Southwest Textiles:

Blanket Weaving in the Southwest Joe Ben Wheat, 2022-06-21 Exquisite blankets sarapes and ponchos handwoven by southwestern peoples are admired throughout the world Despite many popularized accounts serious gaps have existed in our understanding of these textiles gaps that one man devoted years of scholarly attention to address During much of his career anthropologist Joe Ben Wheat 1916 1997 earned a reputation as a preeminent authority on southwestern and plains prehistory Beginning in 1972 he turned his scientific methods and considerable talents to historical questions as well He visited dozens of museums to study thousands of nineteenth century textiles oversaw chemical tests of dyes from hundreds of varns and sought out obscure archives to research the material and documentary basis for textile development His goal was to establish a key for southwestern textile identification based on the traits that distinguish the Pueblo Navajo and Spanish American blanket weaving traditions and thereby provide a better way of identifying and dating pieces of unknown origin Wheat s years of research resulted in a masterful classification scheme for southwestern textiles and a book that establishes an essential baseline for understanding craft production Nearly completed before Wheat's death Blanket Weaving in the Southwest describes the evolution of southwestern textiles from the early historic period to the late nineteenth century establishes a revised chronology for its development and traces significant changes in materials techniques and designs Wheat first relates what Spanish observers learned about the state of native weaving in the region a historical review that reveals the impact of new technologies and economies on a traditional craft Subsequent chapters deal with fibers yarns dyes and fabric structures including an unprecedented examination of the nature variety and origins of bayeta yarns and with tools weaves and finishing techniques A final chapter constructed by editor Ann Hedlund from Wheat's notes provides clues to his evolving ideas about the development of textile design Hedlund herself a respected textile scholar and a prot q e of Wheat s is uniquely qualified to interpret the many notes he left behind and brings her own understanding of weaving to every facet of the text She has ensured that Wheat's research is applicable to the needs of scholars collectors and general readers alike Throughout the text Wheat discusses and evaluates the distinct traits of the three textile traditions More than 200 photos demonstrate these features including 191 color plates depicting a vast array of chief blankets shoulder blankets ponchos sarapes diyugi mantas and dresses from museum collections nationwide In addition dozens of line drawings demonstrate the fine points of technique concerning weaves edge finishes and corner tassels Through his groundbreaking and painstaking research Wheat created a new view of southwestern textile history that goes beyond any other book on the subject Blanket Weaving in the Southwest addresses a host of unresolved issues in textile research and provides critical tools for resolving them It is an essential resource for anyone who appreciates the intricacy of these outstanding creations

Navajo Textiles Laurie D. Webster, Louise Stiver, D. Y. Begay, Lynda Teller Pete, 2017-08-15 Navajo Textiles provides a nuanced account the Navajo weavings in the Crane Collection at the Denver Museum of Nature Science one of the largest

collections of Navajo textiles in the world Bringing together the work of anthropologists and indigenous artists the book explores the Navajo rug trade in the mid nineteenth century and changes in the Navajo textile market while highlighting the museum s important though still relatively unknown collection of Navajo textiles In this unique collaboration among anthropologists museums and Navajo weavers the authors provide a narrative of the acquisition of the Crane Collection and a history of Navajo weaving Personal reflections and insights from foremost Navajo weavers D Y Begay and Lynda Teller Pete are also featured and more than one hundred stunning full color photographs of the textiles in the collection are accompanied by technical information about the materials and techniques used in their creation An introduction by Ann Lane Hedlund documents the growing collaboration between Navajo weavers and museums in Navajo textile research The legacy of Navajo weaving is complex and intertwined with the history of the Din themselves Navajo Textiles makes the history and practice of Navajo weaving accessible to an audience of scholars and laypeople both within and outside the Din community

A History Of Textiles Kax Wilson, 2021-11-28 Originally published in 1979 this volume acts as a reference for the history textiles It asks questions on the effect of technology on textiles how did particular historical periods and locations expand or limit the possibilities for the manufacture of fabrics and how the textile history related to politics and economics sociology and psychology art and engineering anthropology and archaeology chemistry and physics Addressing these questions the author surveys the development of the technical components of fabrics and discusses the textiles of selected places and times She uses prose drawings and more than 130 photographs to show how each era of textile production reflects its age This book is designed to serve as a college text and as a reference work for museum researchers With sections including illustrations and diagrams key terminology spinning wool spinning and raw materials single ply and cord and fabric construction **Prehistoric Textiles of the Southwest** Kate Peck Kent, 1983 Fair Trade and Social Justice Mark Moberg, Sarah Lyon, 2010-06-01 By 2008 total Fair Trade purchases in the developed world reached nearly 3 billion a five fold increase in four years Consumers pay a fair price for Fair Trade items which are meant to generate greater earnings for family farmers cover the costs of production and support socially just and environmentally sound practices Yet constrained by existing markets and the entities that dominate them Fair Trade often delivers material improvements for producers that are much more modest than the profound social transformations the movement claims to support There has been scant real world assessment of Fair Trade's effectiveness Drawing upon fine grained anthropological studies of a variety of regions and commodity systems including Darjeeling tea coffee crafts and cut flowers the chapters in Fair Trade and Social Justice represent the first works to use ethnographic case studies to assess whether the Fair Trade Movement is actually achieving its goals Contributors Julia Smith Mark Moberg Catherine Ziegler Sarah Besky Sarah M Lyon Catherine S Dolan Patrick C Wilson Faidra Papavasiliou Molly Doane Kathy M Closkey Jane Henrici **Encyclopedia of Native American Artists** Deborah Everett, Elayne L. Zorn, 2008-09-30 Indigenous North Americans have continuously made important contributions to

