volcanogenic deposits of economic interest are tungsten molybdenum tin bismuth base metal deposits in highly altered rhyolitic sub volcanic complexes at Mount Pleasant New Brunswick Another paper reviews the mineral occurrences in southern Africa that include stratiform non magmatic ore deposits The paper considers a subdivision of deposits formed from surficial chemical processes during previous or current cycles of weathering and erosion Many ore bodies have a dual origin for example the iron in the high grade hematite deposits is partly syngenetic and partly epigenetic The paper also illustrates the time dependence of some stratiform ore deposits in southern Africa in a schematic diagram Geologists researchers or engineers whose works are related with ore deposits and mining will benefit tremendously from the collection *Northern Europe Including Examples from the USSR in Both Europe and Asia* Bozzano G Luisa, 2013-10-22 Provides bibliographic and textual information about the principal ore deposits of Northern Europe plus descriptions of 30 selected deposits from the USSR Each deposit is introduced by a selected bibliography listing the most important literature followed by a reasonably detailed discussion covering geological characteristics and how the deposit was formed The general bibliographic introduction to Ireland Sweden and Finland covers many deposits with insufficient literature to justify separate coverage

Great Britain. Parliament. House of Commons. Transport Committee, 2008 The White Paper Delivering a sustainable railway

Cm 7176 ISBN 9780101717625 published on July 2007 and set the Government's general vision for the railways for the next thirty years. Network Rail's engineering overruns at New Year 2008 caused tremendous inconvenience to passengers across the country and inevitably shaped the Committee's oral evidence sessions. The Committee's investigation along with analyses from the Office of Rail Regulation (ORR) have led them to believe that the engineering overruns are symptomatic of crucial system flaws which have to be resolved if there is to be any hope of getting a sustainable railway as promised in the White Paper. This report covers both subjects. *Report of the ... and ... Meetings of the British Association for the Advancement of Science*. British Association for the Advancement of Science. Meeting, 1917.
