

A black and white photograph of an older man with glasses, Duane Michaels, leaning forward and pointing his right index finger directly at the camera. He has a wide-eyed, open-mouthed expression of surprise or emphasis. He is wearing a dark, long-sleeved button-down shirt. The background is a plain, light-colored wall.

The Essential Duane Michals

Donald Harington

The Essential Duane Michals:

The Essential Duane Michals Duane Michals, Marco Livingstone, 1997 Over the last four decades Duane Michals has forged a challenging new aesthetic that rejects photography's traditional documentary bias and instead explores his own subjective vision Playful conceptual and deeply personal his work includes narrative sequences that have been carefully staged as well as photographs that he writes or draws on after developing Influenced by such artists as Rene Magritte Michals freely mobilizes all available technical resources to realize his vision including double exposure blurred movement composite images photomontage and other tricks spurned by traditionalists This extraordinary retrospective explores the full range of Michals's work for the first time Organized by the themes that have preoccupied him throughout his career estrangement and transformation dreams and desires time and memory this book includes images from all of Michals's celebrated sequences and portfolios as well as commercial work and portraits of Andy Warhol Marcel Duchamp Warren Beatty Jeanne Moreau and other intriguing personalities For anyone who admires photography at its most ambitious provocative and personal **The Essential Duane Michals** will be an essential book **The Essential "New Art Examiner"** Terri Griffith, Kathryn Born, Janet Koplos, 2011-12-01 The New Art Examiner was the only successful art magazine ever to come out of Chicago It had nearly a three decade long run and since its founding in 1974 by Jane Addams Allen and Derek Guthrie no art periodical published in the Windy City has lasted longer or has achieved the critical mass of readers and admirers that it did The Essential New Art Examiner gathers the most memorable and celebrated articles from this seminal publication First a newspaper then a magazine the New Art Examiner succeeded unlike no other periodical of its time Before the word blog was ever spoken it was the source of news and information for Chicago area artists And as its reputation grew the New Art Examiner gained a national audience and exercised influence far beyond the Midwest As one critic put it it fought beyond its weight class The articles in The Essential New Art Examiner are organized chronologically Each section of the book begins with a new essay by the original editor of the pieces therein that reconsiders the era and larger issues at play in the art world when they were first published The result is a fascinating portrait of the individuals who ran the New Art Examiner and an inside look at the artistic trends and aesthetic agendas that guided it Derek Guthrie and Jane Addams Allen for instance had their own renegade style James Yood never shied away from a good fight And Ann Wiens was heralded for embracing technologies and design The story of the New Art Examiner is the story of a constantly evolving publication shaped by talented editors and the times in which it was printed Now more than three decades after the journal's founding The Essential New Art Examiner brings together the best examples of this groundbreaking publication great editing great writing a feisty staff who changed and adapted as circumstances dictated a publication that rolled with the times and the art of the times With passion insight and editorial brilliance the staff of the New Art Examiner turned a local magazine into a national institution **Encyclopedia of Twentieth-Century Photography, 3-Volume Set** Lynne Warren, 2005-11-15 The

Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included

Conversations with Contemporary Photographers Nan

Richardson,2005 Conversations is a landmark series in photography featuring extensive interviews by major international critics with living masters on aesthetics craft and culture The book traces the heritage of the medium in fascinating informal discourses on topics ranging from the personal to the political covering intimate detail and theoretical background alike Complete with biographies bibliographies and self portraits of each featured artist it is both a vital record of contemporary photography and an engaging read BOOK JACKET Thinking with Images John M. Carvalho,2018-08-06 This book advances an enactivist theory of aesthetics through the study of inscrutable artworks that challenge us to think because we do not know what to think about them John M Carvalho presents detailed analyses a four artworks that share this unique characteristic Francis Bacon s Study After Vel zquez s Portrait of Pope Innocent X 1953 the photographs of Duane Michals based on a retrospective of his work Storyteller at the Carnegie Museum of Art 2014 tant donn s 1968 by Marcel Duchamp and Jean Luc Godard s 1963 film Le M pris released in the United States as Contempt Carvalho argues against the application of theory to derive appreciation or meaning from these artistic works Rather each study enacts an embodied cognitive engagement with the specific artworks intended to demonstrate the value of thinking about artworks that might be extended to our engagement with the world in general This thinking happens as these studies show when we trust our embodied skills and their guide to what artworks and the world around us afford for the activation and refinement of those skills Thinking with Images will be of interest to scholars working in the philosophy of art and philosophical aesthetics as well as art historians concerned with the meaning and value of contemporary art

The Guestroom Novelist Donald

Harington,2019-03-29 Donald Harington best known for his fifteen novels was also a prolific writer of essays articles and book reviews The Guestroom Novelist A Donald Harington Miscellany gathers a career spanning and eclectic selection of nonfiction by the Arkansawyer novelist Donald Harington that reveals how a life of devastating losses and disappointments inspired what the Boston Globe called the quirkiest most original body of work in contemporary US letters This extensive collection of interviews and other works of prose many of which are previously unpublished offers glimpses into Harington s life loves and favorite obsessions replays his minor and not so minor dramas with literary critics and reveals the complicated and sometimes contentious relationship between his work of the writers he most admired The Guestroom Novelist which

takes its title from an essay that serves as a love letter to his fellow underappreciated writers paints a rich portrait of the artist as a young middle aged and fiercely funny old man as well as comic sentimentalist philosopher and critic paying testimony to the writer s magnificent ability to transform the seemingly crude stuff of our material existence into enduring art

Duane Michals Marco Livingstone, Pauline Baggio, 1998-01-01 T00:00:00+01:00 Cet ouvrage est une r dition num rique d un livre paru au XXe si cle d sormais indisponible dans son format d origine

A Dictionary of the Avant-gardes Richard Kostelanetz, H. R. Brittain, 2001 Introduces the concept of avant garde art to readers as it has been practiced over the last century Covering figures and genres in all styles of art this is an ideal introduction to often misunderstood art forms

The Focal Encyclopedia of Photography Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world s oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the atomic to the cosmic

Queer Methodology for Photography Asa Johannesson, 2024-02-01 This book presents new ways of approaching photographic discourse from a queer perspective offering discussions on what a queering methodology for photography may entail by drawing links between artistic strategies in photographic practice and key theoretical concepts from photography theory queer theory critical theory and philosophy With different examples of conceptual perspectives including representation formalism and mediumlessness it seeks to diversify queer methodology for photography While primarily addressing photography this book is entwined with broader philosophical questions concerning identity difference and the creations of systems of thought that limit the possibilities of existence to binary categorisation It proposes a new concept of the photographic image that addresses its materiality in the form of the poetic and the political in relationship to a generative principle that is named as a queer quality the photograph s ability to voice queer concerns also beyond its role as representation This book will be of interest to scholars working in photography art history queer studies new materialism and posthumanism
