South Asian Strategic Issues Sri Lankan Perspectives

Raj Kumar Singh

South Asian Strategic Issues Sri Lankan Perspectives:

South Asian Strategic Issues Shelton U. Kodikara, 1990 Sri Lanka's political position in the South Asian states system has undergone fundamental changes in recent years. This is partly a result of ethnic tension on the island, its strategic importance to India and international and regional politics. From a Sri Lankan perspective, this book examines these political changes. The contributors provide fresh insights into such topics as the Indo Sri Lankan Agreement of July 1987, the strategic parameters in the South Asian region, Sri Lanka's present status and its future prospects. *South Asian Strategic Issues* is a timely and important book that will interest students, scholars and professionals in political science, international relations and developmental studies.

Military Intervention and Secession in South Asia Anne N. Dos Santos, 2007-10-30 From Chechnya in Russia to Kashmir in India to the Basque region in Spain, secessionist movements remain a serious threat to international security. Despite the importance of this issue, the causes that bring about external military intervention in a secessionist war have not until now been adequately addressed. In this book, Dos Santos identifies the conditions that make international military intervention in a secessionist war more or less likely. South Asia, being fraught with secessionist movements, Bangladesh, Sri Lanka, Kashmir and Punjab provides an ideal laboratory for the examination of this compelling issue. Dos Santos argues that a shift in the balance of power between a secessionist group and its central government will lead to a preventive war on the secessionists by the central government. In turn, a preventive war of this nature may lead to an alliance between the secessionist group and an external power. The stronger the alliance, the greater the chances of an international military intervention. Understanding the conditions under which secessionist movements expand, become secessionist wars and invite international military intervention on behalf of the secessionists has strong policy implications. It can go a long way toward guiding policymakers who may want to mitigate or avoid these conditions in their states. Dos Santos views both states and secessionist groups as primary actors and she examines both the distribution of power among states and the balance of power between central government and groups within states.

Ethnic Conflict in Sri Lanka and Role of Indian Peace Keeping Force (IPKF) P. A. Ghosh, 1999 *India's Sri Lanka Policy* Vinod Khobragade, 2023-06-09 This book focuses on India's foreign policy towards Sri Lanka before the Indo Sri Lanka Accord (ISLA) in July 1987 and India's military intervention after the ISLA. The post-intervention developments brought strategic changes in India's Sri Lanka policy. However, after leadership change in both the countries, India confined its policy to moral support and decided to abstain from direct intervention or involvement in Sri Lanka's domestic politics. After the demise of the LTTE and its leadership in 2009, India played a constructive role in rebuilding infrastructure in Sri Lanka. The book also focuses on the developments of the relationships between India and Sri Lanka in the post-IPKF period and the bilateral developments in the Post-LTTE periods. Print edition not for sale in South Asia, India, Sri Lanka, Nepal, Bangladesh, Pakistan and Bhutan.

Separatist Violence in South Asia Matthew J. Webb, 2016-10-04 Since decolonization began in the late 1940s, a series of

often lengthy and destructive separatist insurgencies have imposed severe financial economic and human costs upon the states of South Asia Whereas previous analyses of these conflicts have typically focussed upon the parent state or separatist group as the relevant unit of analysis this book adopts a broader framework arguing that separatism cannot be understood in isolation from the concept of state sovereignty This book explores the motives tactics successes and failures of South Asia s separatist movements by deconstructing sovereignty into its constituent components and offers an explanation for why separatism but not political violence has recently declined in the region Taking a comparative explanatory viewpoint it offers a comprehensive review of relevant explanatory theories dominant in the scholarly literature on separatism and an examination of their application to the South Asian states of India Pakistan Sri Lanka and Bangladesh As a thought provoking discussion of statehood and sovereignty this book will be of interest to students of political theory comparative politics international relations and South Asian politics

