## South Pass Ambush:

**Absaroka Ambush** William W. Johnstone, 2016-05-31 Preacher brings his own brand of justice to a gang of grifters in this classic Western from the New York Times bestselling author of *Blood on the Divide* The Price of Gold A wagon train winding through the remote reaches of the Rocky Mountain high country can attract plenty of scavengers some of them human like Vic Bedell and his gang of cutthroats All he wants is the women who can be traded for gold mine supplies or used for whatever else he has in mind But he didn't count on Preacher leading that train The Color of Blood Bedell's first mistake is leaving the First Mountain Man for dead His second mistake is underestimating Preacher's strength and cunning And Preacher needs all he can get to lead a hundred and fifty helpless ladies out of captivity through fifteen hundred miles of unforgiving territory filled with hostile Indians and the deadliest threat of all Bedell and his wild avengers Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on *Eyes of Eagles* There's plenty of gunplay and fast paced action as this old time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier *Curled Up with a Good Book* on *Dead Before Sundown* [Mexico and the Spanish Conquest](#) Ross Hassig, 2014-08-04 What role did indigenous peoples play in the Spanish conquest of Mexico Ross Hassig explores this question in *Mexico and the Spanish Conquest* by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire the culture and politics of Mesoamerica and the military dynamics of both sides He analyzes the weapons tactics and strategies employed by both the Indians and the Spaniards and concludes that the conquest was less a Spanish victory than it was a victory of Indians over other Indians which the Spaniards were able to exploit to their own advantage In this second edition of his classic work Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cort's Moteuczoma and other key figures He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies **Don't Tell** Morgan Nash, 2024-04-30 *Don't Tell* weaves the gripping tale of Jonathan Carter a young soldier grappling with his sexuality amidst the harsh realities of the Don't Ask Don't Tell policy and the unforgiving operational tempo of the 75th Ranger Battalion at the beginning of the War on Terror At 21 Jonathan carries not just the weight of his uniform but also the burden of a secret that could alter his world hidden love for Nelson a fellow soldier who embodies the freedom and acceptance Jonathan yearns for When Lieutenant Hesse a 27 year old West Point graduate is assigned to Jonathan's platoon their lives intertwine in unforeseen ways Hesse's leadership style pushes Jonathan to confront his fears and responsibilities both on the battlefield and in the depths of his own heart leading to a bond that neither of them could have predicted Set against the backdrop of the Afghanistan and Iraq wars *Don't Tell* is a poignant exploration of love duty and the courage it takes to be true to oneself Jonathan's journey is a battle on multiple fronts against a visible enemy and the invisible wars waged within As he grapples

with the complexities of brotherhood loyalty and the yearning for acceptance Jonathan realizes that the toughest battles are fought in the silence of one's own soul With Nelson's friendship and Hesse's unexpected camaraderie Jonathan faces the ultimate test of valor embracing his true self amidst the chaos of war Don't Tell is a story of sacrifice the power of love and the quest for truth in a world that demands conformity It's a testament to the bravery required to fight on the front lines and battle the inner conflicts that define us

**Blood Feud** David Robbins, 2010-10-05 There's only one way to end a feud Leave no one alive They attacked his older sister They butchered his pa and uncle But the bloodthirsty Harkey clan didn't bargain on sixteen year old Chace Shannon He killed his first man before he could shave Now Chace must ride the vengeance trail alone and take the fight to the Harkeys

*Convoy Ambush Case Studies* Richard E. Killblane, 2014-08-15 When the enemy adopts a policy to attack convoys truck drivers become front line troops Convoy commanders must then become tacticians How to study war The student of tactics studies previous fights and mentally places himself in the position of the participants Knowing what they knew how would he have reacted In hind sight what was the best course of action remembering that there is no one perfect solution Any number of actions would have succeeded The tactician must learn what would have worked best for him For this reason I have pulled together all the examples of convoy ambushes The 20th century Vietnam War and current war in Iraq provide a wealth of examples of convoy ambushes from which to study Unfortunately the US Army did not record many good accounts of