the field of art in the U S and Canada yet have been severely under recognized and under represented Native artists work in diverse media some of which are considered art sculpture painting photography while others have been considered craft works on cloth basketry ceramics Some artists feel strongly about working from a position as a Native artist while others prefer to produce art not connected to a particular cultural tradition The Gift of Spiderwoman University of Pennsylvania. University Museum, Joe Ben Wheat, 1984-01-29 In preparing this publication the intention was that it serve not only as an accompaniment to the symposium Southwestern Textiles The Navajo Tradition held at the University Museum University of Pennsylvania but that it define the scope of the Museum's holdings of Southwestern textiles which remain relatively unknown to the public Information regarding the size range and historical background of the collection should prove to be useful to scholars weavers and collectors This collection comprises textiles woven by Navajo Indians Pueblo Indians from both New Mexico and northeastern Arizona and Spanish colonists who settled in the Rio Grande Valley of New Mexico Also included are Saltillo sarapes produced in the general region of the town of Saltillo in northern Mexico Introduction **Textiles** Karla J. Gleach, 2019-11-01 Histories of Anthropology Annual presents diverse perspectives on the discipline s history within a global context with a goal of increasing awareness and use of historical approaches in teaching learning and conducting anthropology The series includes critical comparative analytical and narrative studies involving all aspects and subfields of anthropology Volume 13 Disruptive Voices and the Singularity of Histories explores the interplay of identities and scholarship through the history of anthropology with a special section examining fieldwork predecessors and indigenous communities in Native North America Individual contributions explore the complexity of women s history indigenous history national traditions and oral histories to juxtapose what we understand of the past with its present continuities These contributions include Sharon Lindenburger's examination of Franz Boas and his navigation with Jewish identity Kathy M Closkey's documentation of Navajo weavers and their struggles with cultural identities and economic resources and demands and Mindy Morgan s use of the text of Ruth Underhill s O odham study to

capture the voices of three generations of women ethnographers Because this work bridges anthropology and history a richer and more varied view of the past emerges through the meticulous narratives of anthropologists and their unique fieldwork ultimately providing competing points of access to social dynamics. This volume examines events at both macro and micro levels documenting the impact large scale historical events have had on particular individuals and challenging the uniqueness of a single interpretation of the same facts Native Peoples of the Southwest Trudy Griffin-Pierce, 2000-09 A comprehensive guide to the historic and contemporary indigenous cultures of the American Southwest intended for college courses and the general reader Junius B. Bird Pre-Columbian Textile Conference, May 19 and 20, 1973 Ann Pollard Rowe, Elizabeth P. Benson, Anne-Louise Schaffer, 1979-06 Prehistoric Sandals from Northeastern Arizona Kelley Ann Hays-Gilpin, Ann Cordy Deegan, Elizabeth Ann Morris, 2022-04-05 During the late 1920s and early 1930s archaeologists Earl and Ann Axtell Morris discovered an abundance of sandals from the Basketmaker II and III through Pueblo III periods while excavating rockshelters in northeastern Arizona These densely twined sandals made of yucca yarn were intricately crafted and elaborately decorated and Earl Morris spent the next 25 years overseeing their analysis description and illustration This is the first full published report on this unusual find which remains one of the largest collections of sandals in Southwestern archaeology This monograph offers an integrated archaeological and technical study of the footwear providing for the first time a full scale analysis of the complicated weave structures they represent Following an account by anthropologist Elizabeth Ann Morris of her parents research textile authority Ann Cordy Deegan gives an overview of prehistoric Puebloan sandal types and of twined sandal construction techniques revealing the subtleties distinguishing Basketmaker sandals of different time periods Anthropologist Kelley Ann Hays Gilpin then discusses the decoration of twined sandals and speculates on the purpose of such embellishment Collecting the Weaver's Art Laurie D. Webster, Peabody Museum of Archaeology and Ethnology, 2003-12-09 This is the first publication on a remarkable collection of 66 outstanding Pueblo and Navajo textiles donated to the Peabody Museum in the 1980s by William Claflin Jr Claflin also bequeathed to the museum his detailed accounts of their collection histories included here