The Separatist Conflict in Sri Lanka Asoka Bandarage,2008-11-19 The book provides a detailed historically based analysis of the origin evolution and potential resolution of the civil conflict in Sri Lanka over the struggle to establish a separate state in its Northern and Eastern provinces This conflict between the Sri Lankan government and the secessionist LTTE Liberation Tigers of Tamil Eelam is one of the world s most intractable contemporary armed struggles The internationally banned LTTE is considered the prototype of modern terrorism It is known to have introduced suicide bombing to the world and recently became the first terrorist organization ever to acquire an air force The iron law of ethnicity the assumption that cultural difference inevitably leads to conflict has been reinforced by the 9 11 attacks and conflicts like the one in Sri Lanka However the connections among ethnic difference conflict and terrorism are not automatic This book broadens the discourse on the separatist conflict in Sri Lanka by moving beyond the familiar bipolar Sinhala versus Tamil ethnic antagonism to show how the form and content of ethnicity are shaped by historical social forces It develops a multipolar analysis which takes into account diverse ethnic groups intra ethnic social class caste and other variables at the local regional and international levels Overall this book presents a conceptual framework useful for comparative global conflict analysis and resolution shedding light on a host of complex issues such as terrorism civil society diasporas international intervention and secessionism

South Asia Security Manan Dwivedi,2009 The academic work titled as South Asia Security is a honest striving to delve into the notion of security in the South Asian Region which is under the arc of the Indian subcontinent The Book objectifies the differentiation between the traditional and convention notions of security which is avowedly power centric with the new tenet of Comprehensive Human security which entails the concerns of sustainable development Human Rights Gender Empowerment along with the notions of Globalization and all pervading tenet of Interdependence with the advent of neo liberal institutionalism The book aims to posit the traditional bilaterals in the South Asian firmament in the larger than life matrix of new age convergence and Interdependence

Regional Peacekeeping in the Post-Cold War Era Hilaire McCoubrey,Justin Morris,2021-09-06 *Contemporary India with*

Controversial Neighbours Raj Kumar Singh, 2011

Sri Lankan Tamil Nationalism A. Jeyaratnam Wilson, Alfred

Jeyaratnam Wilson, 2000 Through a succession of key stages since Sri Lanka formerly Ceylon became independent in 1948 its Tamil minority historically concentrated in the north and east but with an important segment in Colombo became alienated from the Sinhalese majority and after peaceful opposition failed to secure its rights resorted to an armed struggle The Tamil Tigers LTTE today appear to hold the key to their people's future While they have suffered setbacks including the loss of the Tamil capital Jaffna they remain a potent guerrilla force able to strike with impunity at both military and civilian targets The Tigers grip on the Tamil population seems secure as does their overseas support and funding from Tamil exiles in Britain Canada and Australia This book offers a concise history of the Sri Lankan Tamil nation its culture social make up and political evolution In a final chapter A J V Chandrakanthan gives a first hand account of life and attitudes inside the embattled Tamil areas today A Jeyaratnam Wilson teaches in the Department of Political Science at the University of New Brunswick He is the author of *The Break Up of Sri Lanka* and S J V Chelvanayakam and the *Crisis of Sri Lankan Tamil Nationalism* A J V

Chandrakanthan teaches in the Department of Theology at Concordia University Montreal *The Territorial Management of Ethnic Conflict* John Coakley, 2003 This book makes a comparative study of ethno national mobilization and territory and corresponding government policies through a series of selected case studies It examines the role of ethnic groups in dissolving and reconfiguring the state and the institutional options available for dealing with ethnic claims It does this through a systematic qualitative analysis from a range of countries in which in varying degrees territorial solutions to ethnic conflict have been contemplated Sound policies aimed at mitigating ethnic tensions whether partition territorial or cultural autonomy or limited home rule must be tailored to its ethnic reality The contributors to this volume begin each case study with an overview of the ethnic problem relevant to the country analyze its historical roots examine the range of strategies on which the state authorities responded and assess the importance of the issue of territory Each case study is accompanied by a map that shows the distribution of selected groups in terms of standard bands of intensity

