**Southampton** Mary Cummings,1996     A Maritime History of Long Island Ralph Brady,2019-02-21 A trip into the Long Island history of ships lighthouses ports shipbuilders shipwrecks and much more Webster s Dictionary defines the word maritime as on near or living near the sea so you can see that the basic membership requirement to be a part of the story is easily satisfied Just having an address in either Nassau or Suffolk County pretty much meets the criteria and then the things that you do with your time can determine how big a role you play in this tale Own a boat and fish from it That gives you an even greater claim to being a nautical or maritime person Go clamming in the bays sail in regattas help clean up a beach be a member of a yacht club etc I think you get the point and hopefully have by now come to realize that your very existence on Long Island is tied in with the pioneers who taught us how to prosper on this amazing island and enjoy a lifestyle that is almost unique in the entire United States     **Easthampton Massachusetts' Home-Grown Industries** Marvin J. Ward, Ph.D.,2022-03-25 Easthampton Massachusetts Home Grown Industries Their Origins Growth Legacies and Remains By Marvin J Ward Ph D Easthampton Massachusetts Home Grown Industries documents the history of all the industries several of them interconnected that were established in the Town of Easthampton at the start of the Industrial Revolution in Western Massachusetts beginning in c 1824 with a piece work enterprise operated from a home with an office and small warehouse proceeding in 1834 to an industrial manufacture initially in an existing factory in another town and moving into the first factory being built in the town in 1847 1848 Most were started by Samuel Williston who had different partners although many of those had their hands in more than one and some of them took over one or another of them All of them were situated on property that Williston owned having inherited it from his father Payson the first minister to settle in it who bought a large tract of 18 or 19 acres of land in 1790 It tracks them through to his death in 1874 and that of his wife Emily n e Graves from nearby Williamsburg her family s property is also tracked founder in 1881 of the town library in 1885 They manufactured the first products of their type in the US in the case of the first three and in this region for the others some having international exports and reputations Williston was also involved in many civic endeavors he funded numerous initiatives including a school a church the Town Hall building and a cemetery to name the major projects he was not a tycoon who spent lavishly on himself The story unfolds Sherlock Holmes style with documented facts unraveling some mysteries and destroying some tales that are myths and or apocryphal commonly believed among today s residents some of which took root in early 20th century sources that are also Sherlock Holmes style undermined In the 20th century other industries many larger moved there all moving or expanding from their former locations some reassembling their buildings that were disassembled there and brought along all of these on the West side of the Lower Mill Pond North of the location of the first ones and alongside the railroad that ran beside the Pond today a Rail Trail they are not treated here None of either exist today but many of their buildings have been or are being repurposed except for one that is part of the factory of an industry not entirely unrelated to
