**South Asia in a Changing International Order** Gowher Rizvi, 1993      India and Southeast Asia in a Changing World Shailza Singh, Philip Varghese, Shalini Balaiah, Sarish Sebastian, 2024-12-16 This book presents a comprehensive analysis of India's relationship with the Southeast Asian nations in the context of the changing dynamics of international relations and the emergence of Indo Pacific as the theatre of world politics. It covers a wide range of themes from strategic to political, economic, diplomatic and security aspects and assesses how India's redefining of its role in world politics unfolds through its posture towards the Southeast Asian region. The volume will be of great interest to scholars and researchers of Asian studies, both South Asian and Southeast Asian studies and politics and international relations. It will also be useful for public policy analysts and think tanks and policymakers.

**Southeast Asia in the New World Order** Bruce Burton, David Wurfel, 2016-07-27 This multi-authored book looks at one of the most dynamic regions of the Third World within the context of the rapidly changing international system of the 1990s. Among the many themes it explores are ASEAN's new political roles and new modes of economic cooperation, the growing importance of ecological and human rights issues, the policies of the major external powers towards the region, the Cambodian and Spratly conflicts and the relevance of Southeast Asian experience in the New World Order to the ongoing theoretical debates about democracy, the market, the state and multilateralism.

*The Changing Global Order* Madeleine O. Hosli, Joren Selleslaghs, 2019-11-22 This volume offers a comprehensive evaluation of the concept of global order with a particular emphasis on the role of regional organisations within global governance institutions such as the United Nations. Building from a solid theoretical base, it draws upon the expertise of numerous leading international scholars, offering a broad array of timely and relevant case studies. These all take into consideration the historical setting before analysing the contemporary situation and offering suggestions for potential realignments and readjustments that may be witnessed in the future. The volume adopts an interdisciplinary approach when addressing some of the most pressing issues of global governance which our global community must tackle. This presents the readers an opportunity to understand related topics such as political economy, international law, institutions of global governance in conjunction with the academic field of International Relations (IR). It further helps students and interested readers understand the theoretical and practical foundations to the changing nature of global affairs.

**Nuclear Deterrence in Southern Asia** Arpit Rajain, 2005-05 This important and topical book examines the triangular relationship of China, India and Pakistan through the prism of nuclear deterrence. The author highlights the interplay and role of strategic culture, nuclear weaponisation and deployment, command and control, arms control, non-state actors and foreign policy issues which affect relations between the three countries. With two main purposes, a conceptual investigation into the notion of deterrence and a study of the theory and practice of limited war, this book addresses the strategic, political and military dimensions of the role of nuclear weapons through examples of the only cases of nuclear weapon states having gone into

organization that reflects indigenous traditions Although Acharya deploys the notion of imagined community to examine the changes especially since the Cold War in the significance of ASEAN dealings for a regional identity he insists that imagination is itself not a neutral but rather a culturally variable concept The regional imagination in Southeast Asia imagines a community of nations different from NAFTA or NATO the OAU or the European Union In this new edition of a book first published as *The Quest for Identity* in 2000 Acharya updates developments in the region through the first decade of the new century the aftermath of the financial crisis of 1997 security affairs after September 2001 the long term impact of the 2004 tsunami and the substantial changes wrought by the rise of China as a regional and global actor Acharya argues in this important book for the crucial importance of regionalism in a different part of the world *The Kashmir Conflict* Rakesh Ankit, 2016-06-17 This book presents a study of the international dimensions of the Kashmir dispute between India and Pakistan from before its outbreak in October 1947 until the Tashkent Summit in January 1966 By focusing on Kashmir's under researched transnational dimensions it represents a different approach to this intractable territorial conflict Concentrating on the global context in which the dispute unfolded it argues that the dispute's evolution was determined by international concerns that existed from before and went beyond the Indian subcontinent Based on new and diverse official and personal papers across four countries the book foregrounds the Kashmir dispute in a twin setting of Decolonisation and the Cold War and investigates the international understanding around it within the imperatives of these two processes In doing so it traces Kashmir's journey from being a residual irritant of the British Indian Empire to becoming a Commonwealth embarrassment and its eventual metamorphosis into a security concern in the Cold War climate's A princely state of exceptional geo strategic location complex religious composition and unique significance in the context of Indian and Pakistani notions of nation and statehood Kashmir also complicated their relations with Britain the United States Soviet Union China the Commonwealth countries and the Afro Arab Asian world This book is of interest to scholars in the field of Asian History Cold War History Decolonisation and South Asian Studies **Muddy Boots & Smart Suits** Nicholas Farrelly, 2017-04-17 From grassroots conflicts to great power relations this book explores some of the key concepts methodologies and dilemmas of researching Asia Pacific affairs The book deals with key questions about the Asia Pacific Why should we study policy from the ground up What are the human considerations for societies in conflict Why is regionalism important and how do global powers play a role Should Asia Pacific researchers embrace the design based revolution in the social sciences *Muddy Boots and Smart Suits* is for students scholars and policymakers in the region looking for a new way to understand local regional and global security challenges **Brunei and the Future Transformation of Southeast Asia** Gabriel Yit Vui Yong, A.K.M. Ahsan Ullah, 2025-08-13 This book adopts an interdisciplinary approach drawing on contributions from experts in various fields such as geography environmental and developmental studies to provide a comprehensive analysis of Brunei's role within Southeast Asia's future trajectory Brunei has often been overlooked or given only cursory

coverage in regional analyses and so this book affords significant attention to the Bruneian perspective on regional development By integrating Brunei s unique historical geographical and socio economic context into the broader discussion the book offers insights into how Brunei s aspirations and challenges contribute to shaping the region s future By emphasizing local regional transformation and resilience the book provides practical insights into how Brunei and other Southeast Asian nations can navigate uncertainties adapting to global challenges such as climate change economic shifts and geopolitical dynamics and seize opportunities in the coming decades It is relevant to social scientists across disciplines focused on Southeast Asia and in the Muslim world s role in development