International Relations Theory and South Asia (OIP) E. Sridharan, 2014-11-13 Drawing upon international relations theory this volume conceptualizes possible solutions to the various conflicts in South Asia It analyses the bilateral conflicts between India and Pakistan and other multilateral problems specific to this region Bringing together scholarship from several South Asian countries it offers a well rounded formulation of conflict resolution and cooperation building The volume employs a strong theoretical rubric empirical research and exhaustive fieldwork Its centralizing approach to sustain the diversity of perspectives and arguments makes it an indispensable contribution to strategic studies

Sri Lanka Journal of International Law, 2000

South Asia in World Politics Devin T. Hagerty, 2005-03-11 South Asia in World Politics offers a comprehensive introduction to the politics and international relations of South Asia a key area encompassing the states of Afghanistan Bangladesh Bhutan India the Maldives Nepal Pakistan and Sri Lanka While U S interest has long been sporadic and reactive 9 11 alerted Washington

that paying only fitful attention to one of the world's most volatile and populous regions was a recipe for everyday instability repeated international crises major and minor wars and conditions so chronically unsettled that they continue to provide a fertile breeding ground for transnational Islamic terrorism Exploring the many facets of this dynamic region the book also assesses U S policy toward Afghanistan and explains the importance of Bangladesh and Pakistan two of only a handful of Islamic states with significant track records as democracies

Decolonising Peacebuilding Chamindra Weerawardhana, 2019-01-08 Exploring the conflict management trajectories of Northern Ireland and Sri Lanka this book engages in a discussion that highlights the importance of decolonising approaches to peacebuilding and conflict management in deeply divided societies Existing knowledge on the topic is largely produced in the Western academy using global North centric approaches This book written by a researcher from the global South who navigates the political life of a deeply divided society in Western Europe begins a conversation on a new 21st century re conceptualization of ethno national conflict in deeply divided societies based on a paradigm of decolonising This book will appeal to policymakers and practitioners in peacebuilding and related areas worldwide and students of peace and conflict studies as well as a general readership with an interest in decolonial approaches to world politics

Bangladesh, India & Pakistan K. Jacques, 1999-12-14 This book provides a broad analytical study of Bangladesh's relationship with India and Pakistan between 1975 and 1990 Bangladesh's role in South Asian international relations has tended to be overlooked and underestimated The book reveals the complexity of the relationship between Bangladesh India and Pakistan

Security Dilemma of a Small State: Internal crisis and external intervention in Sri Lanka P. V. J. Jayasekera, 1995 Research conducted by the Institute for International Studies Peradeniya Sri Lanka

Indo-Bangladesh Relations P. Sukumaran Nair, 2008

Indian Perspective on China Mr D S Rajan, 2013-03-15 What are the implications of a rapidly rising China for India and the rest of the world How will the Sino Indian relations unfold in the future What are India's options These questions were addressed in our first volume published in 2010 by writers who included former senior civil servants academicians and military experts Continuing the effort are writers to the second volume and we are sure that their findings will be useful to the policy planners as well as the research scholars both in the country and abroad The scholars of the Chennai Centre for China Studies C3S a non profit public policy think tank in Chennai devoted exclusively to China Studies focus on analysis of contemporary economic political strategic and international issues relating to China Its website www.c3sindia.org provides a forum for specialists in India and abroad to closely examine the relevant issues

International Society and the De Facto State Scott Pegg, 2019-12-16 Originally published in 1998 International Society and the De Facto Society explores the phenomenon of de facto statehood in contemporary international relations The de facto state is almost the inverse of what Robert Jackson has termed the quasi state The quasi state has an ambassador a flag and a seat at the United Nations but it does not function positively as a viable governing entity Its limitations though do not detract from sovereign legitimacy The de facto state on the other hand lacks

legitimacy yet effectively controls a given territorial area and provides governmental services to a specific population The book engages in a birth life and death or evolution examination of the de facto state

South Asian Strategic Issues Sri Lankan Perspectives Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free South Asian Strategic Issues Sri Lankan Perspectives PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free South Asian Strategic Issues Sri Lankan Perspectives PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of South Asian Strategic Issues Sri Lankan Perspectives free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About South Asian Strategic Issues Sri Lankan Perspectives Books

1. Where can I buy South Asian Strategic Issues Sri Lankan Perspectives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
