Companion's authority, scope and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South, and Sahara of the Bozart. As up to date as grit lit, K Mart fiction and postmodernism and as old fashioned as Puritanism, mules and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge.

Bachman, 2022-02-08 Winner of the 2022 Communication Award from the National Association of County Agricultural Agents, *Southern Gardening All Year Long* approaches southern landscapes from a different perspective. Instead of encyclopedic lists and articles focused on botanical gardens or someone else's landscape, author and host of *Southern Gardening*, Gary R. Bachman, connects with his audience through personal stories that share his expertise gained over decades of planting, all told in an easily digestible format. Most stories in *Southern Gardening All Year Long* focus on Bachman's hands-on experience with gardening. He recounts tales about his own personal gardens, plants that have thrived and failed, and presents his advice in a common-sense style. Bachman's personal conversational writing makes *Southern Gardening All Year Long* an old-fashioned over-the-fence chat with a knowledgeable and helpful neighbor. Just as he has done in newspapers and on television and radio with *Southern Gardening All Year Long*, Bachman hopes to help gardeners be successful in their own landscapes, alleviate some of the apprehension new gardeners feel, and inspire experienced gardeners to try new plants instead of the same old plantings every year. Gardening success doesn't always follow steps 1, 2, 3, but Bachman encourages readers not to worry about plants that don't survive. Failures happen in gardens every season. Offering a variety of tips and tricks and over 170 color images, *Southern Gardening All Year Long* will become a gardener's best friend.