ambushes during the Vietnam War Much of what is presented in this text is based upon oral interviews of the participants sometimes backed by official record citations or reports For this reason some of the ambush case studies present only the perspective of a crew member of a gun truck or the convoy commander Since this academic study works best when one mentally takes the place of one of the participants this view of the ambush serves a useful purpose After my own review of the ambushes I have drawn my own conclusion as to what principles apply to convoy ambushes     **The Elemental Staff** S.L.H. Tolley,2020-03-26 The Trigod Empire has succeeded in its invasion of the Far Western Province Caught by surprise the forces of the land have been thrown into disarray The passes of the divide have been reached and blockaded While the empire builds up its strength word of the invasion spreads The forces of the land are slowly gathering strength as the garrisons of the passes are reinforced Across forts and battlements the soldiers of the land and those of the empire regard one another Yet the objective isn't to secure one province The divide won't be the empire's eastern border Plans have been laid preparations are underway The Elemental Staff Book Two Courage and Sacrifice Evolved The courage these men display goes beyond simple gallantry in the face of overwhelming odds it's deeper nobler There'll be no songs sung about them their names won't be remembered or revered by any outside their own families They know that here they stand and here they'll die     The Trailsman #347 Jon Sharpe,2010-09-07 Fargo takes on a two bit town tyrant Fargo is trying to lose a party of scalp hunting Sioux when he comes across Jasmine Honeydew a pious woman whose devotion to saving souls has incurred the wrath of Abe Mitchell Mitchell likes the small town of Hapgood Pond just the way it is full of liquor ladies and lots of profit for him But the Trailsman isn't going to let a lovely lady of the Lord be pushed out of town without sending someone to Hell     **Ambushes and Surprises** George Bruce Malleon,1885     *The Adventures of Commander Candle, The Second Juncture: Chasing Yesterday's Tomorrows* J. J. Hall,2015-04-15 Enjoying freedom and prestige after the battle for Skyport Seven Jeremiah Hawks walks openly in an alien society The indigenous culture clashes even more with those influenced by the Gospel when a mysterious cult siren's movement explodes on the scene After the assassination of the Emperor's wife political turmoil and a new invasion threat make Commander Candle's mission to protect Professor Hawks almost impossible When the cult produces their own guardian the Commander is challenged by a foe every bit his equal As an interstellar conflict of epic proportions continue to spin out of control a generation of new champions must arise in time to prevent the ascendancy of a pervading evil     Crazy on the Bayou Humberto Fontova,2017-11-21 they prove there is no party like a bayou party in America's Sportsman's Paradise Ted Nugent You say grilling and eating a giant rat you killed yourself is uncouth Between slaying nutria for a Mardi Gras celebration lying in wait for mallards in Venice or fighting off a wild hog these Cajun boys know their way around Louisiana's bayous For these home grown southern hunters the swamp really is a land of abundance The cast of Cajun characters lampoons not just the city dwellers who venture into the swamp seeking a duck hunting adventure like they've seen on TV but also themselves and the other local residents they encounter Everyone is

fair game in this laugh out loud book full of fun practical advice and a new Cuban Cajun recipe in each chapter **Ride to Valor** David Robbins,2011-02-01 James Doyle was just another Irish boy in the slums of New York until the law forced him to go west In the wide open plains he joins the U S calvary determined to straighten out his life But he soon discovers an enemy more brutal than those back home the Cheyenne **No Shining Armor** Otto J. Lehrack,1992 An oral history of the Third Battalion Third Marines in Vietnam **Moccasin Tracks** Rick Ruja,2012-01-05 MOCASIN TRACKS A Novel about Survival and heroism among a band of crow Indians in the old west What if a 7 y o captive with great intelligence and special skills appeared in 1837 at a strategically located village of Crow Indians that the boy grew up to manhood living among the people finding through serendipitous circumstances that this Crow village responded positively to his leadership Could this partnership have enabled this particular band to form an organization unique among American Indians powerful enough to survive the dire threats to non Europeans sweeping across America during the 1800 s Rick Ruja August 2010 *164 B.C.* Peter J. Fast,2016-06-25 Convinced he is a god Seleucid Emperor Antiochus Epiphanes IV is on a mission to strengthen his empire against his enemy the Roman Republic He is determined that all subjects obey his edicts of Hellenization which include loyal worship to the Greek pantheon in an effort to unify the people Among the subjects of Antiochus vast kingdom the only people to reject these decrees are the insignificant Jews of Judea Their refusal is a matter of faith in the one true God The year is 167 B C and the day is the 25th of Kislev The Temple has been desecrated Blood has been spilled Women with their infant sons are mercilessly hurled to their deaths from the city walls of Jerusalem Men caught studying Torah are burned alive Judea is stricken by the sound of wailing and the sight of unimaginable suffering If one desires to be a faithful Jew then they will be confronted with a grim reality either risk torture and death or flee into the wilderness branded as an enemy of the king Blackness has descended upon the land The Jews live under a shadow of persecution which threatens to annihilate them as a people and destroy their faith in the God of Israel Yet in the village of Modiin Mattathias and his sons inspire the people with the war cry Let everyone who has zeal for the Torah and who stands by the covenant follow me Open rebellion is set swords are sharpened and the Jews of Judea rally around Mattathias son Judah He will either lead them to victory over one of the most powerful empires in the world or else they will be swallowed up in destruction consumed by blood and fire **Hidden Heroes of the Rockies** Isaac K.
