South of the Clouds Lucien Miller, 2016-06-01 The tales included here represent all of Yunnan Province's officially designated ethnic minorities and include creation myths romances historical legends tales explaining natural phenomena ghost stories and festival tales The tales are peopled by memorable characters such as the Tibetan mother who reborn as a cow comforts and helps her daughter into her harsh life as a slave girl the two Kucong sisters who marry snakes and the bodiless Lahu head baby who grows up to win one of the earth god Poyana's daughters in marriage Chosen for their representativeness aesthetic appeal and variety the stories provide rich examples of the folk traditions of Southwest China South of the Clouds includes introductions and an appendix which describe the places and people of Yunnan analyze the literary and psychological characteristics of their stories give the sources of the tales and explain the methodology of collecting folk literature in China

Tales from Within the Clouds Carolyn Han, 1997-05-01 South of the clouds in the land of the Jade Dragon Snow Mountain dwell the descendants of a once pastoral people the Nakhi In ancient times family names were passed from mother to child there were no marriages and women alone raised children In the Nakhi language there is no word for father Today there are still Nakhi who follow these traditions and Nakhi folktales reflect these beliefs In the legends presented here we are introduced to a fantastic cast of characters plants insects animals all of them female We discover why the Sun hot tempered and impetuous is unpleasant to look at while the graceful Moon attracts us with her silvery light why the goat complains and her sister the sheep only murmurs ba ba why the azalea for all her beauty lives the shortest and saddest of lives The ten stories each illustrated with delightful paintings by celebrated artist Li Ji welcome us into the unique and little known world of the Nakhi

**Translating, Interpreting, and Decolonizing Chinese Fairy Tales** Juwen Zhang, 2024-10-15 Through meticulous textual and contextual analysis of the sixteenth century Chinese tale The Seven Brothers and its fifteen contemporary variants Juwen Zhang unveils the ways in which the translation and illustration of folk and fairy tales can perpetuate racist stereotypes By critically examining the conscious and unconscious ideological biases harbored by translators adapters and illustrators the author calls for a paradigm shift in translation practices grounded in decolonization and anti racism to ensure respectful and inclusive representation of diverse cultures Translating Interpreting and Decolonizing Chinese Fairy Tales not only offers insights for translators researchers and educators seeking to leverage folktales and picture books for effective children's education and entertainment but also challenges our preconceived notions of translated and adapted folk and fairy tales

Earth Tales from around the World Michael J. Caduto, 2016-11-29 Stories come from around the world but they grow from the very earth upon which they are first told Michael J Caduto invites readers to listen while the Earth tells these stories through his lyrical retellings of tales such as Hare Rescues the Sun and The Coming of Fire

**The Serpent's Tale** Gregory McNamee, 2000 We travel the world writes Gregory McNamee and wherever we go there are snake stories to entertain us Here are some fifty diverse and unusual

accounts of serpents from cultures across time and around the globe snakes that talk jump and dance snakes that transform into other creatures snakes that just watch Many selections are drawn from the rich oral traditions of peoples in every clime that supports reptiles from the Akimel O odham of North America to the Mensa Bet Abrahe of Africa to the Mungkjan of Australia Included as well are such writings as prayers from the Egyptian Book of the Dead fairy tales collected by the Brothers Grimm a poem by Emily Dickinson and a journal entry by Charles Darwin What we read about snakes in The Serpent s Tale is just as fascinating for what it says about us for there always will be something primordial about our connection to them That bond is evident in these stories in how we associate snakes with nature s elemental forces how we attribute special qualities to their eyes and skin and how they preside over all phases of our existence from creation to death to resurrection
