John M. COSKI

Southern Folk Plain And Fancy:

Southern Folk, Plain and Fancy John Shelton Reed, 1988-07-01 Creating a sort of periodic table of the southern populace Southern Folk Plain and Fancy catalogs and describes the several social types gentleman and lady lord of the lash and cunning belle fun loving good old boy depraved redneck and other figures that have animated the region since antebellum times

Southern Folk, Plain & Fancy John Shelton Reed, 1986-01 Creating a sort of periodic table of the southern populace Southern Folk Plain and Fancy catalogs and describes the several social types gentleman and lady lord of the lash and cunning belle fun loving good old boy depraved redneck and other figures that have animated the region since antebellum times

The Countercultural South Jack Temple Kirby, 1995 At once upholding and refuting the South's conservative image *The Countercultural South* explores the politically divergent cultures of resistance created by poor white and working class black southern men With humor and insight Jack Temple Kirby traces these racially and politically opposed cultures back to the antebellum encounter between the anti-capitalistic South and the capitalist individualism identified with the North In a wide ranging discussion encompassing the blues sharecropping and contemporary black intellectuals Kirby shows how the needful practice of black labor bargaining in the South resulted in a progressive black tradition of verbal negotiation The conservative separatism and retro resistance of rural whites Kirby argues is embedded in an inherited and adversarial frontier ethos valuing self sufficiency and access to wilderness With the southern landscape imaginatively as well as factually linked to social class crime particularly forest arson becomes the most important form of southern white countercultural expression Kirby continues his look at white resistance in a review of redneck discourse examining the public reputation of southern whites through a range of cultural phenomena from literature to country music to the computer network known as BUBBA L Original personal and artfully written *The Countercultural South* offers fresh reflections on southern exceptionalism in American political life and culture

Marginalized Casey Kayser, 2021-08-23 Winner of the 2021 Eudora Welty Prize In contrast to other literary genres drama has received little attention in southern studies and women playwrights in general receive less recognition than their male counterparts In *Marginalized Southern Women Playwrights Confront Race Region and Gender* author Casey Kayser addresses these gaps by examining the work of southern women playwrights making the argument that representations of the American South on stage are complicated by difficulties of identity genre and region Through analysis of the dramatic texts the rhetoric of reviews of productions as well as what the playwrights themselves have said about their plays and productions Kayser delineates these challenges and argues that playwrights draw on various conscious strategies in response These strategies evident in the work of such playwrights as Pearl Cleage Sandra Deer Lillian Hellman Beth Henley Marsha Norman and Shay Youngblood provide them with the opportunity to lead audiences to reconsider monolithic understandings of northern and southern regions and ultimately create new visions of the South

Rough South, Rural South Jean W. Cash, Keith Perry, 2016-02-12 Essays in Rough

South Rural South describe and discuss the work of southern writers who began their careers in the late twentieth and early twenty first centuries They fall into two categories Some born into the working class strove to become writers and learned without benefit of higher education such writers as Larry Brown and William Gay Others came from lower or middle class backgrounds and became writers through practice and education Dorothy Allison Tom Franklin Tim Gautreaux Clyde Edgerton Kaye Gibbons Silas House Jill McCorkle Chris Offutt Ron Rash Lee Smith Brad Watson Daniel Woodrell and Steve Yarbrough Their twenty first century colleagues are Wiley Cash Peter Farris Skip Horack Michael Farris Smith Barb Johnson and Jesmyn Ward In his seminal article Erik Bledsoe distinguishes Rough South writers from such writers as William Faulkner and Erskine Caldwell Younger writers who followed Harry Crews were born into and write about the Rough South These writers undercut stereotypes forcing readers to see the working poor differently The next pieces begin with those on Crews and Cormac McCarthy major influences on an entire generation Later essays address members of both groups the self educated and the college educated Both groups share a clear understanding of the value of working class southerners Nearly all of the writers hold a reverence for the South s landscape and its inhabitants as well as an affinity for realistic depictions of setting and characters

Larry Brown and the Blue-Collar South Jean W. Cash, Keith Perry, 2011-01-05 With contributions from Robert G Barrier Robert Beuka Thomas rvoid Bjerre Jean W Cash Robert Donahoo Richard Gaughran Gary Hawkins Darlin Neal Keith Perry Katherine Powell John A Staunton and Jay Watson Larry Brown is noted for his subjects rural life poverty war and the working class and his spare gritty style Brown s oeuvre spans several genres and includes acclaimed novels Dirty Work Joe Father and Son The Rabbit Factory and A Miracle of Catfish short story collections Facing the Music Big Bad Love memoir On Fire and essay collections Billy Ray s Farm At the time of his death Brown 1951 2004 was considered to be one of the finest exemplars of minimalist raw writing of the contemporary South Larry Brown and the Blue Collar South considers the writer s full body of work placing it in the contexts of southern literature Mississippi writing and literary work about the working class Collectively the essays explore such subjects as Brown s treatment of class politics race and racism the aftereffects of the Vietnam War on American culture the evolution of the South from a plantation based economy to a postindustrial one and male female relations The role of Brown s mentors Ellen Douglas and Barry Hannah in shaping his work is discussed as is Brown s connection to such writers as Harry Crews and Dorothy Allison The volume is one of the first critical studies of a writer whose depth and influence mark him as one of the most well regarded Mississippi authors

