Andrew Michael Manis

Southern Civil Religions In Conflict:

Southern Civil Religions in Conflict Andrew Michael Manis, 1987 *Southern Civil Religions in Conflict* Andrew Michael Manis, 2002 Originally published in 1987 this new expanded edition further argues that the civil rights movement and its opposition with their conflicting images and hopes for America foreshadowed the ongoing culture wars of recent days BOOK JACKET

Southern Civil Religions in Conflict Andrew Michael Manis, 2002 Originally published in 1987 this new expanded edition further argues that the civil rights movement and its opposition with their conflicting images and hopes for America foreshadowed the ongoing culture wars of recent days BOOK JACKET *Southern Civil Religions* Arthur Remillard, 2011-12-01 In the aftermath of the Civil War the Lost Cause gave white southerners a new collective identity anchored in the stories symbols and rituals of the defeated Confederacy Historians have used the idea of civil religion to explain how this powerful memory gave the white South a unique sense of national meaning purpose and destiny The civil religious perspectives of everyone else meanwhile have gone unnoticed Arthur Remillard fills this void by investigating the civil religious discourses of a wide array of people and groups blacks and whites men and women northerners and southerners Democrats and Republicans as well as Catholics Protestants and Jews Focusing on the Wiregrass Gulf South region an area covering north Florida southwest Georgia and southeast Alabama Remillard argues that the Lost Cause was but one civil religious topic among many Even within the white majority civil religious language influenced a range of issues such as progress race gender and religious tolerance Moreover minority groups developed sacred values and beliefs that competed for space in the civil religious landscape

Game Day and God Eric Bain-Selbo, 2009 *Game Day and God* Football Faith and Politics in the American South takes seriously the often stated assertion that college football in the South is a religion To this end Eric Bain Selbo draws upon a wide range of theoretical approaches in religious studies and cultural criticism He also relies upon field research on several campuses in the Southeastern Conference where he interviewed fans and experienced game day Consequently the author is able to make the case that college football does function religiously for many people in the South In addition the author introduces key concepts and theories of religion and culture to a general audience *Game Day and God* also recounts the role that college football has played in Southern history and culture Going back as far as the Civil War the work explains the cultural meaning of college football in the South delivering a much needed critical perspective to the subject Scholars of religion will find the work a compelling extension of key concepts and theories to an otherwise secular activity Scholars of American culture and sports will find the work to be an interesting case study one that unlike much work in the area focuses our attention on the religious dimension of the phenomenon of sport in American culture And general readers will find that college football or any sport can be much more than they imagined as well as discover important theories with which to make sense of the complexity of our daily lives Book jacket

Southern Civil Religions in Conflict Andrew Michael Manis, 1987-01-01 *Religion and Public Life in the South* Charles Reagan

Wilson, Mark Silk, 2005-07-07 In July 2002 chief justice of the Alabama Supreme Court had a two ton monument of the Ten Commandments placed into the rotunda of the Montgomery state judicial building But this action is only a recent case in the long history of religiously inspired public movements in the American South From the Civil War to the Scopes Trial to the Moral Majority white Southern evangelicals have taken ideas they see as drawn from the Christian Scriptures and tried to make them into public law But blacks women subregions and other religious groups too vie for power within and outside this Southern Religious Establishment Religion and Public Life in the South gives voice to both the establishment and its dissenters and shows why more than any other region of the country religion drives public debate in the South The Columbia Guide to Religion in American History Paul Harvey, Edward Blum, 2012-02-14 Introduction major themes in American religious history Paul Harvey and Edward J Blum Colonial encounters Linford D Fisher Native American religions Suzanne Crawford O'Brien Civil religion and national identity Andrew M Manis Theology Mark Noll Evangelicals in American history Douglas A Sweeney Religion and politics Jason C Bivins Religion and the law in American history Frank S Ravitch Religion war and peace Ira R Chernus Religion gender and sexuality Anthony Michael Petro Religion race and African American life Edward J Blum Religion ethnicity and the immigrant experience Roberto R Trevi o Asian American religions Timothy Tseng Alternative religious movements in American history Stephen J Stein Religion and the environment Lynn Ross Bryant Religion and popular culture Philip Goff Religious conservatism and fundamentalism Margaret Bendroth Catholicism in America Leslie Woodcock Tentler American Judaism Alan T Levenson The Church of Jesus Christ of Latter day Saints Mormons D Michael Quinn Islam in America Jane Smith Religion and the American Civil War Randall M. Miller, Harry S. Stout, Charles Reagan Wilson, 1998-11-05 The sixteen essays in this volume all previously unpublished address the little considered question of the role played by religion in the American Civil War The authors show that religion understood in its broadest context as a culture and community of faith was found wherever the war was found Comprising essays by such scholars as Elizabeth Fox Genovese Drew Gilpin Faust Mark Noll Reid Mitchell Harry Stout and Bertram Wyatt Brown and featuring an afterword by James McPherson this collection marks the first step towards uncovering this crucial yet neglected aspect of American history **Redeeming the South** Paul Harvey, 1997 Together and separately black and white Baptists created different but intertwined cultures that profoundly shaped the South Adopting a biracial and bicultural focus Paul Harvey works to redefine southern religious history and by extension southern c **A Companion to the Civil War and Reconstruction** Lacy Ford, 2011-03-21 A Companion to the Civil War and Reconstruction addresses the key topics and themes of the Civil War era with 23 original essays by top scholars in the field An authoritative volume that surveys the history and historiography of the U S Civil War and Reconstruction Analyzes the major sources and the most influential books and articles in the field Includes discussions on scholarly advances in U S Civil War history A Stone of Hope David L. Chappell, 2004 The author of Inside Agitators White Southerners in the Civil Rights Movement revisits this monumental

