The English Language An Introduction For Teachers:

The English Language Fred Brengelman, 1970 *Teaching English as a Foreign Language* Carola Surkamp, Britta Viebrock, 2018-03-24 Diese Einführung in englischer Sprache präsentiert in 14 Kapiteln die grundlegenden Themen und Gegenstandsbereiche der Englischdidaktik. Gleichermassen praxisnah wie theoretisch fundiert behandelt der Band zentrale Prinzipien und Kompetenzbereiche eines modernen Fremdsprachenunterrichts. Ausgehend von den zentralen Akteuren Lehrende und Lernende und mit Blick auf die Teilbereiche der Sprachliteratur und Kulturdidaktik werden zudem Vorschläge für den Einsatz unterschiedlicher Materialien und Medien diskutiert. Weitere Kapitel widmen sich den institutionellen Organisationsstrukturen und dem Bereich Assessment/Diagnose. Der Band erscheint in zweifarbiger Gestaltung mit Definitionen und Beispielen sowie mit zahlreichen Abbildungen. This comprehensive introduction presents the fundamental topics and issues of TEFL. Teaching English as a Foreign Language in 14 chapters. Integrating both profound theoretical and creative practical considerations, the central principles and competence domains of modern foreign language teaching are discussed. Starting with the main classroom agents teachers and learners, the chapters outline a variety of content areas: language, literature, cultural issues, and thoroughly review materials, media, and methods. Additional chapters are concerned with the historical development of English language teaching, its current institutional organisation, as well as assessment and evaluation.

The English Language Fred Brengelman, 1970 *English Language Arts* Julie Gorlewski, 2018-06-12 English Language Arts offers both undergraduates and starting graduate students in education an introduction to the connections that exist between language arts and a critical orientation to education. Because language influences all aspects of education, English teachers have a unique responsibility to create opportunities for learners to cultivate literacy practices that will empower them to reach their potential. Applying critical and theoretical perspectives to teaching English language arts, this primer considers how meanings are made in intersecting spaces of learners, teachers, and texts. Julie Gorlewski shows future and current teachers how critical English language arts education can be put into practice with concrete strategies and examples in both formal and informal educational settings. With opportunities for readers to engage in deeper discussion through suggested activities, English Language Arts pedagogical features include Model Classroom Scenarios, Extension Questions, Glossary of Key Terms.

An Introduction to English Language Teaching John Haycraft, 1978 This book is intended for those who have only limited training or experience in teaching English as a foreign language and who want a general but practical introduction to the whole subject. Those who wish to do further reading on any aspect will find bibliographies giving details of more specialised books after each chapter. The book is based on material which has been used successfully on teacher training courses at International House in London. Back cover

Teaching English to Speakers of Other Languages David Nunan, 2015-02-11 David Nunan's dynamic learner-centered teaching style has informed and inspired countless TESOL educators around the world. In this fresh, straightforward introduction to teaching English to speakers of

other languages he presents teaching techniques and procedures along with the underlying theory and principles. Complex theories and research studies are explained in a clear and comprehensible yet non-trivial manner without trivializing them. Practical examples of how to develop teaching materials and tasks from sound principles provide rich illustrations of theoretical constructs. The content is presented through a lively variety of different textual genres including classroom vignettes showing language teaching in action, question and answer sessions, and opportunities to eavesdrop on small group discussions among teachers and teachers in preparation. Readers get involved through engaging interactive pedagogical features and opportunities for reflection and personal application. Each chapter follows the same format so that readers know what to expect as they work through the text. Key terms are defined in a Glossary at the end of the book. David Nunan's own reflections and commentaries throughout enrich the direct up-close style of the text.