A History of Georgia Kenneth Coleman, 1991 First published in 1977 A History of Georgia has become the standard history of the state Documenting events from the earliest discoveries by the Spanish to the rapid changes the state has undergone with the civil rights era the book gives broad coverage to the state s social political economic and cultural history This work details Georgia s development from past to present including the early Cherokee land disputes the state s secession from the Union cotton s reign Reconstruction the Bourbon era the effects of the New Deal Martin Luther King Jr

the fall of the county unit system and Jimmy Carter's election to the presidency. Also noted are the often overlooked contributions of Indians, blacks, and women. Each imparting his own special knowledge and understanding of a particular period in the state's history, the authors bring into focus the personalities and events that made Georgia what it is today. For this new edition, available in paperback for the first time, *A History of Georgia* has been revised to bring the work up through the events of the 1980s. The bibliographies for each section and the appendixes have also been updated to include relevant scholarship from the last decade.

The Redneck Manifesto Jim Goad, 1998-05-05. In *The Redneck Manifesto*, Goad elucidates redneck politics, religion, and values in his own unique way. A furious, profane, smart, and hilariously smart aleck defense of working class white culture. Fort Lauderdale Sun Sentinel.

Southern Migrants, Northern Exiles Chad Berry, 2023-02-03. One of the largest internal migrations in U.S. history, the great white migration left its mark on virtually every family in every southern upland and flatland town. In this extraordinary record of ordinary lives, dozens of white southern migrants describe their experiences in the northern wilderness and their irradicable attachments to family and community in the South. Southern out migration drew millions of southern workers to the steel mills, automobile factories, and even agricultural fields and orchards of Ohio, Indiana, Michigan, and Illinois. Through vivid oral histories, Chad Berry explores the conflict between migrants' economic success and their spiritual exile in the North. He documents the tension between factory owners who welcomed cheap, naive southern laborers and local native workers who greeted migrants with suspicion and hostility. He examines the phenomenon of shuttle migration in which migrants came north to work during the winter and returned home to plant spring crops on their southern farms. He also explores the impact of southern traditions, especially the southern evangelical church and hillbilly music, brought north by migrants. Berry argues that in spite of being scorned by midwesterners for violence, fecundity, intoxication, laziness, and squalor, the vast majority of southern whites who moved to the Midwest found the economic prosperity they were seeking. By allowing southern migrants to assess their own experiences and tell their own stories, *Southern Migrants, Northern Exiles* refutes persistent stereotypes about migrants' clannishness, life style, work ethic, and success in the North.

Every Ounce a Man's Whiskey?: Bourbon in the White Masculine South Seán S. McKeithan, 2012-03-01. The hot bite of the Bourbon sensuously connects the body of the drinker to nation, region, and locale, enjoining his experience with those of imagined historical bodies soaking up space and place in the slow burn of what appears an endless southern summertime. This article appears in the Spring 2012 issue of *Southern Cultures*. The full issue is also available as an ebook. *Southern Cultures* is published quarterly (spring, summer, fall, winter) by the University of North Carolina Press. The journal is sponsored by the University of North Carolina at Chapel Hill's Center for the Study of the American South.

Race, War, and Remembrance John C. Inscoe, 2008-08-15. A significant contribution to the current understanding of southern Appalachia's place within the South and the nation. *The Journal of American History*. Among the most pervasive of stereotypes imposed upon southern highlanders is that they were white, opposed slavery, and supported the