period in American history revealing the power of religious fervor as a force of change that managed to succeed where liberal rationalism could not History Why the South Lost the Civil War, 1991-09-01 Offers a chronological account of the Civil War reexamines theories for the South's defeat and analyzes Confederate and Union military strategy *Dixie's Great War* John Giggie, Andrew Huebner, 2020-12-15 Examining the First World War through the lens of the American South How did World War I affect the American South Did southerners experience the war in a particular way How did regional considerations and more generally southern values and culture impact the wider war effort Was there a distinctive southern experience of WWI Scholars considered these questions during Dixie's Great War a symposium held at the University of Alabama in October 2017 to commemorate the centenary of the American intervention in the war With the explicit intent of exploring iterations of the Great War as experienced in the American South and by its people organizers John M Giggie and Andrew J Huebner also sought to use historical discourse as a form of civic engagement designed to facilitate a community conversation about the meanings of the war Giggie and Huebner structured the panels thematically around military social and political approaches to the war to encourage discussion and exchanges between panelists and the public alike Drawn from transcriptions of the day's discussions and lightly edited to preserve the conversational tone and mix of professional and public voices *Dixie's Great War World War I and the American South* captures the process of historians at work with the public pushing and probing general understandings of the past uncovering and reflecting on the deeper truths and lessons of the Great War this time through the lens of the South This volume also includes an introduction featuring a survey of recent literature dealing with regional aspects of WWI and a discussion of the centenary commemorations of the war An afterword by noted historian Jay Winter places Dixie's Great War the symposium and this book within the larger framework of commemoration emphasizing the vital role such forums perform in creating space and opportunity for scholars and the public alike to assess and understand the shifting ground between cultural memory and the historical record *The Bully Pulpit* James L. Guth, 1997 Drawing on two decades of survey research involving thousands of ministers nationwide five social scientists explore the political lives of clergy in eight evangelical and mainline Protestant denominations including the Assemblies of God Southern Baptist Convention United Methodist Church and Presbyterian Church They find that the competing theological perspectives of orthodoxy and modernism are increasingly tied to ideological and partisan divisions in American politics and help illuminate the current relationship between church and state in America Paper edition unseen 1995 Annotation copyrighted by Book News Inc Portland OR The Routledge Sourcebook of Religion and the American Civil War Robert R. Mathisen, 2014-10-24 In recent years the intersection of religion and the American Civil War has been the focus of a growing area of scholarship However primary sources on this subject are housed in many different archives and libraries scattered across the U S and are often difficult to find The Routledge Sourcebook of Religion and the American Civil War collects these sources into a single convenient volume the most comprehensive collection of primary source material on

religion and the Civil War ever brought together With chapters organized both chronologically and thematically and highlighting the experiences of soldiers women African Americans chaplains clergy and civilians this sourcebook provides a rich array of resources for scholars and students that highlights how religion was woven throughout the events of the war Sources collected here include Sermons Song lyrics Newspaper articles Letters Diary entries Poetry Excerpts from books and memoirs Artwork and photographs Introductions by the editor accompany each chapter and individual document contextualizing the sources and showing how they relate to the overall picture of religion and the war Beginning students of American history and seasoned scholars of the Civil War alike will greatly benefit from having easy access to the full texts of original documents that illustrate the vital role of religion in the country s most critical conflict

The Logic of Ethnic and Religious Conflict in Africa John F. McCauley, 2017-05-03 The book is aimed at students and scholars of conflict Africa ethnic politics and religion It may also appeal to religious and political leaders It proposes a new perspective on how ethnicity and religion shape political outcomes and violence in Africa adding psychological elements to standard political science arguments

Southern Civil Religions In Conflict Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Southern Civil Religions In Conflict PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Southern Civil Religions In Conflict PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of Southern Civil Religions In Conflict free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
