The Epistles Of John An Introduction And Commentary:

The Epistles of John John R. W. Stott, 1964 *The Epistles of John* John Robert Walmsley Stott, 1969 *The Epistles of John* J. R. W. Stott, 1966 **The Epistles of John** Raymond Edward Brown, 1982 A lengthy introduction which discusses the authorship of the Epistles of John their relationship to the Fourth Gospel and what they demonstrate about the followers of John precedes a detailed commentary on the text of the Epistles themselves *The Gospel According to John* Colin G. Kruse, 2004 The Tyndale New Testament Commentaries have long been a trusted resource for Bible study Written by some of the world's most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today

Book jacket *The Epistles of John* Neil Alexander, 1962 *The Gospel of John* F. F. Bruce, 1994-10-18 This popular verse by verse exposition of John based on Bruce's own translation of the Gospel reflects Bruce's customary ability to make the benefits of his scholarship accessible to the general reader Footnotes and bibliography are included pointing the reader to resources for further study **The Letters of John** John Stott, 2014-06-10 In this Tyndale commentary John Stott provides insight into the books of 1 2 and 3 John Exploring John's hope for his past and present readers to be firmly established in faith love and holiness Stott shows how John challenges us to remember what we already know and stay loyal to the teachings we've heard **The epistles of John : a new translation with introduction and commentary** Raymond Edward Brown, 1982 *The Epistles of John* Samuel M. Ngewa, 2019-10-21 While the message of the Bible remains the same different insights may add new light In this commentary attempt is made to interact with the text of the letters of John especially as we have it in the Greek New Testament The meaning of the word is not seen as the end but only as the basis upon which to relate the message to the present needs of the church The church is both guardian of truth and instrument of love These two themes are repeatedly found in the epistles of John and as they are discussed in this commentary the writer seeks to provoke the reader to reflect on how he/she can keep on improving in them In our times with so many displaced persons hospitality is increasingly becoming an aspect of Christian love the church cannot run away from These are matters that this book calls attention to as they are raised by the biblical text itself I am grateful to others who have also given their time and energy in providing their insights on the same epistles May the Lord use all the efforts to build a strong church for our time and many years to come
