Letters of the Law Sora Y. Han,2015-05-05 One of the hallmark features of the post civil rights United States is the reign of colorblindness over national conversations about race and law But how precisely should we understand this notion of colorblindness in the face of enduring racial hierarchy in American society In Letters of the Law Sora Y Han argues that colorblindness is a foundational fantasy of law that not only informs individual and collective ideas of race but also structures the imaginative capacities of American legal interpretation Han develops a critique of colorblindness by deconstructing the law s central doctrines on due process citizenship equality punishment and individual liberty in order to expose how racial slavery and the ongoing struggle for abolition continue to haunt the law s reliance on the fantasy of colorblindness Letters of the Law provides highly original readings of iconic Supreme Court cases on racial inequality spanning Japanese internment to affirmative action policing to prisoner rights Jim Crow segregation to sexual freedom Han s analysis provides readers with new perspectives on many urgent social issues of our time including mass incarceration educational segregation state intrusions on privacy and neoliberal investments in citizenship But more importantly Han compels readers to reconsider how the diverse legacies of civil rights reform archived in American law might be rewritten as a heterogeneous practice of black freedom struggle

The American Philatelist ,1928 *The Letter from Prison* W. Clark Gilpin,2024-06-24 Letters from prison testifying to deeply felt ethical principles have a long history extending from antiquity to the present day In the early modern era the rise of printing houses helped turn these letters into a powerful form of political and religious resistance W Clark Gilpin s fascinating book examines how letter writers in England ranging from archbishops to Quaker women consolidated the prison letter as a literary form Drawing from a large collection of printed prison letters written from the reign of Henry VIII to the closing decades of the seventeenth century Gilpin explores the genre s many facets within evolving contexts of reformation and revolution The writers of these letters portrayed the prisoner of conscience as a distinct persona and the prison as a place of redemptive suffering where bearing witness had the power to change society The Letter from Prison features a diverse cast of characters and a literary genre that combines drama and inspiration It is sure to appeal to those interested in early modern England prison literature and cultural forms of resistance

Mercer Dictionary of the Bible Watson E. Mills,Roger Aubrey Bullard,1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies 1 a critically chastened world view that is satisfied with provisional results and 2 a creative or poetic use of the sources of study of Jesus

Letters for the Ages Behind Bars James Drake,Edward Smyth,2024-04-25 Letters for the Ages Behind Bars is a history of imprisonment told through the letters of people incarcerated over many centuries for crimes committed or sometimes even for no reason at all It is a story that runs from St

Paul right up to the present day The act of depriving someone of their liberty is one of humankind s most enduring responses to crime through history What society has sought to achieve over the years by doing so has shifted across the centuries and there is now a variety of purposes to express disapproval for the purpose of straight up punishment through the removal of freedom to protect the general public to rehabilitate perhaps even to forget about those with whom we simply cannot cope The letters assembled here come from all parts of the world and from time immemorial Thomas Cromwell Mary Queen of Scots Eamon De Valera Al Capone Martin Luther King and many more These letters not only reveal what it is like to be behind bars but raise issues that are still of pressing interest for us today such as the death penalty miscarriages of justice redemption and social change They shed light on a system which is primarily one of contradictions there are letters which inspire horrify letters which awe and condemn even letters which make you laugh or cry