Union before and during the Civil War but the historical record suggests far different realities John C Inscoe has spent much of his scholarly career exploring the social economic and political significance of slavery and slaveholding in the mountain South and the complex nature of the region s wartime loyalties Drawing on the memories memoirs and other testimony of slaves and free blacks slaveholders and abolitionists guerrilla warriors invading armies and the highland civilians they encountered Inscoe s essays consider a multiplicity of perspectives and what is revealed about highlanders dual and overlapping identities as both a part of and distinct from the South as a whole Devoting attention to how truths from these contemporary voices were exploited distorted reshaped reinforced or ignored by later generations he considers novelists journalists filmmakers dramatists and even historians over the course of the late nineteenth and twentieth centuries and how their work has contributed much to either our understanding or misunderstanding of nineteenth century Appalachia and its place in the American imagination Each essay is a gem of historical and critical analysis that adds greatly to our understanding of the Appalachian past Dwight Billings coeditor of *Appalachia in the Making The Mountain South in the Nineteenth Century* **Reconstructing Dixie** Tara McPherson,2003-03-31 A cultural studies reading of white southern femininity as seen in a range of popular sites including novels television and tourist attractions [The Confederate Battle Flag](#) John M. COSKI,2009-06-30 Beautiful Minds explains how and why apes and dolphins are so distantly related yet so cognitively alike and what this teaches us about another large brained mammal Homo sapiens Noting that apes and dolphins have had no common ancestor in nearly 100 million years Bearzi and Stanford describe the parallel evolution that gave rise to their intelligence *The Companion to Southern Literature* Joseph M. Flora,Lucinda Hardwick MacKethan,2001-11-01 Selected as an Outstanding Academic Title by Choice Selected as an Outstanding Reference Source by the Reference and User Services Association of the American Library Association There are many anthologies of southern literature but this is the first companion Neither a survey of masterpieces nor a biographical sourcebook The Companion to Southern Literature treats every conceivable topic found in southern writing from the pre Columbian era to the present referencing specific works of all periods and genres Top scholars in their fields offer original definitions and examples of the concepts they know best identifying the themes burning issues historical personalities beloved icons and common or uncommon stereotypes that have shaped the most significant regional literature in memory Read the copious offerings straight through in alphabetical order Ancestor Worship Blue Collar Literature Caves or skip randomly at whim Guilt The Grotesque William Jefferson Clinton Whatever approach you take The Companion s authority scope and variety in tone and interpretation will prove a boon and a delight Explored here are literary embodiments of the Old South New South Solid South Savage South Lazy South and Sahara of the Bozart As up to date as grit lit K Mart fiction and postmodernism and as old fashioned as Puritanism mules and the tall tale these five hundred entries span a reach from Lady to Lesbian Literature The volume includes an overview of every southern state s belletristic heritage while making it clear that the southern mind extends beyond geographical

boundaries to form an essential component of the American psyche The South's lavishly rich literature provides the best means of understanding the region's deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge Description of Contents 500 lively succinct articles on topics ranging from Abolition to Yoknapatawpha 250 contributors including scholars writers and poets 2 tables of contents alphabetical and subject and a complete index A separate bibliography for most entries *The Mind of the South* Charles W.

Eagles, 2011-08-23 This probing collection of essays assesses the wide influence of W J Cash and the profound effect of his classic dissection of southern history Perhaps more than any other historian W J Cash revolutionized the interpretation of southern identity In 1941 when he published *The Mind of the South* he exploded the correlated myths of the Cavalier South and the New South and gave historiography a new gauge for examining Dixie In the half century since its publication Cash's book has lain in the path of every historian of the South Not all however have expressed unified opinions about him and his influence though few can deny how in the past fifty years his indelible and authoritative work has shaped the writing of southern history In *The Mind of the South Fifty Years Later* eleven scholars examine this classic study and assess its enduring importance Bruce Clayton begins by discussing the biography of Cash and tracing his sources In the subsequent five essays Cash is praised evaluated criticized defended classified and acknowledged to be the lion in the crossroads of southern historiography ***A Companion to the American South*** John B. Boles, 2004-03-12 *A Companion to the American South* surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women's history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns *Paul Green, Playwright of the Real South* John Herbert Roper, 2003 Drawing on his complete access to Green's papers and on interviews with surviving family members John Herbert Roper covers all the important aspects of Green's life and career By word and deed Paul Green spread the faith of liberalism across the New South which he insistently called the Real South Long after literary fashion had left him behind he wrote daily and remained at the forefront of causes concerning race relations militarism women's and workers rights and capital punishment BOOK JACKET ***Neither Separate Nor Equal*** Barbara Ellen Smith, Barbara Smith, 1999-04-08 The diverse lives of contemporary Southern women ***The Scourges of the South? Essays on "The Sickly South" in History, Literature, and Popular Culture*** Thomas Ærvold Bjerre, Beata Zawadka, 2014-10-17 In this book eleven scholars take their stand on the controversial issue of disease as it occurs in the context of the American South Playing on the popular vision of the South as an ill region on several levels the European and American contributors interpret various aspects of the regional sickly culture as not so much southern problems but rather southern opportunities or else springboards to yet another of the South's cultural revitalizations health As Thomas rvold

Bjerre and Beata Zawadka note in their introduction the so called Healthy South has never been an easy topic for scholars dealing with the region One reason for this is that researchers have been taught to approach so formulated a topic no further than to the point when it turns out it is a contradiction in terms and indeed there is much in southern history and the present situation that justifies such an approach This volume however comprises a collective effort of southernist historians literature experts and culture critics to transcend the contradictory concept of the Healthy South and does so by reinventing the notion of the southern disease and consequently the role of the South as a scourge in American culture in terms of this culture s bountiful gift *Cathedrals of Kudzu* Hal Crowther,2002-04 In these essays one of the most influential Southern journalists of his generation sorts out a whole warehouse of Southern idiosyncrasy and iconography including the Southern belle Faulkner James Dickey Stonewall Jackson Cormac McCarthy guns dogs fathers trees George Wallace Elvis Doc Watson the decline of poetry and the return of chain gangs
