**Assembly** West Point Association of Graduates (Organization), 2000      Eye of the Gator E.C. Ayres, When Timothy Cross a recent young college graduate and environmental activist working for the government is found murdered in an alligator pond Florida private eye Tony Lowell and his friend police detective Lena Bedrosian search for a cold blooded killer Lowell doesn't hesitate to join the fray for the victim was the nephew of Ernie Larson one of Lowell's oldest friends As Lowell begins investigating his array of suspects includes a baseball fanatic a single mother and her dangerously violent boyfriend Soon he finds himself pitted against powerful industry types as well as black advocacy groups concerned about jobs and backwoods racists who resent meddlers The stakes are raised even further however when he discovers that the very safety of Florida's diminishing water supply is at stake Lowell is determined to find the killer but he's got to save his own skin while he's at it      The South-West, by a Yankee J. H. Ingraham, 2020-12-18 This book grew out of a private correspondence which the author at the solicitation of his friends has been led to throw into the present form modifying in a great measure the epistolary vein and excluding so far as possible such portions of the original papers as were of too personal a nature to be intruded upon the majesty of the public while he has embodied so far as was compatible with the new arrangement everything likely to interest the general reader The author has not written exclusively as a traveller or journalist His aim has been to present the result of his experience and observations during a residence of several years in the South West This extensive and important section of the United States is but little known Perhaps there is no region between the Mississippi river and the Atlantic shores of which so little accurate information is before the public a flying tourist only having occasionally added a note to his diary as he skirted its forest lined borders      Northern Lights Southern Nights Ross Osborn, 2017-12-05 A streetwise James Jesse Dowell wouldn't buy the legend of some Eskimo beast god until James witnessed the soul crazed bush doctor come to horrifying life at forty thousand feet in the Arctic sky Now James must stalk said demon sawbones and kill the beast that rules Charles Patrick MacHenery's soul or James his terrified self will never be free of the maddening curse that's pounding ever louder in his spinning head like some demonic sealskin drum But how does one destroy a suspect werewolf that can only die by a loving hand That is through an escaped moon demon that hasn't made fulfilling love in over 530 chain shackled years and desperately desires to know That said manlike beast has been trapped by his new eternal love Ms Amanda De la ray She's as witchy as the swampy Louisiana wilds she fairly rules face scarred and moonshine giggly as she's already been left by a fanged local devil Prays ya never sees the devil Mr Dowell      Best Creative Nonfiction of the South, Volume II: North Carolina Casey Clabough, Michael Chitwood, 2020-03-02 Best Creative Nonfiction of the South serves as a valuable resource for scholars students writers and general readers interested in creative nonfiction both from specific areas of the South and across the region as a whole This North Carolina volume second in the series contains essays that celebrate and document the Tar Heel state's diverse cultures and geography from the mountains to the
