tremendous amount of profoundly new scholarship in Southern history Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South s unanticipated role in the 2008 presidential primaries

A Union Indivisible Michael D. Robinson, 2017-10-03 Many accounts of the secession crisis overlook the sharp political conflict that took place in the Border South states of Delaware Kentucky Maryland and Missouri Michael D Robinson

expands the scope of this crisis to show how the fate of the Border South and with it the Union desperately hung in the balance during the fateful months surrounding the clash at Fort Sumter. During this period, Border South politicians revealed the region's deep commitment to slavery, disputed whether or not to leave the Union, and schemed to win enough support to carry the day. Although these border states contained fewer enslaved people than the eleven states that seceded, white border Southerners chose to remain in the Union because they felt the decision best protected their peculiar institution. Robinson reveals anew how the choice for union was fraught with anguish and uncertainty, dividing families and producing years of bitter internecine violence. Letters, diaries, newspapers, and quantitative evidence illuminate how, in the absence of a compromise settlement, proslavery Unionists managed to defeat secession in the Border South.

Creating Citizenship in the Nineteenth-Century South William A. Link, David Brown, Brian E. Ward, Martyn Bone, 2018-02-19

This is a remarkable collection of essays. Citizenship clearly forms the backbone for these investigations, but the range of the contributors' backgrounds in terms of disciplinary training and the approaches they take to the question makes this collection both broad and deep. As it turns out, there is no other way to tackle a concept as central but also as slippery as citizenship. A shorter or more focused collection would miss the nuances and insights that this one offers.

Aaron Sheehan, Dean, author of *Why Confederates Fought: Family and Nation in Civil War Virginia*. President Obama's citizenship continues to be questioned by the birthers. The Cherokee Nation has revoked tribal rights from descendants of Cherokee slaves, and Parliament in the U.K. is debating citizenship education. It is in both this broader context and in the narrower academic one that *Creating Citizenship in the Nineteenth-Century South* stands as a smart, exciting, and most welcome contribution to southern history and southern studies.

Michele Gillespie, author of *Katharine*, and R. J. Reynolds, *Partners of Fortune and the Making of the New South*. Combining historical and cultural studies perspectives, eleven well-crafted essays and a provocative epilogue engage the economic, political, and cultural dynamics of race and belonging from the era of enslavement through emancipation, reconstruction, and the New South.

Nancy A. Hewitt, author of *Southern Discomfort*. More than merely legal status, citizenship is also a form of belonging, shaping individual and group rights, duties, and identities. The pioneering essays in this volume are the first to address the evolution and significance of citizenship in the American South during the long nineteenth century. They explore the politics and contested meanings of citizenry from a variety of disciplinary perspectives in a tumultuous period when slavery, Civil War, Reconstruction, and segregation redefined relationships between different groups of southern men and women, both black and white.

Why the Civil War Came Gabor S. Boritt, 1997-05-29

In the early morning of April 12, 1861, Captain George S. James ordered the bombardment of Fort Sumter, beginning a war that would last four horrific years and claim a staggering number of lives. Since that fateful day, the debate over the causes of the American Civil War has never ceased. What events were instrumental in bringing it about? How did individuals and institutions function? What did Northerners and Southerners believe in the decades of strife preceding the war? What steps did they take to avoid war? Indeed

was the great armed conflict avoidable at all Why the Civil War Came brings a talented chorus of voices together to recapture the feel of a very different time and place helping the reader to grasp more fully the commencement of our bloodiest war From William W Freehling s discussion of the peculiarities of North American slavery to Charles Royster s disturbing piece on the combatants savage readiness to fight the contributors bring to life the climate of a country on the brink of disaster Mark Summers for instance depicts the tragically jubilant first weeks of Northern recruitment when Americans on both sides were as yet unaware of the hellish slaughter that awaited them Glenna Matthews underscores the important war catalyzing role played by extraordinary public women who proved that neither side of the Mason Dixon line was as patriarchal as is thought David Blight reveals an African American world that knew what time it was and welcomed war And Gabor Boritt examines the struggle s central figure Lincoln himself illuminating in the years leading up to the war a blindness on the future president s part an unwillingness to confront the looming calamity that was about to smash the nation asunder William E Gienapp notes perhaps the most unsettling fact about the Civil War that democratic institutions could not resolve the slavery issue without resorting to violence on an epic scale With gripping detail Why the Civil War Came takes readers back to a country fraught with bitterness confusion and hatred a country ripe for a war of unprecedented bloodshed to show why democracy failed and violence reigned

The American Civil War Steven E. Woodworth, 1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience

Reviewing **South And The Politics Of Slavery 1828 1856**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**South And The Politics Of Slavery 1828 1856**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. South And The Politics Of Slavery 1828 1856 Introduction

South And The Politics Of Slavery 1828 1856 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. South And The Politics Of Slavery 1828 1856 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. South And The Politics Of Slavery 1828 1856 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for South And The Politics Of Slavery 1828 1856 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks South And The Politics Of Slavery 1828 1856 Offers a diverse range of free eBooks across various genres. South And The Politics Of Slavery 1828 1856 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. South And The Politics Of Slavery 1828 1856 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific South And The Politics Of Slavery 1828 1856, especially related to South And The Politics Of Slavery 1828 1856, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to South And The Politics Of Slavery 1828 1856, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some South And The Politics Of Slavery 1828 1856 books or magazines might include. Look for these in online stores or libraries. Remember that while South And The Politics Of Slavery 1828 1856, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow South And The Politics Of Slavery 1828 1856 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the South And The Politics Of Slavery 1828 1856 full book , it can give you a taste

of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of South And The Politics Of Slavery 1828 1856 eBooks, including some popular titles.

FAQs About South And The Politics Of Slavery 1828 1856 Books

1. Where can I buy South And The Politics Of Slavery 1828 1856 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a South And The Politics Of Slavery 1828 1856 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of South And The Politics Of Slavery 1828 1856 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are South And The Politics Of Slavery 1828 1856 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or

community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read South And The Politics Of Slavery 1828 1856 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
