Soviet Bloc Elite Forces, 1991 *Soviet Bloc Elite Forces* Steven J. Zaloga, 1985-09-26 The elite forces of the Soviet Union and its Warsaw Pact allies in the mid 1980s were undoubtedly the largest in the world and among the least known The Soviet elite formations alone had a total strength comparable to that of the entire British armed forces Besides the conventional military elite formations such as airborne and marine forces most Warsaw Pact armies also possessed special political elite which were used for internal security Backed by numerous photographs and illustrations this book uncovers the history organization and equipment of both the conventional Soviet elite formations and the often ignored security units

Guns of the Elite Forces John Walter, 2005-02-01 Guns of the Elite Forces provides a penetrating account of the weapons that elite fighting troops carry into combat Such elites have always existed in the armies of the world During World War II elite units sprang up in most theatres of conflict the German Brandenburgers carried out clandestine operations in Poland in the Western Desert the Long Range Desert Group and SAS penetrated deep behind enemy lines for larger scale raids the British Commandos and the US Rangers and Marine Raiders were formed **Cold War Gone Hot** Ambush Alley Ambush Alley Games, 2011-11-20 My fellow Americans I m pleased to tell you today that I ve signed legislation that will outlaw Russia forever We begin bombing in five minutes Ronald Reagan 1984 With these words spoken as a sound check to a radio broadcast President Reagan came dangerously close to igniting the long simmering Cold War Although Soviet forces were placed on alert following reports of this comment the full scale conflict between the West and the Soviet Bloc did not break out Cold War Gone Hot the latest companion volume for Force on Force looks at the 44 year history of the Cold War and asks what if With the orders of battle vehicle stats and missions included in this volume Force on Force players can simulate the advance of Soviet tanks across Western Europe a thrust into Alaska or any number of other plausible scenarios where history took a slightly different path **Force on Force** Ambush Alley Ambush Alley Games, 2011-04-01 Force on Force brings the drama and action of modern warfare to the tabletop using miniature soldiers The rules cover all aspects of modern warfare from the confidence and supply level of troops to air strikes and off board artillery and accommodates scenarios set anywhere from the end of World War II to the conflicts on today s news without sacrificing either character or playability Quick to learn and play the game rewards players who use well considered modern tactics to try and achieve victory From infantry and armor to artillery and air support Force on Force presents everything that players need to recreate post World War II warfare involving both conventional combined arms forces and the irregular guerrilla units that have become the hallmark of 21st century warfare **World Special Forces Insignia** Gordon L. Rottman, 2012-09-20 There exists among the world s armies a proliferation of special forces groups Today s smaller armies especially those of developing nations demand maximum efficiency in force structure and employment Mountain jungle arctic and desert areas require special purpose units trained conditioned and equipped to master these environments This volume by ex weapons specialist
